

# China Housing Provident Fund Report (2016–2021), Supply, Demand Forecast and Development Model

## 目 录

### CONTENTS

#### Chapter 1: Background of development of housing provident fund and the role of macro-control

- 1.1 definition of housing provident fund system
  - 1.1.1 meaning of housing provident fund
  - 1.1.2 decision-making management of housing provident fund
  - 1.1.3 operators of housing provident fund
  - 1.1.4 daily management of housing provident fund
  - 1.1.5 rights and obligations of housing provident fund payer
- 1.2 analysis of industrial environment of development of housing provident fund
  - 1.2.1 analysis of residential investment boom in policy context
  - 1.2.2 analysis of supply and demand situation of the residential real estate market
    - (1) analysis of supply and demand of commercial housing
    - (2) analysis of sales price of commercial housing
  - 1.2.3 forecast of supply and demand situation of the residential real estate market
- 1.3 analysis of development process of housing provident fund system
  - 1.3.1 establishment phase of China's housing provident fund system
  - 1.3.2 full implementation of China's housing provident fund system
  - 1.3.3 further development of China's housing provident fund system
  - 1.3.4 gradual improvement of China's housing provident fund system
- 1.4 analysis of the role of macroeconomic regulation and control of housing provident fund
  - 1.4.1 fundamental nature of housing provident fund
    - (1) characteristics of housing provident fund system
    - (2) characteristics of housing provident fund management
    - (3) characteristics of housing provident fund management institutions
  - 1.4.2 analysis of correlation between housing provident fund and real estate market
    - (1) housing provident fund and real estate market
    - (2) housing provident fund and housing finance system
    - (3) housing provident fund and housing security system
- 1.5 analysis of international experience in the development of housing provident fund
  - 1.5.1 comparison of three international housing finance systems
  - 1.5.2 reference of development experience of the American housing finance system
  - 1.5.3 reference of development experience of the Singaporean central provident fund
  - 1.5.4 reference of development experience of the German housing savings system
- 1.6 analysis of scale of development and investment of China's housing provident fund
  - 1.6.1 analysis of accumulated deposit scale of China's housing provident fund
  - 1.6.2 analysis of lending rate of China's housing provident fund in various regions
  - 1.6.3 overview of investment portfolio of China's housing provident fund
  - 1.6.4 analysis of value-added income and distribution of China's housing provident fund

#### Chapter 2: Analysis of management and operation mode of China's housing provident fund

- 2.1 analysis of management mode of housing provident fund
  - 2.1.1 features and principles of management of housing provident fund
    - (1) analysis of management system of housing provident fund
    - (2) analysis of operation system of housing provident fund
    - (3) analysis of supervision system of housing provident fund
  - 2.1.2 positioning of management body and management methods of housing provident fund
  - 2.1.3 problems in housing provident fund management system
    - (1) problems in institutional system of fund management
    - (2) main problems in management of management institutions of housing provident fund
    - (3) risks in the use of housing provident fund

**2.2 analysis of operation mode of housing provident fund**

- 2.2.1 characteristics and principles of operation of housing provident fund
- 2.2.2 analysis of capital operating mode of housing provident fund
- 2.2.3 problems of operation of housing provident fund

**2.3 measures to improve the legislative system of housing provident fund**

- 2.3.1 importance of legislation of housing provident fund
- 2.3.2 clear positioning of housing provident fund policy
- 2.3.3 clear decision-making of housing provident fund and fund management institutions
- 2.3.4 increase administrative penalties for housing provident fund

**2.4 regulatory measures of management mode of housing provident fund**

- 2.4.1 the need to strengthen the housing provident fund management
- 2.4.2 discussion on management mode of housing provident fund
- 2.4.3 positioning of management body of housing provident fund
- 2.4.4 accelerate the construction of policy housing financial institutions

**2.5 regulatory measures of operation mode of housing provident fund**

- 2.5.1 increase risk control of housing provident fund
- 2.5.2 to achieve a variety of housing provident fund interest rate diversification
- 2.5.3 expand housing provident fund and increasing the value channel

**Chapter 3: Analysis of financing and lending mechanism of China's housing provident fund****3.1 major problems of financing mechanism of housing provident fund**

- 3.1.1 problems of coverage rate of housing provident fund
- 3.1.2 difference of deposit ratio of housing provident fund in various regions and industries
- 3.1.3 injustice of system of deposit mechanism of housing provident fund
- 3.1.4 problems of deposit interest rates of housing provident fund

**3.2 major problems of leading mechanism of housing provident fund**

- 3.2.1 leading groups of housing provident fund and the actual demand groups do not match
- 3.2.2 lending of housing provident fund and the current housing prices do not match
- 3.2.3 advantages of lending interest rate of housing provident fund are not obvious
- 3.2.4 lending of housing provident fund is not imbalanced in regional development
- 3.2.5 deposits and lending at low rates of housing provident fund trigger "Matthew Effect"
- 3.2.6 deposits and lending at low rates exacerbate the supply and demand contradiction of housing

provident fund

**3.3 measures to improve the existing financing mechanisms of housing provident fund**

- 3.3.1 expansion of deposit target and deposit ratio of housing provident fund
- 3.3.2 change the fully-closed mode of housing provident fund
- 3.3.3 progressive realization of voluntary deposit of provident fund

**3.4 measures to improve the existing lending mechanisms of housing provident fund**

- 3.4.1 development of differentiated lending of housing provident fund
- 3.4.2 provident fund loans and loan limits adjust to local conditions
- 3.4.3 regional integration to solve the problem of uneven regional development
- 3.4.4 extend financing terms , lower financing rates
- 3.4.5 improve loans with interest compensation mechanism of housing provident fund

**Chapter 4: Forecast of supply and demand and added benefits of China's housing provident fund****4.1 analysis of the balance of supply and demand of housing provident fund and forecast**

- 4.1.1 analysis of composition of operation system of housing provident fund
  - (1) analysis of supply subsystem of housing provident fund
  - (2) analysis of demand subsystem of housing provident fund
  - (3) analysis of balance management subsystem of housing provident fund
- 4.1.2 analysis of supply and demand balance of housing provident fund and forecast
- 4.1.3 analysis of countermeasures of surplus supply of housing provident fund
  - (1) difficulties of surplus of supply of housing provident fund
  - (2) analysis of increasing the value of the remaining housing provident fund
- 4.1.4 analysis of countermeasures of insufficient supply of housing provident fund
  - (1) analysis of increasing the supply of housing provident fund
  - (2) analysis of reducing the scale of fund use
  - (3) analysis of changes in the operating mechanism of provident fund
  - (4) summary of methods to solve insufficient supply of provident fund

**4.2 analysis of optimization of value-added revenue and allocation of housing provident fund**

- 4.2.1 analysis of income scale and pathways of housing provident fund
  - (1) scale of housing provident fund
  - (2) analysis of value-added approaches of housing provident fund
- 4.2.2 use and distribution of value-added benefits of housing provident fund
  - (1) current practice of distribution of value-added benefits of housing provident fund
  - (2) analysis of basic situation of distribution of value-added income of housing provident fund
  - (3) analysis of distribution of value-added income of housing provident fund in some cities
- 4.2.3 problems of value-added income of housing provident fund and distribution
- 4.2.4 suggestions for optimization of value-added income of housing provident fund
  - (1) countermeasures for problems of distribution of value-added income of housing provident fund
  - (2) suggestions for optimization of configuration of value-added income of housing provident

fund

## Chapter 5: Analysis of status quo of operation of housing provident fund in China's typical cities

### 5.1 analysis of status quo of operation of housing provident fund in Beijing

- 5.1.1 analysis of development course of housing provident fund in Beijing
- 5.1.2 analysis of decision-making mechanism of housing provident fund in Beijing
- 5.1.3 analysis of implementation of housing provident fund system in Beijing
- 5.1.4 analysis of policy adjustment of housing provident fund in Beijing
- 5.1.5 analysis of management and operation model of housing provident fund in Beijing
- 5.1.6 analysis of deposit of housing provident fund in Beijing
- 5.1.7 analysis of withdraw of housing provident fund in Beijing
- 5.1.8 analysis of loan of housing provident fund in Beijing
  - (1) analysis of loan amount of housing provident fund in Beijing
  - (2) analysis of loan fund of housing provident fund in Beijing

### 5.2 analysis of status quo of operation of housing provident fund in Shanghai

- 5.2.1 analysis of development course of housing provident fund in Shanghai
- 5.2.2 analysis of decision-making mechanism of housing provident fund in Shanghai
- 5.2.3 analysis of implementation of housing provident fund system in Shanghai
- 5.2.4 analysis of policy adjustment of housing provident fund in Shanghai
- 5.2.5 analysis of management and operation model of housing provident fund in Shanghai
- 5.2.6 analysis of deposit of housing provident fund in Shanghai
- 5.2.7 analysis of withdraw of housing provident fund in Shanghai
- 5.2.8 analysis of loan of housing provident fund in Shanghai

### 5.3 analysis of status quo of operation of housing provident fund in Guangzhou

- 5.3.1 analysis of development course of housing provident fund in Guangzhou
- 5.3.2 analysis of decision-making mechanism of housing provident fund in Guangzhou
- 5.3.3 analysis of implementation of housing provident fund system in Guangzhou
- 5.3.4 analysis of policy adjustment of housing provident fund in Guangzhou
- 5.3.5 analysis of management and operation model of housing provident fund in Guangzhou
- 5.3.6 analysis of deposit of housing provident fund in Guangzhou
- 5.3.7 analysis of withdraw of housing provident fund in Guangzhou
