Report of Market Demand Forecast and Investment Strategy Planning on China’s Anticorrosive Coatings Industry (2022-2027)

目 录

CONTENTS

Chapter 1: Development Overview of China’s Anticorrosive Coatings Industry
1.1 Definition and Classification of Anticorrosive Coatings Industry
1.2 Classification of Anticorrosive Coatings Industry in the “Industrial Classification for National Economic Activities” and Current Position
1.3 Research Scope of this Report
1.4 Data Source and Statistical Standards of this Report
Chapter 2: Market Environment of China’s Anticorrosive Coatings Industry
2.1 Policy Environment of China’s Anticorrosive Coatings Industry
2.2 Economic Environment of China’s Anticorrosive Coatings Industry
2.3 Technological Environment of China’s Anticorrosive Coatings Industry
2.4 Environmental Protection of China’s Anticorrosive Coatings Industry
Chapter 3: Development Situation of Global Anticorrosive Coatings Industry
3.1 Development Status of Global Anticorrosive Coatings Industry
3.2 Market Size of Global Anticorrosive Coatings Industry
3.3 Enterprises Competition of Global Anticorrosive Coatings Industry
3.4 Layout Analysis of Multinational Anticorrosive Coatings Companies in China
3.5 Development Trend and Outlook of Global Anticorrosive Coatings Industry
Chapter 4: Development Situation of China’s Anticorrosive Coatings Industry
4.1 Development Situation of China’s Anticorrosive Coatings Industry
4.2 Supply and Demand Situation of China’s Anticorrosive Coatings Industry
4.3 Economic Benefits of China’s Anticorrosive Coatings Industry
4.4 Market Competition of China’s Anticorrosive Coatings Industry
4.5 Status of Investment, Financing, Merger and Reorganization of China’s Anticorrosive Coatings Industry
Chapter 5: Industrial Chain Structure and Upstream Raw Material Markets of China’s Anticorrosive Coatings Industry
5.1 Industrial Structure Attributes (Industrial Chain) of China’s Anticorrosive Coatings Industry
5.2 Profile of Upstream Raw Material Markets of Anticorrosive Coatings Industry
5.3 Resin Market
5.4 Pigment Market
5.5 Environmental Solvents Market
5.6 Additives Market
5.7 Impact of Upstream Raw Material Markets on Anticorrosive Coatings Industry
Chapter 6: Major Product Markets of China’s Anticorrosive Coatings Industry
6.1 Profile of Major Product Markets in the Industry
6.2 Product Markets by Environment of Use
6.3 Product Markets by Raw Material
6.4 Product Markets by Environmental Performance
Chapter 7: Downstream Application Markets of China’s Anticorrosive Coatings Industry
7.1 Downstream Application Distribution of Anticorrosive Coatings Industry
7.2 Anticorrosive Coatings Market for Petrochemical Industry
7.3 Anticorrosive Coatings Market for Railway Industry
7.4 Anticorrosive Coatings Market for Highway and Bridge Industry
7.5 Anticorrosive Coatings Market for Petrochemical Industry
7.6 Anticorrosive Coatings Market for Building Steel Structures
7.7 Anticorrosive Coatings Market for Power Industry
7.8 Anticorrosive Coatings Market for Automotive Industry

Chapter 8: Production and Operation of Main Enterprises in China’s Anticorrosive Coatings Industry
8.1 Overall Development Situation of China’s Anticorrosive Coatings Industry
8.2 Case Analysis of Leading Enterprises in Anticorrosive Coatings Industry
Chapter 9: Development Trend and Prospects of China’s Anticorrosive Coatings Industry
9.1 Investment Risks and Barriers of China’s Anticorrosive Coatings Industry
9.2 Development Trend and Prospects of Anticorrosive Coatings Industry
9.3 Investment Potential and Opportunities of China’s Anticorrosive Coatings Industry
9.4 Forward Insights into Problems and Investment Suggestions for Anticorrosive Coatings Industry

Chart 1: Main Classification of Anticorrosive Coatings
Chart 2: Definition and Classification of Anticorrosive Coatings by National Bureau of Statistics
Chart 3: Research Scope of this Report
Chart 4: Data Source and Statistical Standards of this Report
Chart 5: Competent Departments of China’s Anticorrosive Coatings Industry
Chart 6: Monitoring Contents of China’s Anticorrosive Coatings Industry
Chart 7: Current National Standards for China’s Anticorrosive Coatings Industry by.....2022
Chart 8: Summary of Major Policies and Plans for China’s Anticorrosive Coatings Industry by.....2022
Chart 9: China’s GDP Growth Trend from 2012 to 2022 (Unit: RMB Trillion,%)
Chart 10: China’s Fixed Assets Investment Growth Rate from 2011 to 2022 (Unit: RMB Trillion,%)
Chart 11: China’s Total Industrial Added Value and Growth Rate from 2014 to 2022 (Unit: RMB Trillion,%)
Chart 12: Forecast of China’s GDP Growth Rate in 2022 by Institutions (Unit:%)
Chart 13: Economic and Social Development Objectives During the 14th Five-Year Plan Period
Chart 14: China’s Comprehensive Outlook in.....2022
Chart 15: Production Process of Anticorrosive Coatings
Chart 16: Production Process of Anticorrosive Coatings
Chart 17: Annual Change of Application and Authorization of Technology-Related Patents in China’s Anticorrosive Coating
s Industry from 2003 to 2022 (Unit: Units)
Chart 18: Changes in the Number of Technology-Related Patents Published in China’s Anticorrosive Coatings Industry
from 2003 to 2022 (Unit: Units)
Chart 19: Composition of Technology-Related Patent Applicants in China’s Anticorrosive Coatings Indus
try by.....2022
Chart 20: Distribution Fields of Technology- Related Patents in Anticorrosive Coatings Industry by 2022 (Un
it: Items)
Chart 21: Treatment of Water, Energy and Material Consumption in China
Chart 22: Changes of Global Coatings Output from 2016 to 2021 (Unit: 10 Thousand Tons)
Chart 23: Changes of Global Anticorrosive Coatings Output from 2016 to 2021 (Unit: 10 Thousand Tons)
Chart 24: Proportion of Global Regional Market Supply of High Performance Anticorrosive Coatings in 2021 (
Unit:%)
Chart 25: Changes in Global Sales of Coatings and Anticorrosive Coatings from 2013 to 2021 (unit: USD 100
Million)
Chart 26: Ranking of the Top 10 Global Coatings Companies in 2022 (Unit: USD 100 Million,%)
Chart 27: Market share of Sales of Top 10 Global Coatings Manufacturers in 2021 (unit:%)
Chart 28: Competition Pattern of Enterprises in Global Anticorrosive Coatings Industry
Chart 29: Main Economic Indicators of Jotun from 2017 to 2021 (Unit: NOK 100 Million)
Chart 30: Jotun Product Revenue Proportion Structure in 2021 (Unit:%)
