

China Logistics Industry Market Forecast and Investment Strategy Report, 2013–2017

目 录

CONTENTS

Chapter 1: Development Overview of China Logistics Industry

1.1 Relevant Summaries of Logistics Industry

- 1.1.1 Definition of Logistics Industry
- 1.1.2 Characteristics of Modern Logistics
- 1.1.3 Definition of Report's Range

1.2 Development Environment of Logistics Industry

- 1.2.1 Policy Environment of Logistics Industry
 - (1) Management System of Logistics Industry
 - (2) Policy Interpretation of Logistics Industry
 - (3) Development Planning of Logistics Industry
 - (4) Standardization Construction of Logistics
 - (5) Future Policy Forecast of Logistics Industry
- 1.2.2 International Macro Economic Environment
 - (1) American Macro Economic Environment
 - (2) European Macro Economic Environment
 - (3) Japanese Macro Economic Environment
 - (4) Macro Economic Environment in New Merging Countries
- 1.2.3 Domestic Macro Economic Environment
 - (1) GDP Growth
 - (2) Industrial Economic Growth
 - (3) Agricultural Economic Growth
 - (4) Fixed Investment
 - (5) Total Retailing Amount of Social Consumer Goods
 - (6) Growth and Total Import and Export Amount
 - (7) Monetary Supply and Loan
 - (8) Consumer Price Index
 - (9) Purchasing Manager Index of Manufacturing Industry
 - (10) Commercial Activity Index of Non-manufacturing Industry

1.3 Importance of the Industry in National Economy

- 1.3.1 Dependency of National Economy and Logistics
- 1.3.2 Importance of Logistics Industry in National Economy
- 1.3.3 Role of Logistics Industry in National Economy

Chapter 2: Operational Status of China Logistics Industry

2.1 Supporting Facilities of Logistics Industry

- 2.1.1 Construction of Transportation Infrastructures
 - (1) Highway Construction
 - (2) Railway Construction
 - (3) Waterway Construction
 - (4) Aviation Construction
- 2.1.2 Supporting Facilities of Logistics Transportation Equipment
 - (1) Inventory of Freight Vehicle
 - (2) Inventory of Freight Train
 - (3) Inventory of Transportation Ship
 - (4) Scale of Transportation Airplane
- 2.1.3 Analysis of other Logistics Equipment Market
 - (1) Storage Shelf Market
 - (2) Fork Lifter Market
 - (3) Tray Market
 - (4) Conveyor Sorting Equipment

(5) Automated Warehouse

2.2 Operation of China Logistics Industry

2.2.1 Development Overview of Logistics Industry

- (1) Industrial Phrases of Logistics Industry
 - (2) Profitability of Logistics Industry
- ### 2.2.2 Operational Index of Logistics Industry
- (1) Total Growth and Construction of Logistics
 - (2) Total Cost Growth and Construction of Logistics
 - (3) Added Value Growth and Contribution of Logistics Industry
 - (4) Logistics Statistics of Major Enterprises in China

2.3 Development Status of China Logistics Park

2.3.1 Development Overview of China Logistics Park

- (1) Evolution and Development of Logistics Park
- (2) Necessity of Logistics Park
- (3) Development Status of China Logistics Park
- (4) Development and Management of Logistics Park
- (5) Major Influencing Factors to Logistics Park
- (6) Role of Logistics Park to the Development of Logistics

2.3.2 Construction of China Logistics Park

- (1) Major Aims for China to Construct Logistics Park
- (2) Construction Scale of China Logistics Park
- (3) Construction Status of China Logistics Park
- (4) Existing Problems of the Development of China Logistics Park
- (5) Relevant Suggestions to Develop Modern Logistics Park

2.3.3 Management of China Bonded Logistics Park

- (1) Concept and Function to Bonded Logistics Park
- (2) Custom's Supervision to the Goods in and out of Park
- (3) Overall Management of Bonded Logistics Park
- (4) Comparison of the Development of Bonded Logistics Parks

2.4 Development of China Logistics Informationization Market

2.4.1 Researches of China Informationization Market

- (1) Research Overview of Logistics Informationization Market
- (2) Types Structure of the Enterprises Being Researched
- (3) Construction of Logistics Informationization
- (4) Construction of Logistics Public Information Platform
- (5) Investment and Benefit of Enterprises' Informationization
- (6) Suggestions for the Construction of Enterprises' Logistics Informationization

2.4.2 Market Demand of Logistics Informationization

- (1) Driving Factors to the Fast Development of Logistics Informationization
- (2) Market Demand Structure of Logistics Informationization
- (3) Standards and Platform as keys of Logistics Informationization

2.4.3 Application of "Internet of Things" Technology in Logistics Industry

- (1) Application of "Internet of Things" Sense Technology
- (2) Application of Internet and Communication Technology
- (3) Application of Intelligent Management Technology

2.4.4 Application Prospects Forecast of "Internet of Things" in Logistics Industry

- (1) Latest Development Trend of China Smart Logistics Construction
- (2) Application Prospect Forecast of RFID Technology of Logistics Industry
- (3) Application Prospect Forecast of GPS Technology of Logistics Industry
- (4) Application Prospects Forecast of Wireless Sensor Network in Logistics Industry
- (5) Application Prospect Forecast of Intelligent Robot in Logistics Industry
- (6) Development Trend of "Internet of Things" in Logistics Field
- (7) Application Development Trend of "Internet of Things" in Logistics Field

2.5 Competition of China Logistics Industry

2.5.1 Industry Entry and Withdraw Barriers

- (1) Policy Barrier of Logistics Industry
- (2) Technology Barrier of Logistics Industry
- (3) Capital Barrier of Logistics Industry
- (4) other Barriers of Logistics Industry

- 2.5.2 Competition Characteristics of Logistics Industry
 - (1) Overall Competitive Landscape of Logistics Market
 - (2) Competitive Structure of High-end Logistics Market
- 2.5.3 Merger and Reconstruction of Logistics Industry
 - (1) Development of Merger and Reconstruction of Logistics Industry
 - (2) Case Study of Merger and Reconstruction of Logistics Industry
 - (3) Development Trend of Merger and Reconstruction of Logistics Industry

Chapter 3: Management Status of China Logistics Sub-industry

3.1 Management of Freight Transportation Industry

- 3.1.1 Volume and Growth of Freight Transportation
 - (1) Total Amount and Growth of Freight Transportation
 - (2) Turnover and Growth of Freight Transportation
- 3.1.2 Transport Volume of different Transportation Models
 - (1) Highway Freight Transportation and Growth
 - (2) Railway Freight Transportation and Growth
 - (3) Waterway Freight Transportation and Growth
 - (4) Aviation Freight Transportation and Growth

3.2 Management of Storage Industry

- 3.2.1 Management of Storage Industry
 - (1) Added Value of Storage Industry
 - (2) Storage Cost of Storage Industry
 - (3) Management of Storage Industry
 - (4) Investment and Construction of Storage Industry
 - (5) Development Characteristics of Storage Industry
 - (6) General Investigation of Storage Industry
- 3.2.2 Competition of Storage Industry
 - (1) Life Cycle of Storage Industry
 - (2) Integration Degree of Storage Industry
 - (3) Entry and Withdraw Barriers
 - (4) Competitive Landscape of Storage Industry
- 3.2.3 Development of Bonded Storage
 - (1) Classification and Characteristics of Bonded Storage
 - (2) Management of Bonded Storage
 - (3) Role of Special Monitoring Area
 - (4) Bottleneck of Special Monitoring Area
 - (5) Prospects Forecast of Bonded Storage

3.3 Management of Postal Industry

- 3.3.1 Management of Postal Industry
 - (1) Total Business Amount of Postal Industry
 - (2) Business Revenue of Postal Industry
- 3.3.2 Management of Express Industry
 - (1) Total Business Amount of Express Industry
 - (2) Business Revenue of Express Industry
- 3.3.3 Development Strategy of Express Industry
 - (1) Competitive Landscape of Express Industry
 - (2) Development Trend of Express Industry
 - (3) Overall Development Strategy of Express Industry
 - (4) Development Strategy of Medium and Small-sized Express Enterprises

3.4 Development of other Logistics Sub-industries

- 3.4.1 Management of Packing Industry
 - (1) Total Output Value of Packing Industry
 - (2) Existing Problems of Packing Industry
 - (3) Investment Characteristics of Packing Industry
- 3.4.2 Management of Freight Forwarding Industry
 - (1) Development Characteristics of Freight Forwarding Industry
 - (2) Development of International Freight Forwarding Industry
 - (3) Existing Problems of International Freight Forwarding
 - (4) Development Counterplan of the Development of International Freight Forwarding

Chapter 4: Operational Model of China Logistics Industry

4.1 Third-party Logistics Operational Model**4.2 Functional Logistics Operational Model**

- 4.2.1 Development of Functional Logistics Operational Model
- 4.2.2 SWOT Analysis of Functional Logistics Operational Model
- 4.2.3 Representative Enterprises of Functional Logistics Operational Model
- 4.2.4 Development Space of Functional Logistics Operational Model

4.3 Comprehensive Logistics Model

- 4.3.1 Development of Comprehensive Logistics Model
- 4.3.2 SWOT Analysis of Comprehensive Logistics Model
- 4.3.3 Representative Enterprises of Comprehensive Logistics Model
- 4.3.4 Development Space of Comprehensive Logistics Model

4.4 Comprehensive Agency Model

- 4.4.1 Development of Comprehensive Agency Model
- 4.4.2 SWOT Analysis of Comprehensive Agency Model
- 4.4.3 Representative Enterprises of Comprehensive Agency Model
- 4.4.4 Development Space of Comprehensive Agency Model

4.5 Integration Logistics Model

- 4.5.1 Development of Integration Logistics Model
- 4.5.2 SWOT Analysis of Integration Logistics Model
- 4.5.3 Representative Enterprises of Integration Logistics Model
- 4.5.4 Development Space of Integration Logistics Model

Chapter 5: Market Segmentation of China Logistics Industry**5.1 Development of Industrial Logistics Market**

- 5.1.1 Development Overview of Industrial Logistics Market
 - (1) Industry Added Value and Growth
 - (2) Industry Product Output and Growth
 - (3) Total Amount and Growth of Industrial Product Logistics
- 5.1.2 Development of Steel Logistics Market
 - (1) Production and Marketing Scale of Steel Industry
 - (2) Development Scale of Steel Logistics
 - (3) Development Model of Steel Logistics
 - (4) Operational Efficiency of Steel Logistics
 - (5) Integration Degree of Steel Logistics
 - (6) Emphasis of the Development of Steel Logistics
 - (7) Transportation Model of Steel Product
 - (8) Development of Steel Logistics Park
 - (9) Prospects Forecast of Steel Logistics
- 5.1.3 Development of Coal Logistics Market
 - (1) Production and Marketing Scale of Coal Logistics Industry
 - (2) Total Transportation Amount of Coal Logistics
 - (3) Sales of Coal Transportation Enterprises
 - (4) Development Trend of Coal Logistics Park
 - (5) Prospects Forecast of Coal Logistics
- 5.1.4 Development of Vehicle Logistics Market
 - (1) Production and Marketing Scale of Vehicle Logistics Industry
 - (2) Logistics Cost of Vehicle Enterprises
 - (3) SWOT Analysis of Vehicle Logistics
 - (4) Existing Problems of Vehicle Logistics Industry
 - (5) Development Counterplan of Vehicle Logistics Industry
 - (6) Prospects Forecast of Vehicle Logistics Industry
- 5.1.5 Development of Household Appliance Logistics Market
 - (1) Production and Marketing Scale of Household Appliance Logistics Industry
 - (2) Management Model of Household Appliance Logistics
 - (3) Delivery of Chain Household Appliance Logistics
 - (4) Development Dilemma of Household Appliance Logistics
 - (5) Prospects Forecast of Household Appliance Logistics
- 5.1.6 Development of Chemical Logistics Market
 - (1) Development of Chemical Industry
 - (2) Development of Chemical Logistics

- (3) Development Trend of Chemical Logistics Park
- (4) Prospects Forecast of Chemical Logistics
- 5.1.7 Development of Medical Logistics Market
 - (1) Production and Marketing Scale of Medical Industry
 - (2) Development of Medical Logistics
 - (3) Management Model of Medical Logistics
 - (4) Highlight from the Development of Foreign Medical Logistics
 - (5) Development Trend of Medical Logistics Park
 - (6) Interpretation of the Development Planning of Medical Logistics
 - (7) Prospects Forecast of Medical Logistics
- 5.1.8 Development of Tobacco Logistics Market
 - (1) Production and Marketing of National Cigarette
 - (2) Development of Tobacco Logistics
 - (3) Development Model of Tobacco Logistics
 - (4) Scale of Tobacco Logistics Engineering Market
 - (5) Development of Tobacco Logistics Network
 - (6) Development Trend of Tobacco Logistics Park
 - (7) Forecast of Tobacco Logistics Market Scale
- 5.2 Development of Agricultural Logistics Market**
 - 5.2.1 Development Overview of Agricultural Logistics Market
 - (1) Agricultural Added Value and Growth
 - (2) Total Amount and Growth of Agricultural Logistics
 - (3) Infrastructure Construction of Agricultural Logistics
 - (4) Prospects Forecast of Agricultural Logistics
 - 5.2.2 Development of Food Logistics Market
 - (1) Development Overview of Food Industry
 - (2) Circulation of Food Market
 - (3) Development Stage of Food Logistics
 - (4) Total Storage Volume of National Food
 - (5) Management Model of Food Logistics
 - (6) Infrastructure Construction of Food Circulation
 - (7) Development of Food Logistics Park
 - (8) Experience of Food Logistics in Developed Countries
 - (9) Interpretation of Development Planning of Food Logistics
 - (10) Prospects Forecast of Food Logistics
 - 5.2.3 Agricultural Product Cold-chain Logistics Market
 - (1) Scale of Agricultural Product Cold-chain Logistics
 - (2) Facilities of Agricultural Product Cold-chain Logistics
 - (3) Technology of Agricultural Product Cold-chain Logistics
 - (4) Enterprises of Agricultural Product Cold-chain Logistics
 - (5) Existing Problems of Agricultural Product Cold-chain Logistics
 - (6) Limited Factors to Agricultural Product Cold-chain Logistics
 - (7) Foreign Circulation Model of Agricultural Product for Reference
 - (8) Development Trend of Agricultural Product Logistics Park
 - (9) Prospects Forecast of Agricultural Product Cold-chain Logistics
 - 5.2.4 Development of Flower Logistics Market
 - (1) Planting Scale of Flower Industry
 - (2) Management of Flower Industry
 - (3) Development of Flower Logistics
 - (4) Characteristics of Flower Logistics Market
 - (5) Existing Problems of Flower Logistics
 - (6) Development Suggestions for Flower Logistics Market
 - (7) Prospects Forecast of Flower Logistics
- 5.3 Development of Trading Logistics Market**
 - 5.3.1 Management of Trading Industry
 - (1) Total Retailing Amount and Growth of Social Consumer Goods
 - (2) Retailing Amount and Growth of Above-norm Enterprises
 - (3) Retailing Amount and Growth in Important Vacations
 - 5.3.2 Management of Trading Sub-industry

- (1) Retailing Amount and Growth of Supermarket Industry
- (2) Retailing Amount and Growth of Department Store Industry
- (3) Retailing Amount and Growth of Chain Household Appliance Industry
- (4) Retailing Amount and Growth of Chain Furniture Industry
- 5.3.3 Development Overview of Trading Logistics Industry
 - (1) Development of Trading Logistics
 - (2) Management Efficiency of Trading Logistics
 - (3) Development Focuses of Trading Logistics
 - (4) Development Trend of Trading Logistics Park
- 5.3.4 Development Model of Regional Trading Logistics
 - (1) Basic Model of Regional Trading Logistics
 - (2) Development Model of Regional Trading Logistics
 - (3) Development Counterplan of Regional Trading Logistics
- 5.3.5 Development Strategy of Trading Logistics
 - (1) Major Existing Problems of Trading Logistics
 - (2) Development Strategy of Trading Logistics
 - (3) Suggestions to the Policy to Develop Trading Logistics
- 5.3.6 Prospects Forecast of Trading Logistics Industry
 - (1) Interpretation of the Development Planning of Trading Logistics
 - (2) Development Trend of Trading Logistics
 - (3) Prospects Forecast of Trading Logistics
 - (4) Forecast of Trading Logistics Market Scale

Chapter 6: Major Regions of China Logistics Industry

6.1 Regional Distribution Characteristics of Logistics Industry

- 6.1.1 Top 9 Logistics Regional Distribution
- 6.1.2 Top 10 Logistics Channels

6.2 Development of Logistics Industry in Yangtze River Delta

- 6.2.1 Regional Economic Environment in Yangtze River Delta
- 6.2.2 Development of Logistics Industry in Shanghai City
 - (1) Economic Operation in Shanghai
 - (2) Construction of Logistics Park in Shanghai
 - (3) Logistics Policy and Development Planning in Shanghai
 - (4) Prospects Forecast of Logistics Industry in Shanghai
- 6.2.3 Development of Logistics Industry in Jiangsu Province
 - (1) Economic Operation in Jiangsu Province
 - (2) Development Scale of Logistics Industry in Jiangsu Province
 - (3) Efficiency of Logistics Industry in Jiangsu Province
 - (4) Construction of Logistics Park in Jiangsu Province
 - (5) Logistics Policy and Development Planning in Jiangsu Province
 - (6) Prospects Forecast of Logistics Industry in Jiangsu Province
- 6.2.4 Development of Logistics Industry in Zhejiang Province
 - (1) Economic Operation in Zhejiang Province
 - (2) Development Scale of Logistics Industry in Zhejiang Province
 - (3) Efficiency of Logistics Industry in Zhejiang Province
 - (4) Construction of Logistics Park in Zhejiang Province
 - (5) Logistics Policy and Development Planning in Zhejiang Province
 - (6) Prospects Forecast of Logistics Industry in Zhejiang Province

6.3 Development of Logistics Industry in Pearl River Delta

- 6.3.1 Regional Economic Environment in Pearl River Delta
- 6.3.2 Development of Logistics Industry in Guangzhou City
 - (1) Economic Operation in Guangzhou
 - (2) Development Scale of Logistics Industry in Guangzhou City
 - (3) Construction of Logistics Park in Guangzhou
 - (4) Logistics Policy and Development Planning in Guangzhou
 - (5) Prospects Forecast of Logistics Industry in Guangzhou
- 6.3.3 Development of Logistics Industry in Shenzhen City
 - (1) Economic Operation in Shenzhen City
 - (2) Development Scale of Logistics Industry in Shenzhen City
 - (3) Efficiency of Logistics Industry in Shenzhen City

- (4) Construction of Logistics Park in Shenzhen City
- (5) Logistics Policy and Development Planning in Shenzhen City
- (6) Prospects Forecast of Logistics Industry in Shenzhen City
- 6.3.4 Development of Logistics Industry in Zhuhai City
 - (1) Economic Operation in Zhuhai City
 - (2) Development Scale of Logistics Industry in Zhuhai City
 - (3) Construction of Logistics Park in Zhuhai City
 - (4) Logistics Policy and Development Planning in Zhuhai City
 - (5) Prospects Forecast of Logistics Industry in Zhuhai City
- 6.4 Development of Logistics Industry in Bohai-rim**
 - 6.4.1 Regional Economic Environment in Bohai-rim
 - 6.4.2 Development of Logistics Industry in Beijing City
 - (1) Economic Operation in Beijing City
 - (2) Development Scale of Logistics Industry in Beijing City
 - (3) Efficiency of Logistics Industry in Beijing City
 - (4) Construction of Logistics Park in Beijing City
 - (5) Logistics Policy and Development Planning in Beijing City
 - (6) Prospects Forecast of Logistics Industry in Beijing City
 - 6.4.3 Development of Logistics Industry in Tianjin City
 - (1) Economic Operation in Tianjin
 - (2) Development Scale of Logistics Industry in Tianjin City
 - (3) Construction of Logistics Park in Tianjin
 - (4) Logistics Policy and Development Planning in Tianjin
 - (5) Prospects Forecast of Logistics Industry in Tianjin
