

China Animation Industry Development Prospects and Investment Forecast Report, 2013–2017

目 录

CONTENTS

Chapter 1: Overview and Development Environment Analysis of Animation Industry

1.1 Overview of Animation Industry

- 1.1.1 Definition of Animation Industry
- 1.1.2 Classification of Animation Industry
- 1.1.3 Development History of Animation Industry
 - (1) Cartoon
 - (2) Animation
 - (3) Online Animation
- 1.1.4 Analysis of Animation Industry's Position in National Economy

1.2 Policy Environment Analysis of Animation Industry

- 1.2.1 Management System of Animation Industry
 - (1) Competent Departments
 - (2) Supervision System
- 1.2.2 Policies and Regulations Related to Animation Industry
 - (1) Industry Related Planning
 - 1) Cultural Industries Promotion Plan
 - 2) National "Twelfth Five-year" Cultural Development Planning Outline
 - (2) Standards Related to Industry – Standard System of Mobile Animation Industry Will Release

Soon

- (3) Tax Preference Policies of Industry
 - 1) Cartoon Animation Development and Production of Goods Imported By Enterprises Exempt From Import Tax of the Interim Provisions
 - 2) Turnover Tax Policy Supporting the Development of Animation Industry Tax (2011)
- (4) Policies Related to Industry
 - 1) The Cultural Investment Guidelines of Ministry of Culture
 - 2) Management Measures of Animation Enterprises (Trail)
 - 3) Ministry of Culture's Opinions on Supporting the Development of China Animation Industry
 - 4) Opinions on Promoting the Development of China's Animation Industry
 - 5) Notice on Implementing Theme Planning for National TV Animation
 - 6) Opinions on Developing China's Film and TV Industry

1.3 Analysis of Animation Industry's Economic Environment

- 1.3.1 Analysis of International Macro-economic Environment
 - (1) "Slow Growth" of US Economy Under High Unemployment and High Deficit Pressure
 - (2) EU Countries Will Step into "Recession" for Waving of EU Crisis
- 1.3.2 Analysis of Domestic Macro-economic Environment
 - (1) Trend and Forecast for GDP Growth
 - (2) Trend and Forecast for CPI
 - (3) Trend and Forecast for Industrial Value Added
 - (4) Trend and Forecast for Fixed Asset Investment
 - (5) Trend and Forecast for Import & Export

Chapter 2: Development Analysis and Enlightenment of International Animation Industry

2.1 Development Overview of International Animation Industry

- 2.1.1 Development Status of International Animation Industry
- 2.1.2 Development Mode of International Animation Industry
- 2.1.3 Development Features of International Animation Industry
- 2.1.4 Competitive Landscape of International Animation Industry
- 2.1.5 Supporting Policies of International Animation Industry
- 2.1.6 Policy Supporting Measures of International Animation Industry

2.2 Development Analysis of Japan Animation Industry

- 2.2.1 Income Analysis of Japan Animation Industry
- 2.2.2 Pattern Analysis of Japan Animation Industry
- 2.2.3 Industrial Chain Analysis of Japan Animation Industry
- 2.2.4 Successful Factors Analysis of Japan Animation Industry
 - (1) Japan Animation Works More Fit for Social Demand
 - (2) Tight Close of Every Link in Japan's Animation Industrial Chain
 - (3) Creativity Forms Core Competitiveness of Japan Animation Industry
 - (4) Japan Animation Industry Supported by Government
- 2.2.5 Development Analysis of Main Enterprises in Animation Industry
 - (1) STUDIO GHIBLI
 - (2) BONES
 - (3) SUNRISE
 - (4) GAINAX
 - (5) GONZO
 - (6) J.C. Staff
 - (7) Kyoto Animation
 - (8) Toei Animation
- 2.2.6 Industrial Management of Japan Animation's Enlightenment on China Animation Industry
 - (1) Expanding Target Audience Group
 - (2) Focus on Product Segments
 - (3) Strengthen Industrial Management
- 2.3 Development Analysis of US Animation Industry**
 - 2.3.1 Development Stage of US Animation Industry
 - 2.3.2 Industrial Value Analysis of US Animation Industry
 - 2.3.3 Commercial Mode of US Animation Industry
 - 2.3.4 Market Competition of US Animation Industry
 - 2.3.5 Development Analysis of Main Enterprises in US Animation Industry
 - (1) Disney
 - (2) DreamWorks SKG
 - (3) Blue Sky Studios
 - (4) Warner Bros. Entertainment
 - (5) 20th Century Fox
 - 2.3.6 Operational Mode of US Animation's Enlightenment on China Animation Industry
- 2.4 Development Analysis of Korea Animation Industry**
 - 2.4.1 Development Stage of Korea Animation Industry
 - 2.4.2 Income Analysis of Korea Animation Industry
 - 2.4.3 Development Trend of Korea Animation Industry
 - 2.4.4 Development Analysis of Main Enterprises in Korea Animation Industry
 - 2.4.5 Rising of Korea Animation's Enlightenment on China Animation Industry

Chapter 3: Development Status and Trend of China Animation Industry

- 3.1 Profit Mode of China Animation Industry**
 - 3.1.1 Profit Mode of "Cultural Industrialization"
 - 3.1.2 Profit Mode of "Industry Culturalization"
 - 3.1.3 Comparison Between Two Modes
- 3.2 Industrial Chain Analysis of China Animation Industry**
 - 3.2.1 Profile of Animation Industrial Chain
 - 3.2.2 Flow of Animation Industrial Chain
 - 3.2.3 Main Types of Animation Industry
 - 3.2.4 Operational Status of China Animation Industrial Chain
 - 3.2.5 Dilemma of China Animation Industrial Chain
 - (1) Copycats
 - (2) Derivatives Lack of Product Development
 - (3) Lack of Overall Co-ordinance
 - 3.2.6 Ways to Development China Animation Industry
- 3.3 Development Analysis of China Animation Industry**
 - 3.3.1 Development History of China Animation Industry
 - 3.3.2 Market Size of China Animation Industry
 - 3.3.3 Supply and Demand Analysis of China Animation Industry
 - (1) Market Supply Analysis of China Animation Industry

- (2) Market Demand Analysis of China Animation Industry
- (3) Causes for Changes of Supply and Demand of China Animation Market
- 3.3.4 Market Competition Analysis of China Animation Industry
- 3.3.5 Development Bottlenecks of China Animation Industry

3.4 Import and Export Analysis of China Animation Industry

- 3.4.1 Import and Export Status Analysis of China Animation
- 3.4.2 Analysis of China Animation Export Trend
 - (1) Advantages of China Developing Animation Export
 - (2) Major Existing Problems in China Animation Export
 - (3) Strategic Opportunities of China Animation Export
 - (4) Challenges of China Animation Export Facing
- 3.4.3 Analysis of China Animation Import Trend
 - (1) China Animation Import Shocked by Domestic Animation
 - (2) Development Trend Analysis of China Animation Import

3.5 Development Trend of China Animation Industry

- 3.5.1 Original Animation Works Roll Up
- 3.5.2 Animation Enterprises Exploring Development Road of Marketization
- 3.5.3 Amalgamation of Animation Creativity Enterprises
- 3.5.4 Frequent Cooperation Among Animation R&D Institutions, Producing Institutions and Schools

Chapter 4: Regional Distribution and Base Development of China Animation Industry

4.1 Regional Distribution of China Animation Industry

4.2 Development Overview of China National Level Animation Bases

- 4.2.1 Development Size of China National Level Animation Bases
- 4.2.2 Capacity Analysis of China National Level Animation Bases

4.3 Development Analysis of Jiangsu Animation Industry

- 4.3.1 Jiangsu Animation Industry Status
 - (1) Size of Animation Industry
 - (2) Output Analysis of Animation Industry
 - (3) Construction of National Animation Industry Bases
 - (4) Policies of Animation Industry
- 4.3.2 Problems in Jiangsu Animation Industry
 - (1) Broken Industrial Chain of Animation
 - (2) Severely Lack of Animation Industry
 - (3) Not Enough Supporting Strength on Animation Enterprises
- 4.3.3 Policies on Development of Jiangsu Animation Industry
 - (1) Strengthen Enterprise Competitiveness
 - (2) Support the Development of Original Industry
 - (3) Play a Role of Industry Engine and Foster a Complete Animation Industrial Chain
 - (4) Encourage Diversified Economies to Join Development and Operation of Film Animation Industry
 - (5) Strengthen Extensive Cooperation with Other Provincial and Foreign Animation Industry
 - (6) Support the Construction of Animation Industry Bases and Strongly Foster High-end Talents

4.4 Development Analysis of Zhejiang Animation Industry

- 4.4.1 Status of Zhejiang Animation Industry
 - (1) Size of Animation Industry
 - (2) Output Analysis of Animation Industry
 - (3) Construction of National Animation Industry Bases
 - (4) Policies of Animation Industry
- 4.4.2 Commercial Modes Analysis of Zhejiang Animation Industry
 - (1) Typical Commercial Mode of Hangzhou StarQ Information Technology
 - (2) Typical Commercial Mode of Modern Age
 - (3) Comparison Between Two Modes
- 4.4.3 Development Bottlenecks of Zhejiang Animation Industry
- 4.4.4 Strategies for Developing Zhejiang Animation Industry
 - (1) Make Full Use of Policies and Implement Priority Development Strategies
 - (2) Accelerate Industry Cluster and Vigorously Improve Core Competitiveness
 - (3) Focus on Structure and Strengthen to Foster and Bring in Animation Talents
 - (4) Promote Studio Mode of Application Animation
 - (5) Conduct Market Segments, Found Magazines and Foster Animation Lovers
 - (6) Development and Utilize Animation Derivatives

4.5 Development Analysis of Guangdong Animation Industry

4.5.1 Status of Guangdong Animation Industry

- (1) Size of Animation Industry
- (2) Output Analysis of Animation Industry
- (3) Construction of National Animation Industry Bases
- (4) Policies of Animation Industry

4.5.2 Transformation Analysis of Guangdong Animation Industry

4.5.3 Development Routines of Shenzhen Animation Industry

4.5.4 Advantages Analysis of Developing Guangdong Animation Industry

- (1) Good Basic Conditions of Industry
- (2) Diversified Investment Environment
- (3) Massive Reserve of Talents
- (4) Developed Derivatives Industries
- (5) Enormous Animations Fans Group
- (6) Rich Original Resources
- (7) Prosperous Development Momentum in Province

4.5.5 Development Bottlenecks and Strategies of Guangdong Animation Industry

- (1) Development Bottlenecks
- (2) Forming Causes
- (3) Dealing Strategies

4.5.6 Development Trend of Guangdong Animation Industry

4.6 Development Analysis of Shanghai Animation Industry

4.6.1 Status of Shanghai Animation Industry

- (1) Size of Animation Industry
- (2) Output Analysis of Animation Industry
- (3) Construction of National Animation Industry Bases
- (4) Establish Animation Property Transaction Center
- (5) Build up First Domestic Animation Public Technology Service Platform
- (6) Animation Industry Policies

4.6.2 Development Features of Shanghai Animation Industry

- (1) Long Development History of Animation Industry
- (2) Bring in Animation Industry Resources for Foreign Countries
- (3) Enormous Consumption Market of Animation Industry
- (4) Development of Technologic Chain of Animation Industry

4.6.3 Strategies for Developing Shanghai Animation Industry

- (1) Grasp Market Opportunities of Animation Derivatives in Expo
- (2) Establish Standard System for Animation Industry and Improve Overall Quality of Industry
- (3) Accelerate to Cluster Domestic and Foreign Excellent Animation Talents

4.7 Development Analysis of Chongqing Animation Industry

4.7.1 Status of Chongqing Animation Industry

- (1) Size of Animation Industry
- (2) Output Analysis of Animation Industry
- (3) Construction of National Animation Industry Bases
- (4) Policies of Animation Industry

4.7.2 Successful Experience of Developing Chongqing Animation Industry

- (1) Strongly Strengthen Governmental Support
- (2) Focus on Expanding Industry Size
- (3) Keep Strengthening Technological Support
- (4) Positively Foster Talent Team
- (5) Fully Cultivate Market Environment
- (6) Make Efforts to Expand Exchange and Cooperation

4.7.3 Advantages and Disadvantages Analysis of Chongqing Animation Industry

- (1) Analysis of Advantages
- (2) Analysis of Disadvantages
- (3) Analysis of Opportunities
- (4) Analysis of Risks

Chapter 5: Development of Industry Segments of China Animation Industry

5.1 China Animation Production Industry

5.1.1 Analysis of China Animation Production Industry Status

- (1) Total Industrial Value Analysis of Animation Production Industry
- (2) Output of Domestic TV Animation
 - 1) Output Analysis of Domestic TV Animation
 - 2) Enterprise Ranking of Domestic TV Animation by Output
 - 3) City Ranking of Domestic TV Animation by City
- (3) Box Office Performance of Domestic Animation
- (4) Analysis of Animation Film's Market Size
- 5.1.2 Theme Changes of China Domestic Animation
- 5.1.3 Key Enterprises of China Animation Production Industry
- 5.2 China Animation Processing Industry**
 - 5.2.1 Status Analysis of China Animation Processing Industry
 - 5.2.2 Main Forms of China Processing Animation
 - 5.2.3 Transformation and Upgrading Direction of China Animation Processing Industry
 - (1) Transform Towards to High-level Animation
 - (2) Transform Towards to Original and Production Associate Direction
 - 5.2.4 Development Prospects for China Animation Processing Industry
- 5.3 China Animation Training Industry**
 - 5.3.1 Status Analysis of China Animation Training Industry
 - (1) Size of Animation Training Educational Institutions
 - (2) Annual Industrial Value of Animation Training Industry
 - (3) Distance of Animation Training Industry Compared with Developed Countries
 - 5.3.2 Key Enterprises in China Animation Training Industry
 - 5.3.3 Existing Problems in China Animation Training Industry
- 5.4 China Animation Magazine Industry**
 - 5.4.1 Analysis of China Animation Magazine Market Status
 - 5.4.2 Competitive Landscape of China Animation Magazine
 - 5.4.3 Problems in China Animation Magazine Industry
- 5.5 China Animation Books Industry**
 - 5.5.1 Analysis of China Animation Books Market Status
 - 5.5.2 Analysis of China Best-seller Animation Books
 - 5.5.3 Key Enterprises in China Animation Books Industry
- 5.6 China Animation Exhibition Industry**
 - 5.6.1 Development Status of China Animation Exhibition Market
 - 5.6.2 Regional Distribution of China Animation Exhibition Market
- 5.7 China Network Animation Industry**
 - 5.7.1 Analysis of China Network Animation Industry
 - (1) Market Size of Network Animation
 - (2) Market Features of Network Animation
 - 5.7.2 Analysis of China Network Animation Enterprises
 - (1) Status of Network Animation Enterprises
 - (2) Analysis of Major Animation Websites Market
 - (3) Release of Major Animation Websites
 - (4) Information Included Volume of Animation Websites by Search Engines
 - (5) Importance Analysis of Media on Animation Websites
 - 5.7.3 Development Prospects of China Network Animation
- 5.8 China Cell Phone Animation Industry**
 - 5.8.1 Development of China Cell Phone Animation Industry
 - (1) Development Analysis of Cell Phone Animation
 - (2) Development Analysis of Cell Phone Cartoon
 - 5.8.2 Main Enterprises of China Cell Phone Animation Industry
 - 5.8.3 Analysis of China Original Cell Phone Animation Competitions
 - (1) Holding Information of Original Cell Phones Competitions in History
 - (2) Influence of Competitions on Cell Phone Animation Development
 - 1) Influence of Competitions on Cell Phone Animation Industrial Chain
 - 2) Influence of Competitions on Cell Phone Animation Technological Links
 - 3) Influence of Competitions on Cell Phone Animation Content Links
 - 4) Influence of Competitions on Links to Foster Consumers
 - 5) Influence of Competitions on Animation Creation Links
 - 6) Influence of Competitions on Animation Basic Research Links

5.8.4 Market Researches on China Cell Phone Animation Market

- (1) Interest Degree on Cell Phone Animation
- (2) Use Habits of Cell Phone Animation
- (3) Evaluation on Cell Phone Animation
- (4) Evaluation on Forms of Cell Phone Animation

5.8.5 Development Prospects for China Cell Phone Animation

Chapter 6: Development of China Animation Derivatives

6.1 Market Status of China Animation Derivatives

6.1.1 Development Mode of Animation Derivatives

- (1) Development Mode of Animation Derivatives
- (2) Market Size of China Animation Derivatives
- (3) Problems in China Animation Derivatives Market
 - 1) Foreign Animation Brands Occupy Monopoly Position
 - 2) Not Obvious Development Advantages of Domestic Animation Derivatives

6.2 Analysis of China Main Animation Derivatives Markets

6.2.1 Analysis of China Animation Toys Market

- (1) Market Size of Animation Toys
- (2) Supply and Demand Analysis of Animation Toys
- (3) Analysis of Animation Toys' Position in Toys Market
- (4) Market Competition Modes Analysis of Animation Toys
- (5) Types of Mainstream Animation Toys
- (6) Main Manufacturing Enterprises of Animation Toys
- (7) Market Channels Analysis of Animation Toys Market
- (8) Market Prospects for Animation Toys

6.2.2 Analysis of China Animation Games Market

- (1) Development of Network Games and Video Games Market
- (2) Market Size of Animation Games
- (3) Development Operational Mode of Animation Games
- (4) Main Participating Enterprises of Animation Games
- (5) Typical Cases Analysis of Animation Games
- (6) Market Prospects for Animation Games

6.2.3 Analysis of China Animation Costumes Market

- (1) Market Overview of Animation Costumes
- (2) Main Types of Animation Costumes
- (3) Supply and Demand Analysis of Animation Costumes
- (4) Analysis of Market Competition of Animation Costumes
- (5) Main Manufacturing Enterprises of Animation Costumes
- (6) Market Channels Analysis of Animation Costumes
- (7) Market Prospects for Animation Costumes

6.2.4 Analysis of China Anime Stationery

- (1) Market Overview of Anime Stationery
- (2) Main Types of Anime Stationery
- (3) Supply and Demand Analysis of Anime Stationery
- (4) Analysis of Market Competition of Anime Stationery
- (5) Main Manufacturing Enterprises of Anime Stationery
- (6) Market Channels Analysis of Anime Stationery
- (7) Market Prospects for Anime Stationery

6.2.5 Analysis of Other Animation Derivatives Markets

- (1) Development Analysis of Animation Theme Parks
- (2) Development Analysis of Anime Virtual Products
 - 1) Network Images
 - 2) Virtual Wealth
 - 3) Application in Cell Phone

6.3 Analysis of Typical Cartoon and Other Derivatives Cases of Cartoon Images

6.3.1 Disney - Successful Case of Animation Derivative

6.3.2 Transformer Toys - Subverting the Mode of Having Product First, Having Animation Second

6.3.3 Astro Boy - Beginning of Japan Animation's Derivatives

6.3.4 Lan Mao - Successful Case of China Animation's Derivatives

6.4 Development Thinking of China Animation Derivatives

- 6.4.1 Comply with International Mature Logic Mode of Animation Industry Development
- 6.4.2 Focus on Emotional Features of Animation Derivatives
- 6.4.3 Conduct Market Segments and Exactly Grasp Demand of Target Market
