# Report of Prospects and Investment Strategy Planning on China Pension Industry (2022-2027)

## 目 录

*CONTENTS*

Chapter 1: The Overview of Pension Industry and Data Source Description
1.1 What is Pension Industry
1.1.1 The Definition of Pension Industry
1.1.2 The Discrimination of Pension Industry and other Similar Concepts
(1) Concepts Discrimination of Pension Mode
(2) Concepts Discrimination of Smart Pension
(3) Three-pillar Pension System
(4) Welfare Triangle Paradigm
1.2 The Classification of Pension Industry
1.3 The Research Scope of this Report
Chapter 2: The PEST Analysis of Macro-environment of China Pension Industry
2.1 Analysis of China Pension Industry Policies
2.1.1 China Pension Industry Regulatory System and Institutions Introduction
(1) China Pension Industry Administration
(2) China Pension Industry Self-regulatory Organizations
2.1.2 The Current Situation of China Pension Industry Standard System
(1) The Construction of China Pension Industry Standard System
(2) The Summary of China Pension Industry Current Standard
(3) The China Pension Industry Upcoming Standard
(4) The Interpretation of China Pension Industry Key Standard
2.1.3 The Summary and Interpretation of Policies and Plans Related to the Development of China Pension Industry
(1) The Summary of Policies Related to the Development of China Pension Industry
(2) The Summary of Plans Related to the Development of China Pension Industry
2.1.4 The Impact Analysis of China "14th Five-Year Plan" on the Development of Pension Industry
(1) Summary of Content
(2) Impact Analysis
2.1.5 The Influence of Policy Environment on the Development China Pension Industry
2.2 The Analysis of the Economic Environment of China Pension Industry
2.2.1 The Current Situation of China's Macroeconomic Development
(1) China's GDP and Growth
(2) Structure of China's Three Industries
(3) China's Consumer Prices (CPI)
(4) China's Producer Price Index (PPI)
(5) Value Added of China's Tertiary Industry
2.2.2 The Outlook for China's Macroeconomic Development
(1) Forecast of China's GDP Growth Rate by International Institutions
(2) Forecast of China's Macroeconomic Indicators Growth Rate by Domestic Institutions
2.2.3 Correlation Analysis between the Development of China Pension Industry and Macro Economy
2.3 The Analysis of the Social Environment of China Pension Industry
2.3.1 The Analysis of the Social Environment of China Pension Industry
(1) China's Population Size and Growth Rate
(2) China's Population Structure
(3) Changes in China's Urbanization Level
(4) China's Labor Force and Labor Cost
(5) China's Population Mobility
(6) China's Savings Rate
(7) China's Per Capita Consumption Expenditure and Structure
(8) The Size of China's Middle Class and High Net Worth Individuals

(9) The Evolution of China's Consumption Upgrade
(10) The Scale of Chinese Internet Users and Internet Penetration Rate
(11) Chinese Residents' Health Concerns Have Increased
(12) The Scale of China's Medical Insurance Fund and Participation Rate
2.3.2 The Impact of Social Environment on Pension Industry
**2.4 Technical Environment Analysis of China Pension Industry**
2.4.1 The Analysis of Major Technology in the Industry
(1) 5G
(2) Cloud Computing
(3) Internet of Things
2.4.2 The Current R&D Investment and Innovation in China Pension Industry
2.4.3 The Analysis of the Patent of Pension technology
2.4.4 The Analysis of the Impact of the Technological Environment on the Industry
Chapter 3: Experience Reference from other Foreign Pension Industries
**3.1 Typical Countries' Experience in the Development of Pension Industry**
3.1.1 The Experience of the Development of the Pension Industry in the United States
(1) The Overview of the Development of the Pension Industry in the United States
(2) The Current Situation of the Aging Population in the United States
(3) The Policy System of the U.S. Pension Industry
(4) The Development Scale of the U.S. Pension Industry
(5) The Segments of the U.S. Pension Industry
(6) The Typical Models of the U.S. Pension Industry
(7) The Experience Reference of the U.S. Pension Industry
3.1.2 The Experience of the Development of the Pension Industry in Japan
(1) The Overview of the Development of the Pension Industry in Japan
(2) The Current Situation of the Aging Population in Japan
(3) The Policy System of Japan Pension Industry
(4) The Development Scale of Japan Pension Industry
(5) The Segments of Japan Pension Industry
(6) The Typical Models of Japan Pension Industry——The Three-dimensional Circle Theory of Silver Industry
(7) The Experience Reference of Japan Pension Industry
3.1.3 The Experience of the Development of the Pension Industry in Sweden
(1) The Overview of the Development of the Pension Industry in Sweden
(2) The Current Situation of the Aging Population in Sweden
(3) The Policy System of Sweden Pension Industry
(4) The Development Scale of Sweden Pension Industry
(5) The Residential Situation in Sweden Pension Industry
(6) The Typical Models of Sweden Pension Industry——"Government + Community" Medical Care Integration
(7) The Experience Reference of Sweden Pension Industry
3.1.4 The Experience of the Development of the Pension Industry in Singapore
(1) The Overview of the Development of the Pension Industry in Singapore
(2) The Current Situation of the Aging Population in Singapore
(3) The Policy System of Singapore Pension Industry——Systems Engineering
(4) The Development Scale of Singapore Pension Industry
(5) The Typical Models of Singapore Pension Industry
(6) The Experience Reference of Singapore Pension Industry
**3.2 The Analysis of the Development Trend of International Pension Industry**
3.2.1 "Home-Based Care For The Aged" Becomes Popular
3.2.2 The Scale of "Offsite Care For The Aged" Is Expanding
3.2.3 "Active Aging" Becomes a new highlight
(1) The Concept of Active Aging
(2) Cultural and Sport Activities for the Elderly
(3) Travel Activities for the Elderly
(4) Mutual Assistance for the Elderly
3.2.4 Senior Products Market Is Quickly Developing
(1) Elderly-Friendly Products Are Competitive In A Blue Ocean Market
(2) Elderly Clothing

(3) Food And Supplements for the Elderly
(4) Elderly Care Products and Health Protection Products
3.2.5 The Real Estate Market is Pushing Forward———Senior Communities
Chapter 4: The Analysis of the Development and Bottlenecks of China Pension Industry
4.1 The Development History of China Pension Industry
4.2 The Analysis of Supply of China Pension Industry
4.2.1 The Analysis of Supply of Institutional Elderly Care
(1) The Short Supply of Beds in Public Elderly Nursing Institutions
(2) Imbalance in Supply between Urban and Rural Areas
(3) The Proportion of Community Service Institutions in the Number of Elderly Care Institutions is Increasing
4.2.2 The Analysis of Supply of Other Areas of the Pension Industry
4.3 The Analysis of Demand of China Pension Industry
4.3.1 The Analysis of Demand for Elderly Care
4.3.2 The Analysis of Demand of Other Areas of the Pension Industry
4.4 The Analysis of Market Scale in China Pension Industry
4.5 The Bottlenecks in the Development of China Pension Industry
4.5.1 The Bottlenecks in the Development of Elderly Care and Medical Services
(1) Seriously Insufficient Supply in Medical and Health Services for the Elderly
(2) Insufficient Effective Supply in Elderly Care Institutions and Their Nursing Beds
4.5.2 The Bottlenecks in the Development of Other Areas
(1) Pension Finance
(2) Pension Real Estate
(3) Pension Tourism
Chapter 5: The Analysis of Market Competition Situation in Pension Industry
5.1 The Analysis of Market Competition Pattern in China Pension Industry
5.1.1 9703 Competition Pattern of Elderly Care Service
(1) 9703 Model Concept of Elderly Care Service
(2) 9703 Model Competition Pattern of Elderly Care Service
5.1.2 Competition Pattern of Pension Real Estate
(1) Market Participants of Pension Real Estate
(2) Business Layout
5.1.3 Competition Pattern of Other Areas
(1) Pension Tourism
(2) Pension Daily Use
(3) Pension Finance
5.2 The Analysis of Investment Mergers and Reorganization in Pension Industry
5.2.1 The Integration Characteristics of Investment Mergers and Reorganization in Pension Industry
(1) The Profile of M&A fund
(2) The Merger and Acquisition Mode of China Pension Industry
(3) Examples of M&A Funds in China Pension Industry
(4) Special Topic: The Layout of Insurance Companies in the Pension Real Estate Industry
5.2.2 The Analysis of Investment Mergers and Reorganization in International Pension Industry
5.2.3 The Analysis of Investment Mergers and Reorganization in Domestic Pension Industry
5.3 Typical Enterprise Investment Merger and Restructuring Path
5.3.1 International Typical Enterprise Investment Merger and Restructuring Path
(1) Golyzer Group
(2) AVEO Enterprises
(3) Orpea Group
(4) DomusVi Group
5.3.2 Domestic Typical Enterprise Investment Merger and Restructuring Path
(1) Jinling Hotel Enters Pension Industry
(2) Jinpeng Group Enters Pension Industry
(3) Shanghai Fuxing High-Tech (Group) Co., Ltd. Enters Pension Industry
(4) Tongrentang Enters Pension Industry
(5) Yihua Health Holdings Cherish-Yearn Enters Pension Industry
Chapter 6: The Segments Market Analysis of China Pension Industry
6.1 The Market Analysis of Elderly Service
6.1.1 The Development History of China Elderly Service Industry

6.1.2 The Overview of the Development of China Elderly Service Industry
6.1.3 The Supply and Demand Analysis of China Elderly Service Industry
(1) Market Demand
(2) Market Supply
6.1.4 The Market Scale of China Elderly Service Industry
6.1.5 The Market-Oriented Development of China Elderly Service Industry
(1) The New Ideas of the Market-Oriented Approach in Elderly Service Industry
(2) The New Paths of the Market-Oriented Approach in Elderly Service Industry
(3) The New Modes of the Market-Oriented Approach in Elderly Service Industry
6.1.6 The Development Potential of China Elderly Service Industry
(1) The Demand Diversification of Elderly Health Services
(2) The Government Pays More and More Attention to the Pension Industry Development
(3) The Market Size Estimation of Elderly Service Industry
6.1.7 The Investment of China Elderly Service Industry
**6.2 The Analysis of Pension Real Estate Market**
6.2.1 The Development History of China Pension Real Estate Industry
6.2.2 The Current Situation of China Pension Real Estate Industry
(1) The Mode of Elderly Care Gradually Becomes Centralized
(2) "421 Families" Accelerates the Development of Elderly Housing
(3) The Elderly Housing Is Popular in Beijing and Shanghai
(4) The Market Scale of China Pension Real Estate Industry
6.2.3 The Supply and Demand Analysis of China Pension Real Estate Industry
(1) Market Demand
(2) Market Supply
6.2.4 The Existing Problems of China Pension Real Estate Industry
(1) Immature Market Development
(2) The Product Hierarchy is in Low Level
(3) Policy Implementation Is Unknown
6.2.5 The Development Mode of China Pension Real Estate Industry
(1) Aging-Friendly Transformation Mode
(2) Aging-Friendly Construction Mode in Newly-built Residential
(3) Specialized Elderly Housing Model
(4) Elderly Apartment Model
(5) Case analysis of Pension Real Estate Development Mode
6.2.6 The Development Potential of China Pension Real Estate Industry
6.2.7 The Development Trend of China Pension Real Estate Industry
(1) Comprehensive Housing Becomes the Dominant Product of Pension Real Estate
(2) Fierce Competition in the Market and More Attention to Details in Design
(3) More Emphasis on Human-Centered Development Concept
(4) Subdivision of Different Consumption Classes of Elderly Consumer Groups
(5) The Small House with Full Function is an Important Choice
(6) Project Development Will Gradually Shift From the Urban Areas to the Suburbs
(7) The Projects with Mountain and Water Are More Popular
(8) The Development Not Only Focus on Scale and Grade
**6.3 Elderly Care Products Market Analysis**
6.3.1 The Overview of the Development of China Elderly Care Products Market
6.3.2 The Current Status of China Elderly Care Products Market
6.3.3 The Market Scale Analysis of China Elderly Care Products Market
6.3.4 The Existing Problems of China Elderly Care Products Market
6.3.5 The Development Potential of China Elderly Care Products Market
6.3.6 The Development Trend of China Elderly Daily Necessities Market
**6.4 Pension Tourism Market Analysis**
6.4.1 The Overview of the Development of China Pension Tourism Industry
6.4.2 The Current Situation of China Pension Tourism Industry
6.4.3 The Market Scale of China Pension Tourism Industry
6.4.4 The Existing Problems of China Pension Tourism Industry
(1) A Lack of Professionalism in Tourism Service for Elderly Tourists
(2) A Lack of Pertinence in Elderly Tourism Services Products
(3) Unbalanced Market Structure

(4) Insufficient Refinement Management
6.4.5 The Development Potential of China Pension Tourism Industry
(1) The Development Benefits of Pension Tourism Market
(2) The Analysis of Purchasing Power of Pension Tourism Products
(3) The Analysis of Demand Intensity of Pension Tourism Industry
(4) The Risk of Pension Tourism Market Development
(5) The Prospect Forecast of Pension Tourism Market
6.4.6 The Development Trend of China Pension Tourism Industry
(1) Sustained Growth
(2) Market Internationalization
(3) Well Consumption
(4) Hierarchical Demand
(5) Remote Travel
(6) Specialization of Services
**6.5 The Analysis of Pension Finance and Insurance Market**
6.5.1 The Development History of China Pension Finance and Insurance Industry
6.5.2 The Current Situation of China Pension Finance and Insurance Industry
(1) The Composition of China's Pension Insurance
(2) Policies Encourage Insurance Companies to Participate in the Pension Service Industry
(3) Insurance Companies Speed Up the Construction of Retirement Communities
(4) Insurance Funds Turn to the Pension Service Industry
6.5.3 The Market Capacity of China Pension Finance and Insurance Industry
(1) The Insured Scale of Basic Pension Insurance
(2) The Income Scale of Basic Pension Insurance Fund
(3) The Expenditure Scale of Basic Pension Insurance Fund
6.5.4 The Existing Problems of China Pension Finance and Insurance Industry
6.5.5 The Development Potential of China Pension Finance and Insurance Industry
(1) The Factors Influencing the Demand of Elderly Health Insurance
(2) The Market Scale of Elderly Health Insurance
(3) The Analysis of Demand Intensity of Elderly Health Insurance
(4) The Prospect Forecast of China Pension Finance Market
6.5.6 The Development Trend of China Pension Finance and Insurance Industry
(1) Diversification of Product Types of Elderly Health Insurance Products
(2) The Age limit of Elderly Health Insurance Will Be Reduced
**6.6 The Analysis of Other Areas in Pension Industry**
6.6.1 The Analysis of China Old-Age Education Market
6.6.2 The Analysis of China Elderly Employment Market
6.6.3 The Analysis of China Elderly Culture and Entertainment Industry Market
Chapter 7: The Comparative Analysis of Typical Elderly Care Models in China
**7.1 Typical Elderly Care Models in China**
**7.2 The Analysis of Home-Based Care Model**
7.2.1 The Main Contents of Home-Based Care Model
7.2.2 The Scale of Home-Based Care Groups
7.2.3 The Market Potential of Home-Based Care Services
7.2.4 The Problems of Home-Based Care Services Model
7.2.5 The Development Trend of Home-Based Care Services Model
**7.3 The Analysis of Community Elderly Care Model**
7.3.1 The Main Contents of Community Elderly Care Model
7.3.2 The Scale of Community Elderly Care Groups
7.3.3 The Market Scale of Community Elderly Care Services
7.3.4 The Problems of Community Elderly Care Services Model
7.3.5 The Development Trend of Community Elderly Care Services Model
**7.4 The Analysis of Institutional Elderly Care Model**
7.4.1 The Main Contents of Institutional Elderly Care Model
7.4.2 The Scale of Institutional Elderly Care Groups
7.4.3 The Market Scale of Institutional Elderly Care Services
7.4.4 The Problems of Institutional Elderly Care Services Model
7.4.5 The Development Trend of Institutional Elderly Care Services Model
**7.5 The Analysis of the Combination of Medical and Nursing Care**

7.5.1 The Analysis of the Policies of Medical and Nursing Care
7.5.2 Domestic Medical and Nursing Care Model
**7.6 The Analysis of Pension PPP Mode**
7.6.1 The Analysis of the Policies of Pension PPP Mode
7.6.2 The Analysis of Applicability of Pension PPP Mode
7.6.3 The Analysis of the Current Situation of Pension PPP Mode
7.6.4 The Projects Summary of Pension PPP Mode
(1) The Scale of Pension PPP Mode Projects
(2) The Amount of Pension PPP Mode Projects
7.6.5 The Existing Problems of Pension PPP Mode
7.6.6 The Prospect Analysis of Pension PPP Mode
**7.7 The Analysis of New Model of Pension Industry under Internet**
7.7.1 The Necessity of Implanting Internet in the Pension Industry
(1) User Thinking
(2) Simple Thinking
(3) Ultimate Thinking
(4) Iterative Thinking
(5) Flow Thinking
(6) Social Thinking
(7) Big Data Thinking
(8) Platform Thinking
(9) Cross-border Thinking
7.7.2 The Analysis of New Model of Pension Industry under Internet
(1) Users Position
(2) Organizational Form
(3) Platform Mission
(4) Platform Strategy
(5) Platform Business Model
**7.8 Typical Cases of O2O Platform Construction in Pension Industry**
7.8.1 Accompanying Parents
(1) Platform Introduction
(2) Platform Scale
(3) Platform Operation Mode Analysis
7.8.2 Maltose
(1) Platform Introduction
(2) Platform Products and Scale
(3) Platform Operation Mode Analysis
7.8.3 Golden Sun Senior Integrated Service Center
(1) The Overview of Center Development
(2) Users Position
(3) Service Form
(4) Platform Construction
(5) Business Model

**Chapter 8: The Analysis of the Development Potential of Pension Industry in China's Key Regions**

**8.1 The Analysis of the Development Potential of Pension Industry in Beijing**
8.1.1 The Analysis of Pension Industry Background in Beijing
(1) The Policies of Pension Industry in Beijing
(2) The Number of Elderly Population in Beijing
(3) Per Capita Income and Consumption Expenditure in Beijing
(4) Pension Insurance Payment and Expenditure in Beijing
(5) The Number of Elderly Care Institutions and Beds in Beijing
8.1.2 The Scale Measurement of Pension Industry in Beijing
8.1.3 The Typical Cases of Pension Industry in Beijing
(1) Beijing Sun City Silver Age Apartment
(2) Shuangjing Gongheyuan
8.1.4 The Development Forecast of Pension Industry in Beijing
**8.2 The Analysis of the Development Potential of Pension Industry in Shanghai**
8.2.1 The Analysis of Pension Industry Background in Shanghai

(1) The Policies of Pension Industry in Shanghai
(2) The Number of Elderly Population in Shanghai
(3) Per Capita Income and Consumption Expenditure in Shanghai
(4) Pension Insurance Payment and Expenditure in Shanghai
(5) The Number of Elderly Care Institutions and Beds in Shanghai
8.2.2 The Scale Measurement of Pension Industry in Shanghai
8.2.3 The Typical Cases of Pension Industry in Shanghai——Xiang Shu Wan International Senior Care Community
8.2.4 The Development Forecast of Pension Industry in Shanghai
**8.3 The Analysis of the Development Potential of Pension Industry in Guangdong**
8.3.1 The Analysis of Pension Industry Background in Guangdong
(1) The Policies of Pension Industry in Guangdong
(2) The Number of Elderly Population in Guangdong
(3) Per Capita Income and Consumption Expenditure in Guangdong
(4) Pension Insurance Payment and Expenditure in Guangdong
(5) The Number of Elderly Care Institutions and Beds in Guangdong
8.3.2 The Scale Measurement of Pension Industry in Guangdong
8.3.3 The Typical Cases of Pension Industry in Guangdong
(1) Shenzhen Renda Ecological Health Park
(2) Guangzhou Hiangfu Elderly Residence
8.3.4 The Development Forecast of Pension Industry in Guangdong
**8.4 The Analysis of the Development Potential of Pension Industry in Jiangsu**
8.4.1 The Analysis of Pension Industry Background in Jiangsu
(1) The Policies of Pension Industry in Jiangsu
(2) The Number of Elderly Population in Jiangsu
(3) Per Capita Income and Consumption Expenditure in Jiangsu
(4) Pension Insurance Payment and Expenditure in Jiangsu
(5) The Number of Elderly Care Institutions and Beds in Jiangsu
8.4.2 The Scale Measurement of Pension Industry in Jiangsu
8.4.3 The Typical Cases of Pension Industry in Jiangsu ——Nine Rucheng Integrated Senior Care Community
8.4.4 The Development Forecast of Pension Industry in Jiangsu
**8.5 The Analysis of the Development Potential of Pension Industry in Zhejiang**
8.5.1 The Analysis of Pension Industry Background in Zhejiang
(1) The Policies of Pension Industry in Zhejiang
(2) The Number of Elderly Population in Zhejiang
(3) Per Capita Income and Consumption Expenditure in Zhejiang
(4) Pension Insurance Payment and Expenditure in Zhejiang
(5) The Number of Elderly Care Institutions and Beds in Zhejiang
8.5.2 The Scale Measurement of Pension Industry in Zhejiang
8.5.3 The Typical Cases of Pension Industry in Zhejiang——Lucheng Wuzhen Yayuan
8.5.4 The Development Forecast of Pension Industry in Zhejiang
**8.6 The Analysis of the Development Potential of Pension Industry in Sichuan**
8.6.1 The Analysis of Pension Industry Background in Sichuan
(1) The Policies of Pension Industry in Sichuan
(2) The Number of Elderly Population in Sichuan
(3) Per Capita Income and Consumption Expenditure in Sichuan
(4) Pension Insurance Payment and Expenditure in Sichuan
(5) The Number of Elderly Care Institutions and Beds in Sichuan
8.6.2 The Scale Measurement of Pension Industry in Sichuan
8.6.3 The Typical Cases of Pension Industry in Sichuan——Tai Kang Home Shu Yuan Pension Community in Chengdu
8.6.4 The Development Forecast of Pension Industry in Sichuan
**8.7 The Analysis of the Development Potential of Pension Industry in Hubei**
8.7.1 The Analysis of Pension Industry Background in Hubei
(1) The Policies of Pension Industry in Hubei
(2) The Number of Elderly Population in Hubei
(3) Per Capita Income and Consumption Expenditure in Hubei
(4) Pension Insurance Payment and Expenditure in Hubei

(5) The Number of Elderly Care Institutions and Beds in Hubei
8.7.2 The Scale Measurement of Pension Industry in Hubei
8.7.3 The Typical Cases of Pension Industry in Hubei——Wuhan Hezhong Younian Community Nursing Home
8.7.4 The Development Forecast of Pension Industry in Hubei
Chapter 9: The Foresight and Investment Strategy Advice of China Pension Industry Market
9.1 The Foresight of China Pension Industry Market
9.1.1 The Assessment of the Development Potential of Pension Industry
9.1.2 The Market Capacity Forecast of Pension Industry
9.1.3 The Forecast of Development Trend of Pension Industry
9.2 The Investment Characteristics of China Pension Industry
9.2.1 The Analysis of Industry Entry Barriers
9.2.2 Industry Investment Risk Warning
9.3 The Investment Value and Opportunity of China Pension Industry
9.3.1 Industry Investment Value Assessment
9.3.2 Industry Investment Opportunity Analysis
9.4 The Investment Strategies and Sustainable Development Advice of China Pension Industry
9.4.1 Investment Strategies and Suggestions
9.4.2 Sustainable Development Advice

# 图表目录

Chart 1: Definition and Purpose of Pension Industry
Chart 2: The Differences and Connections of Three Pension Models
Chart 3: The Concepts of Smart Pension Care
Chart 4: Classification of China Pension Industry
Chart 5: The Research Scope of the Report
Chart 6: Four-Pronged Regulatory System of China Pension Industry
Chart 7: China Pension Industry Administration
Chart 8: China Pension Industry Self-Regulatory Organizations
Chart 9: Dimensions of China Pension Industry Standard System Construction Basis
Chart 10: The Overview of China Pension Industry Standard System
Chart 11: The Content of China Pension Industry Standard System
Chart 12: The Summary of Current Standards in China Pension Industry as of.....2022
Chart 13: Standards to be Implemented in China Pension Industry as of March.....2022
Chart 14: Interpretation of "Basic Standards of Service Safety in Pension Industry"
Chart 15: The Summary of Policies Related to China Pension Industry as of.....2022
Chart 16: The Summary of Plans of China Pension Industry as of.....2022
Chart 17: The Analysis of the Impact of the "14th Five-Year Plan" on Pension Industry
Chart 18: The Impact of the Policy Environment on the Development of China Pension Industry
Chart 19: China GDP Growth Trend from 2010 to 2021 (Unit: trillion, % )
Chart 20: The Structure of Chinese Three Industries from 2010 to 2021 (Unit: % )
Chart 21: The Changes of China' s CPI from 2019 to 2022 (Unit: % )
Chart 22: The Changes of China' s PI from 2019 to 2022 (Unit: % )
Chart 23: The Value Added and Growth Rate of Tertiary Industry in China from 2010 to 2021 (Unit: trillion
, %)
Chart 24: The Forecast of China GDP Growth Rate in 2022 by Some International Institutions (Unit: % )
Chart 25: The Forecast of China's Core Macroeconomic Indicators in 2022 (Unit: % )
Chart 26: The Correlation Analysis between the Operation of Pension Industry and Macro Economy
Chart 27: The Population Size and Natural Growth Rate in China from 2010 to 2021 (Unit: million, %)
Chart 28: The Age Structure of China 's Population from 2010 to 2021 (Unit: % )
Chart 29: China's Urban Population Size and Urbanization Rate from 2010 to 2021 (Unit: million, %)
Chart 30: The Development Stages of Urbanization in China
