

China Special Motor Industry Market Research and Investment Forecast Report

目 录

CONTENTS

Chapter 1: Development Overview of Special Motor Industry

1.1 Definition and Classification of Special Motor Industry

- 1.1.1 Definition of Special Motor
- 1.1.2 Classification of Special Motor Products
- 1.1.3 Key Position of Motor Industry in National Economy

1.2 Policies and Standards Related to Special Motor Industry

- 1.2.1 Competent Departments and Management System of the Industry
- 1.2.2 Policies Related to the Industry

1.3 Analysis of Economic Environment of Special Motor Industry

- 1.3.1 Analysis of International Macro-economic Environment
- 1.3.2 Analysis of Domestic Macro-economic Environment
- 1.3.3 Analysis of Industry Macro-economic Environment

1.4 Analysis of Demand Environment for Special Motor Industry

- 1.4.1 Analysis of Demand Features of the Industry
- 1.4.2 Analysis of Demand Trend of the Industry

1.5 Analysis of Trade Environment for Special Motor Industry

- 1.5.1 Development Status of Trade Environment for the Industry
- 1.5.2 Development Trend of Trade Environment for the Industry

1.6 Analysis of Technology Environment for Special Motor Industry

- 1.6.1 Development Overview of Special Motor Technologies
- 1.6.2 Gap between Chinese and Foreign Special Motor Technologies and the Causes
- 1.6.3 Analysis of Development Directions for New Technologies of Special Motor

Chapter 2: Analysis of Upstream Industrial Chain Markets of Special Motor Industry

2.1 Analysis of Production/Marketing and Price Trend of China Pig Iron Industry

- 2.1.1 Analysis of China Pig Iron Output
- 2.1.2 Analysis of China's Demand for Pig Iron
- 2.1.3 Analysis of Price Trend for China Pig Iron

2.2 Analysis of Production/Marketing and Price Trend of China Steel Industry

- 2.2.1 Analysis of China Steel Output
- 2.2.2 Analysis of Apparent Consumption of China Steel
- 2.2.3 Analysis of Price Trend for China Steel

2.3 Analysis of Production/Marketing and Price Trend of China Cooper Wire Industry

- 2.3.1 Analysis of China Cooper Wire Output
- 2.3.2 Analysis of Apparent Consumption of China Cooper Wire
- 2.3.3 Analysis of Price Trend for China Cooper Wire

2.4 Analysis of Production/Marketing and Price Trend of China Silicon Steel Industry

- 2.4.1 Analysis of China Silicon Steel Output
- 2.4.2 Analysis of China's Demand for Silicon Steel
- 2.4.3 Analysis of Price Trend for China Silicon Steel
- 2.4.4 Analysis of Hot Rolled Silicon Steel Sheet
 - (1) Analysis of Output of Hot Rolled Silicon Steel Sheet
 - (2) Analysis of Demand Amount of Hot Rolled Silicon Steel Sheet
 - (3) Price Trend and Forecast of Hot Rolled Silicon Steel Sheet
- 2.4.5 Analysis of Cold Rolled Non-Oriented Silicon Steel Sheet
 - (1) Analysis of Output of Cold Rolled Non-Oriented Silicon Steel Sheet
 - (2) Analysis of Demand Amount of Cold Rolled Non-Oriented Silicon Steel Sheet
 - (3) Price Trend and Forecast of Cold Rolled Non-Oriented Silicon Steel Sheet
- 2.4.6 Analysis of Cold Rolled Oriented Silicon Steel Sheet
 - (1) Analysis of Output of Cold Rolled Oriented Silicon Steel Sheet

- (2) Analysis of Demand Amount of Cold Rolled Oriented Silicon Steel Sheet
- (3) Price Trend and Forecast of Cold Rolled Oriented Silicon Steel Sheet

2.5 Analysis of Market and Demand of China Bearings Industry

- 2.5.1 Analysis of Deep Groove Ball Bearings Market
 - (1) Application of Deep Groove Ball Bearings
 - (2) Competitive Landscape of Deep Groove Ball Bearings Market
 - (3) Market Demand and Forecast for Deep Groove Ball Bearings
- 2.5.2 Analysis of Self Aligning Ball Bearings Market
 - (1) Application of Self Aligning Ball Bearings
 - (2) Competitive Landscape of Self Aligning Ball Bearings Market
 - (3) Market Demand and Forecast for Self Aligning Ball Bearings
- 2.5.3 Analysis of Angular Contact Ball Bearings Market
 - (1) Application of Angular Contact Ball Bearings
 - (2) Competitive Landscape of Angular Contact Ball Bearings
 - (3) Market Demand and Forecast for Angular Contact Ball Bearings
- 2.5.4 Analysis of Tapered Roller Bearings Market
 - (1) Application of Tapered Roller Bearings
 - (2) Competitive Landscape of Tapered Roller Bearings Market
 - (3) Market Demand and Forecast for Tapered Roller Bearings
- 2.5.5 Analysis of Cylindrical Roller Bearings Market
 - (1) Application of Cylindrical Roller Bearings
 - (2) Competitive Landscape of Cylindrical Roller Bearings Market
 - (3) Market Demand and Forecast for Cylindrical Roller Bearings
- 2.5.6 Analysis of Needle Roller Bearings Market
 - (1) Application of Needle Roller Bearings
 - (2) Competitive Landscape of Needle Roller Bearings Market
 - (3) Market Demand and Forecast for Needle Roller Bearings
- 2.5.7 Analysis of Self-aligning Roller Bearings Market
 - (1) Application of Self-aligning Roller Bearings
 - (2) Competitive Landscape of Self-aligning Roller Bearings Market
 - (3) Market Demand and Forecast for Self-aligning Roller Bearings
- 2.5.8 Analysis of Insert Bearings Market
 - (1) Application of Insert Bearings
 - (2) Competitive Landscape of Insert Bearings Market
 - (3) Market Demand and Forecast for Insert Bearings
- 2.5.9 Analysis of Oscillating Bearings Market
 - (1) Application of Oscillating Bearings
 - (2) Competitive Landscape of Oscillating Bearings Market
 - (3) Market Demand and Forecast for Oscillating Bearings

2.6 Analysis of Market and Demand of China Magnetic Materials Industry

- 2.6.1 Analysis of Market and Demand of Ferrite Magnet
 - (1) Analysis of Market Structure of Ferrite Magnet
 - (2) Analysis of Market Demand of Ferrite Magnet
 - (3) Analysis of Manufacturing Enterprises of Ferrite Magnet
 - (4) Analysis of Ferrite Magnet Raw Materials Market
 - (5) Market Demand Forecast for Ferrite Magnet
- 2.6.2 Analysis of Market and Demand of Ndfb Magnetic Materials
 - (1) Analysis of Market Structure of Ndfb Magnetic Materials
 - (2) Analysis of Market Demand of Ndfb Magnetic Materials
 - (3) Analysis of Manufacturing Enterprises of Ndfb Magnetic Materials
 - (4) Analysis of Ndfb Magnetic Materials Raw Materials Market
 - (5) Market Demand Forecast for Ndfb Magnetic Materials
- 2.6.3 Analysis of Market and Demand of Samarium-Cobalt Permanent Magnets
 - (1) Analysis of Manufacturing Enterprises of Ferrite Magnet
 - (2) Analysis of Development Prospects for Samarium-Cobalt Permanent Magnets

Chapter 3: Analysis of Operation of Special Motor Industry

3.1 Analysis of Market of International Special Motor Industry

- 3.1.1 Development Situation of International Special Motor Market
- 3.1.2 Analysis of Competition Situation of International Special Motor Market

3.1.3 Analysis of Development Trend for Special Motor Market

3.2 Analysis of Investment Layout of Multinationals in China's Market

3.2.1 Analysis of Investment Layout of Multinationals in China

- (1) Investment Layout of Nidec Corporation in China
- (2) Investment Layout of Sanyo in China
- (3) Investment Layout of Panasonic Corporation in China
- (4) Investment Layout of SINANO in China
- (5) Investment Layout of Mabuchi Motor in China
- (6) Investment Layout of Emerson Electric Company in China
- (7) Investment Layout of Regal-Beloit Corporation in China

3.2.2 Competition Situation and Challenges of Multinationals in China

3.2.3 Analysis of Competitive Strategies for Multinationals in China

3.3 Analysis of Market of China Special Motor Industry

3.3.1 Analysis of Development Status of Domestic Special Motor Industry

3.3.2 Market Size and Competitive Landscape of Domestic Special Motor Industry

- (1) Development Size of Special Motor Industry
- (2) Competitive Landscape of Special Motor Industry
- (3) Competitive Trend of Special Motor Industry

3.4 Analysis of Investment, Merger, Restructuring and Integration of the Industry

3.4.1 Overview of Investment, Merger, Restructuring and Integration of Special Motor Industry

3.4.2 Investment, Merger, Restructuring and Integration of International Special Motor Enterprises

3.4.3 Investment, Merger, Restructuring and Integration of Domestic Special Motor Enterprises

3.4.4 Features Judgment of Investment, Merger, Restructuring and Integration of Special Motor

Industry

3.5 Trend and Prospects Forecast for China Special Motor Industry

3.5.1 Analysis of Problems and Strategies for Special Motor Industry

- (1) Analysis of Problems in Special Motor Industry
- (2) Analysis of Development Strategies for Special Motor Industry

3.5.2 Development Size Forecast for Special Motor Industry

Chapter 4: Demand Analysis of Product Market Segments of China Special Motor Industry

4.1 Analysis of Demand of Explosion Proof Electric Motor

4.1.1 Technology Features and Development Trend of Explosion Proof Electric Motor

4.1.2 Market Analysis of Explosion Proof Electric Motor

4.1.3 Market Competition Landscape of Explosion Proof Electric Motor

4.1.4 Analysis of Major Explosion Proof Electric Motor Manufacturing Enterprises

4.1.5 Market Demand and Forecast for Explosion Proof Electric Motor

4.2 Analysis of Lifting Metallurgy Motor

4.2.1 Technology Features and Development Trend of Lifting Metallurgy Motor

4.2.2 Market Competition Landscape of Lifting Metallurgy Motor

4.2.3 Market Analysis of Lifting Metallurgy Motor

4.2.4 Analysis of Major Lifting Metallurgy Motor Manufacturing Enterprises

4.2.5 Market Demand and Forecast for Lifting Metallurgy Motor

4.3 Analysis of Elevator Motor

4.3.1 Technology Features and Development Trend of Elevator Motor

4.3.2 Market Analysis of Elevator Motor

4.3.3 Analysis of Market Application of Elevator Motor

4.3.4 Analysis of Major Elevator Motor Manufacturing Enterprises

4.3.5 Market Demand and Forecast for Elevator Motor

4.4 Analysis of Ship Electric Motor

4.4.1 Technology Features and Development Trend of Ship Electric Motor

4.4.2 Analysis of Application Market of Ship Electric Motor

4.4.3 Analysis of Major Ship Electric Motor Manufacturing Enterprises

4.4.4 Market Demand and Forecast for Ship Electric Motor

4.5 Analysis of Traction Motor

4.5.1 Technology Features and Development Trend of Traction Motor

4.5.2 Analysis of Application Market of Traction Motor

4.5.3 Analysis of Major Traction Motor Manufacturing Enterprises

4.5.4 Market Demand and Forecast for Traction Motor

4.6 Analysis of Canned Motor

- 4.6.1 Technology Features and Development Trend of Canned Motor
- 4.6.2 Analysis of Application Market of Canned Motor
- 4.6.3 Analysis of Major Canned Motor Manufacturing Enterprises
- 4.6.4 Market Demand and Forecast for Canned Motor

Chapter 5: Analysis of Demand Market of Special Motor Industry

5.1 Analysis of Market Demand of Crane

- 5.1.1 Development Situation of China Crane Industry
- 5.1.2 Market Size of China Crane Industry
- 5.1.3 Analysis of Special Motor Procurement Enterprises in China Crane Industry
 - (1) Yichun Jiangte Mechanical Transmission Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - 3) Performance Requirements and Standards for Special Motor
 - (2) Shenzhen Hualite Lifting Machinery Equipment Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - 3) Performance Requirements and Standards for Special Motor
 - (3) Guangzhou Crane Transportation Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
- 5.1.4 Analysis of Development Trend of China Crane Industry
- 5.1.5 Market Demand Prospects for China Crane Industry

5.2 Analysis of Market Demand of China Metallurgical Equipment Industry

- 5.2.1 Development Situation of China Metallurgical Equipment Industry
- 5.2.2 Market Size of China Metallurgical Equipment Industry
- 5.2.3 Analysis of Special Motor Procurement Enterprises in China Metallurgical Equipment Industry
 - (1) Jigang Group Co., Ltd. ① Analysis of Operating Revenue
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - (2) Qingdao Iron and Steel Group Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - 3) Performance Requirements and Standards for Special Motor
 - (3) Kailuan Clean Coal Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
- 5.2.4 Analysis of Development Trend of China Metallurgical Equipment Industry

5.3 Analysis of Market Demand of Mining Machinery Industry

- 5.3.1 Development Situation of China Mining Machinery Industry
- 5.3.2 Market Size of China Mining Machinery Industry
- 5.3.3 Analysis of Special Motor Procurement Enterprises in China Mining Machinery Industry
 - (1) China National Coal Group Corp.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - 3) Performance Requirements and Standards for Special Motor
 - (2) Angang Group Anshan Mining Company ① Procurement Scale of Special Motor
 - 1) Procurement Types of Special Motor
 - 2) Performance Requirements and Standards for Special Motor
 - (3) Shenhua Wuhai Coal Group Co., Ltd.
 - 1) Procurement Scale of Special Motor
 - 2) Procurement Types of Special Motor
 - 3) Performance Requirements and Standards for Special Motor
- 5.3.4 Analysis of Development Prospects of China Mining Machinery Industry

5.4 Analysis of Market Demand of Shipbuilding Industry

- 5.4.1 Development Situation of China Shipbuilding Industry
- 5.4.2 Market Size of China Shipbuilding Industry
