

# Report of Market Prospects and Investment Strategy Planning On China's Nuclear Technology Application Industry (2023-2028)

## 目 录

### CONTENTS

Chapter 1: Overview and Data Source of Nuclear Technology Application Industry	
1.1 Definition of Nuclear Technology Application Industry	
1.2 Terminology of Nuclear Technology Application Industry	
1.3 Research Scope of this Report	
1.4 Data Source and Statistical Standards of this Report	
Chapter 2: Macro-Environment Analysis of China's Nuclear Technology Application Industry (PEST)	
2.1 Policy Environment of China's Nuclear Technology Application Industry	
2.2 Economic Environment of China's Nuclear Technology Application Industry	
2.3 Societal Environment of China's Nuclear Technology Application Industry	
2.4 Technological Environment of China's Nuclear Technology Application Industry	
Chapter 3: Development Status of Global Nuclear Technology Application Industry and Market Trends	
3.1 Development Course of Global Nuclear Technology Application Industry	
3.2 Political and Legal Environment of China's Nuclear Technology Application Industry	
3.3 Development Status of Global Nuclear Reactor	
3.4 Analysis of Research Status of Global Nuclear Technology Application in Various Fields	
3.5 Market Size of Global Nuclear Technology Application Industry	
3.6 Research on Regional Development Pattern and Key Regional Markets of Global Nuclear Technology Application Industry	
3.7 Market Competition Pattern of Global Nuclear Technology Application Industry and Case Study of Key Enterprises	
3.8 Development Trend and Market Prospects of Global Nuclear Technology Application Industry	
3.9 Development Experience of Global Nuclear Technology Application Industry	
Chapter 4: Market Development Status and Bottlenecks of China's Nuclear Technology Application Industry	
4.1 Development Course of Global Nuclear Technology Application Industry	
4.2 Foreign Trade Status of Related Products in China's Nuclear Technology Application Industry	
4.3 Development Status of China's Nuclear Technology Application Industry	
4.4 Market Size Calculation of China's Nuclear Technology Application Industry	
4.5 Market Development Bottlenecks of China's Nuclear Technology Application Industry	
Chapter 5: Development Status and Prospects of China's Basic Nuclear Technology Industry	
5.1 Development Status and Prospects of China's Particle Accelerator	
5.2 Development Status and Prospects of China's Nuclear Reactor	
Chapter 6: Current Application Situation and Potential of China's Nuclear Technology in Various Fields	
6.1 Current Application Situation and Potential of China's Nuclear Technology in Industries	
6.2 Current Application Situation and Potential of China's Nuclear Technology in Public Security	
6.3 Current Application Situation and Potential of China's Nuclear Technology in Health Sector	
6.4 Current Application Situation and Potential of China's Nuclear Technology in Public Security	
Chapter 7: Case Study on Key Enterprises Layout of China's Nuclear Technology Industry	
7.1 Analysis and Comparison of Representative Enterprises in China's Nuclear Technology Industry	
7.2 Case Analysis of Representative Enterprise Layout of Nuclear Technology Application in China (Customizable)	
Chapter 8: Market Prospects and Development Trend of China's Nuclear Technology Industry	
8.1 SWOT Analysis of China's Nuclear Technology Application Industry	
8.2 Development Potential Assessment of China's Nuclear Technology Application Industry	
8.3 Development Prospects of China's Nuclear Technology Application Industry	
8.4 Development Trend of China's Nuclear Technology Application Industry	

## Chapter 9: Strategy and Suggestions of Investment Strategy Planning for China's Nuclear Technology Industry

- 9.1 Barriers to Entry and Exit in China's Nuclear Technology Industry
- 9.2 Early Warning of Investment Risk in China's Nuclear Technology Industry
- 9.3 Investment Value Assessment of China's Nuclear Technology Application Industry
- 9.4 Investment Opportunities of China's Nuclear Technology Application Industry
- 9.5 Strategy and Suggestions of Investment Strategy Planning for China's Nuclear Technology Industry
- 9.6 Suggestions of Sustainable Development of China's Nuclear Technology Application Industry

## 图表目录

Chart 1: Definition of Nuclear Technology Application Industry	
Chart 2: Concept Distinction Between Nuclear Power and Nuclear Technology Application	
Chart 3: Classification of Nuclear Technology Application	
Chart 4: Nuclear Technology Application Industry in the "Industrial Classification and Code for National Economic Activities"	
Chart 5: Terminology of Nuclear Technology Application Industry	
Chart 6: Research Scope of this Report	
Chart 7: Summary of Authoritative Data Sources in this Report	
Chart 8: Main Research Methods and Statistical Standards of this Report	
Chart 9: Surveillance System of China's Nuclear Technology Application Industry	
Chart 10: Competent Departments of China's Nuclear Technology Application Industry	
Chart 11: Self-Discipline Organizations of China's Nuclear Technology Application Industry	
Chart 12: Standard System Framing of China's Nuclear Technology Application Industry	
Chart 13: Current Enterprise Standards of China's Nuclear Technology Application Industry	
Chart 14: To-Be-Implemented Standards of China's Nuclear Technology Application Industry	
Chart 15: Key Standards of China's Nuclear Technology Application Industry	
Chart 16: Development Policies of China's Nuclear Technology Application Industry by.....	2023
Chart 17: Development Planning of China's Nuclear Technology Application Industry by.....	2023
Chart 18: Impact of the National "14th Five Year Plan" on Nuclear Technology Application Industry	
Chart 19: Summary of the Impact of Policy Environment on the Development of Nuclear Technology Application Industry	
Chart 20: Current Situation of China's Macroeconomic Development	
Chart 21: China's Macroeconomic Development Outlook	
Chart 22: Development Status of China's Nuclear Technology Application Industry	
Chart 23: Societal Environment of China's Nuclear Technology Application Industry	
Chart 24: Impact of Societal Environment on the Development of Nuclear Technology Application Industry	
Chart 25: Analysis of China's Nuclear Radiation Technology	
Chart 26: Analysis of China's Isotope Technology	
Chart 27: Analysis of China's Nuclear Analysis Technology	
Chart 28: Sci-Tech Investment of China's Nuclear Technology Application Industry	
Chart 29: Patent Application of China's Nuclear Technology Application Industry	
Chart 30: Patent Disclosure of China's Nuclear Technology Application Industry
