China’s Cold Chain Logistics Industry Market Investment Strategic Planning and Analysis Report 2022-2027

目 录

CONTENTS

Chapter 1: Definition of the Concept of Cold Chain Logistics and Analysis of the Development Environment
1.1 Definition of the Concept of Cold Chain Logistics Industry
1.2 Analysis of Cold Chain Logistics Industry Policies
1.3 Analysis of Economic Environment of Cold Chain Logistics Industry
1.4 Ecological Analysis of the Cold Chain Logistics Industry
1.5 Analysis of the Technical Environment of the Cold Chain Logistics Industry
1.6 Summary of the Development Environment of the Cold Chain Logistics Industry
Chapter 2: Global Cold Chain Logistics Industry Development Status and Experience for Reference
2.1 Global Cold Chain Logistics Industry Development History
2.2 Analysis of the Current Development Situation of the Global Cold Chain Logistics Industry
2.3 Competitive Landscape of Companies in the Global Cold Chain Logistics Industry
2.4 Cold Chain Logistics Industry Development Analysis in Global Major Countries
2.5 Case References of Major Global Representative Enterprises in Cold Chain Logistics Industry
Chapter 3: Development Status and Supply and Demand in China’s Cold Chain Logistics Industry
3.1 The development history of China’s cold chain logistics industry and its comparison with developed and developing countries
3.2 Overall Development of China’s Logistics Industry
3.3 Analysis of the Current Market Supply and Demand of China’s Cold Chain Logistics Industry
3.4 Analysis of the Construction and Operation of Cold Storage in China
3.5 Analysis of Operational Benefit and Profit of Listed Enterprises in Cold Chain Logistics Industry
3.6 Analysis of Pain Points in the Development of China’s Cold Chain Logistics Industry
3.7 Analysis of major events in China’s cold chain logistics industry from 2019 to.....2021
Chapter 4: Analysis of Competition and Competitive Landscape of China’s Cold Chain Logistics Industry
4.1 Porter Five Forces Analysis of Cold Chain Logistics Industry
4.2 Analysis of Investment, Merger and Restructuring in Cold Chain Logistics Industry
4.3 Market Segmentation of Cold Chain Logistics in China
4.4 Regional Development of Cold Chain Logistics in China
4.5 Competitive Landscape of Chinese Cold Chain Logistics Enterprises/Brands
4.6 Analysis of China’s Cold Chain Logistics Market Concentration
Chapter 5: Analysis of Market Development of Different Transportation Modes in China’s Cold Chain Logistics Industry
5.1 Types of Transportation Modes and Development Comparison of Cold Chain Logistics Industry
5.2 Analysis and Forecast of Road Refrigerated Transportation
5.3 Status Quo Analysis and Forecast of Railway Cold Chain Logistics
5.4 Seagoing Reefer Transport Analysis and Forecast
5.5 Refrigerated Air Transport Analysis and Forecast
Chapter 6: Market Demand Analysis of Midstream Segment Products in China’s Cold Chain Logistics Industry
6.1 Comparison o Midstream Segments and Demand in China’s Cold Chain Logistics Industry
6.2 Market Analysis of Cold Chain Logistics of Meat Products
6.3 Market Analysis of Cold Chain Logistics of Aquatic Products
6.4 Market Analysis of Cold Chain Logistics of Quick Frozen Food
6.5 Market Analysis of Cold Chain Logistics of Fruit and Vegetable
6.6 Market Analysis of Cold Chain Logistics of Pharmaceutical Products

6.7 Market Analysis of Cold Chain Logistics of Dairy Products
Chapter 7: Construction of Terminal Circulation System in China's Cold Chain Logistics Industry
7.1 Construction of Cold Chain Logistics System of Chain Supermarkets
7.2 Construction of Cold Chain Logistics System of Chain Restaurants
7.3 Construction of Cold Chain Logistics System of Agricultural Products Wholesale
7.4 Construction of Cold Chain Logistics System of Pharmaceutical Distribution
Chapter 8: Analysis of Market Demand Growth Potential of Key Regions of China's Cold Chain Logistics Industry
8.1 Regional Distribution of Cold Chain Logistics Resources in China
8.2 Analysis of the Development Status and Demand Growth Potential of Cold Chain Logistics in Key Regions
Chapter 9: Case Study of Representative Enterprises in the Supply Chain of China's Cold Chain Logistics Industry
9.1 Basic Information Analysis of Top 100 Cold Chain Logistics Enterprises in China
9.2 Operational Analysis of China's Cold Chain Logistics Operation Enterprises
9.3 Operational Analysis of China's Cold Chain Logistics Technology and Equipment Enterprises
Chapter 10: Opportunities, Challenges, Transformation and Breakthrough Strategies of the Cold Chain Logistics Industry with the Internet
10.1 Opportunities and challenges faced by the cold chain logistics industry with the Internet
10.2 Transformation and Reconstruction of the Cold Chain Logistics Industry by the Internet
10.3 Transformation and Breakthrough Strategies of Cold Chain Logistics Enterprises with Internet Thinking
Chapter 11: Trend Prospects and Investment Opportunities Suggestions for China's Cold Chain Logistics Industry
11.1 Prognosis Analysis of the Influencing Factors and Investment Potential of China's Cold Chain Logistics Industry
11.2 Development Trend and Market Prospect Forecast of China's Cold Chain Logistics Industry
11.3 Analysis of Investment Characteristics of China's Cold Chain Logistics Industry
11.4 Investment Value and Investment Opportunities of Cold Chain Logistics
11.5 Investment Strategies and Sustainable Development Suggestions for Cold Chain Logistics Industry

图表目录

Chart 1: Schematic Diagram of the Cold Chain Logistics Industry Chain
Chart 2: Description of Research Methodology and Data Sources Reported
Chart 3: Summary of Current Standards in the Cold Chain Logistics Industry as f February.....2022
Chart 4: Summary of China's Cold Chain Logistics Industry Development Policies from February 2019 to2022
Chart 5: Content Related to the Cold Chain Logistics Industry in Opinions of the General Office of the State Council on Accelerating the
Development f Cold Chain Logistics to Ensure Food Safety and Promote Consumption Upgrading
Chart 6: Contents Related to the Cold Chain Logistics Industry in Opinions of the State Council of the Central Committee of the Comm
unist Party of China on the Implementation of the Rural Revitalization Strategy
Chart 7: Contents Related to the Cold Chain Logistics Industry in Opinions on Accelerating the Development of Circula
tion to Promote Commercial Consumption
Chart 8: Summary of Medium and Long-Term Planning for the Cold Chain Logistics Industry as of Februa
ry.....2022
Chart 9: Interpretation of Medium and Long-Term Development Plan for Logistics Development (2014-2020)
Chart 10: Interpretation of 14th Five-Year Plan for Cold Chain Logistics Development
Chart 11: China GDP Growth Chart 2009-2021 (Unit: Trillion Yuan, %)
Chart 12: All Industrial Added Value and Its Growth Rate 2011-2021 (Unit: 100 Million Yuan, %)
Chart 13: Changes in National Fixed Asset Investment (Excluding Farmers), 2013 - 2021 H1 (Unit: Trillion R
MB, %)

Chart 14: Total Retail Sales of Consumer Goods in China, 2012-2021 (Unit: RMB Billion, %)
Chart 15: Forecasts of International Institutions on China's GDP Growth in 2022 (Unit: %)
Chart 16: Core Macroeconomic Indicators Forecast for China in 2022 (Unit: %)
Chart 17: Correlation Between Total Food Cold Chain Logistics and GDP in China 2016-2021
Chart 18: Correlation Between Total Food Cold Chain Logistics and Value Added of Tertiary Industry in China
2016-2021
Chart 19: China's Population Growth Trend 2010-2021 (Unit: 100 Million Yuan, %)
Chart 20: Age Structure of China's Population 2010-2021 (Unit: %)
Chart 21: Changes in China's Birth Rate 2010-2021 (unit: ‰)
Chart 22: Trends in China's Urbanization Rate 2012-2021 (Unit: %)
Chart 23: Per Capita Disposable Income of Chinese Residents 2013-2021 (Unit: Ten Thousand Yuan)
Chart 24: Changes in Per Capita Consumption Expenditure of Chinese Residents 2012-2021 (Unit: Yuan)
Chart 25: Structure of National Per Capita Consumption Expenditure in.....2021
Chart 26: Changes in Residents' Consumption Habits
Chart 27: National Residential Consumption Upgrade Composite Index
Chart 28: Analysis on the Development of National Residents' Consumption Upgrade
Chart 29: Key Technologies in Cold Chain Logistics and Transportation of Agricultural Products
Chart 30: Analysis of Key Technologies in the Cold Chain Logistics Storage Chain
