

Analysis Report of Development Prospects and Investment Strategy Planning on China's Industrial Internet Industry (2023–2028)

目 录

CONTENTS

Chapter 1: Overview of Industrial Internet Development

- 1.1 System and Calculation Method of Industrial Internet Industry
- 1.2 Conceptual Comparison and Architecture of Industrial Internet
- 1.3 Panoramic Industrial Chain of Industrial Internet
- 1.4 Business Model Analysis of Industrial Internet

Chapter 2: Driving Factors Analysis of Industrial Internet Industry

- 2.1 Driving Factors Analysis of Industrial Internet Development
- 2.2 Policy Environment Analysis of Industrial Internet Industry
- 2.3 Impact Analysis of COVID-19 on Industrial Internet
- 2.4 Opportunities and Threats Analysis of Industrial Internet Development

- 2.4.1 Development Status of Industrial Internet

Chapter 3: Development Status Analysis of Global Industrial Internet

- 3.1 Development Profile Analysis of Global Industrial Internet
- 3.2 Development Analysis of Major Industrial Internet Products
- 3.3 Development Analysis of Industrial Internet in Major Countries
- 3.4 Development Prospects Analysis of Global Industrial Internet

Chapter 4: Development Status Analysis of China's Industrial Internet

- 4.1 Development Profile Analysis of China's Industrial Internet
- 4.2 Scale and Contribution Analysis of China's Industrial Internet Industry
- 4.3 Development Analysis of Five Core Industries in China's Industrial Internet
- 4.4 Market Analysis of Key Hardware Products in China's Industrial Internet
- 4.5 Talent Development Analysis of China's Industrial Internet

- 4.5.1 Industrial Systems of Industrial Internet

Chapter 5: “Network” Development Analysis of Industrial Internet Industry

- 5.1 Brief Analysis of Industrial Internet Network System
- 5.2 Development Status Analysis of Factory's Internal Network
- 5.3 Development Status Analysis of Factory's External Network
- 5.4 Development Analysis of Application Support Systems in Industrial Internet

Chapter 6: “Data” Development Analysis of Industrial Internet Industry

- 6.1 Big Data Profile of Industrial Internet
- 6.2 Overall Market Development Analysis of Industrial Big Data
- 6.3 Application Analysis of Industrial Big Data in Intelligent Production
- 6.4 Application Analysis of Industrial Big Data in Networked Collaboration
- 6.5 Application Analysis of Industrial Big Data in Customization
- 6.6 Application Analysis of Industrial Big Data in Service Extension

Chapter 7: “Security” Development Analysis of Industrial Internet Industry

- 7.1 Security System of Industrial Internet
- 7.2 Market Development Analysis of Industrial Equipment Security
- 7.3 Market Development Analysis of Industrial Network Security
- 7.4 Market Development Analysis of Industrial Control Security
- 7.5 Market Development Analysis of Industrial Application Security
- 7.6 Market Development Analysis of Industrial Data Security

- 7.6.1 Platform Architecture of Industrial Internet

Chapter 8: Supply Side—Analysis of Industrial Internet Platform Framing

- 8.1 Current Situation Analysis of Industrial Internet Platform Framing
- 8.2 Competition Landscape Analysis of Industrial Internet Platforms
- 8.3 Case Analysis of Key Industrial Internet Platforms
- 8.4 Shortcomings of Industrial Internet Platform Framing

Chapter 9: Demand Side—Application Analysis of Industrial Internet Platform

- 9.1 Application Analysis of Industrial Internet Platform
- 9.2 Development Status Analysis of Machinery Internet Market
- 9.3 Development Status Analysis of Energy Internet Market
- 9.4 Development Status Analysis of Electronic Internet Market
- 9.5 Development Status Analysis of Building Materials Internet Market
- 9.6 Development Status Analysis of Transportation Equipment Internet Market
- 9.7 Development Status Analysis of Petrochemical Internet Market
- 9.8 Development Status Analysis of Iron and Steel Internet Market
- 9.9 Development Status Analysis of Clothing Internet Market

9.9.1 Cases and Prospects of Industrial Internet

Chapter 10: Case Analysis of Leading Enterprises in China's Industrial Internet Industry

- 10.1 Case Analysis of Leading Enterprises in Industrial Network
- 10.2 Case Analysis of Leading Enterprises in Industrial Big Data
- 10.3 Case Analysis of Leading Enterprises in Industrial Internet Security

Chapter 11: Development Prospects and Investment Suggestions for Industrial Internet Industry

- 11.1 Development Prospects of Industrial Internet Industry
- 11.2 Investment Potential Analysis of Industrial Internet Industry
- 11.3 Investment Strategies and Suggestions for Industrial Internet Industry

图表目录

- Chart 1: Industrial Scope of Industrial Internet
- Chart 2: Core Industrial System of Industrial Internet
- Chart 3: Calculation Framework Analysis of Industrial Internet
- Chart 4: Ideas for Calculating Value-Added Scale of Core Industries in Industrial Internet
- Chart 5: Ideas for Calculating Economic Impact from Industrial Internet Integration
- Chart 6: Analysis of Similarities and Differences Between Industry 4.0 and Industrial Internet
- Chart 7: Sketch of Industrial Internet Business
- Chart 8: Industrial System of Industrial Internet
- Chart 9: Industrial Chain of Industrial Internet
- Chart 10: Responsibility Analysis of Participants Along Industrial Chain of Industrial Internet
- Chart 11: Panoramic Industrial Chain of Industrial Internet
- Chart 12: Cosmoplat: Haier's Industrial Internet Platform
- Chart 13: CMSS Cloud Manufacturing Support System of CASICloud
- Chart 14: BEACON: Foxconn's Industrial Internet Platform
- Chart 15: Root Cloud Platform of ROOTCLOUD
- Chart 16: Global Share Change of China's Manufacturing Added Value from 2010 to 2021 (Unit: USD Trillion, %)
- Chart 17: China's Manufacturing Industry with Small Profit Margins (Manufacturing "Smile Curve")
- Chart 18: Development Index Change of Informatization and Industrialization Integration from 2020 to 2025
- Chart 19: Specific Indicators Changes of Informatization and Industrialization Integration from 2012 to 2025 (Unit: %)
- Chart 20: Relationship Between Industrial Internet and Internet of Things (IoT)
- Chart 21: Application Proportion Forecast of IoT in Various Industries in 2030 (Unit: %)
- Chart 22: 5G Technology Evolution for the Timing of Application Scenarios - Industrial Internet

Chart 23: Layout of Industrial Internet in US, Germany and China	
Chart 24: “Made in China 2025”	
Chart 25: Industrial Policy Heatmap of Industrial Internet by.....	2022
Chart 26: Major Policies Related to China's Industrial Internet Industry by.....	2022
