

China Water Transport Industry Indepth Research and Investment Strategy Planning Report, 2013-2017

目 录

CONTENTS

Chapter 1: Development Overview of Water Transport Industry

1.1 Definition and Features of Water Transport Industry

- 1.1.1 Definition
- 1.1.2 Classification
- 1.1.3 Features

1.2 Development Model for Operation of Water Transport Industry

- 1.2.1 Administration and Management Model for Water Transport
- 1.2.2 Operation Model for Foreign Water Transport Industry
- 1.2.3 Operation Model for China Water Transport Industry
- 1.2.4 Experiential Learning of Operation Model for Foreign Water Transport Industry

1.3 Research on Interactive Development between Water Transport Industry and Economy

- 1.3.1 Development Situation of Economic Hinterland for Water Transport
- 1.3.2 Water Transport's Role in National Economy
- 1.3.3 Development Prospects for Low-carbon Water Transport

Chapter 2: Development Overview for China Water Transport Industry

2.1 Economic Environment for Industry

- 2.1.1 Administration System for Industry
- 2.1.2 Trend for Policies Related to Industry
- 2.1.3 Development Planning for Industry

2.2 Microeconomic Environment for Industry

- 2.2.1 Development Status of Domestic Macro-economy
 - (1) Economic Development Status in Europe
 - (2) Economic Development Status in US
 - (3) Economic Development Status in Japan
 - (4) Economic Development Status in Other Trading Entities
 - (5) National Import and Export
- 2.2.2 Development Status of Domestic Macro-economy
 - (1) National Economic Growth
 - (2) Industrial Growth
 - (3) FAI
 - (4) National Consumption Situation
 - (5) National Import and Export
- 2.2.3 Forecast for Domestic Macro-economy

2.3 Social Environment for Industry

- 2.3.1 Position of Water Transport in Transportation System
- 2.3.2 Demand Status of Water Transport Industry

Chapter 3: Development Status of Industries Related to China Water Transport Industry

3.1 Development of China Port Construction Industry

- 3.1.1 Overall Layout Planning for China Port Construction Industry
- 3.1.2 Development Status of China Port Construction Industry
 - (1) Port Distribution Status in China
 - (2) Berth Status in China
 - (3) Construction of Green Port
 - (4) Latest Trend for Port Construction
- 3.1.3 Development Trend for Port Construction in China
- 3.1.4 Prospect Forecast for Developing Port Construction in China

3.2 Development of China Shipbuilding Industry

- 3.2.1 Development Planning for China Shipbuilding Industry
- 3.2.2 Development Status of China Shipbuilding Industry

- (1) Overview of China Shipbuilding Industry
- (2) Product Markets of Shipbuilding Industry
- (3) Competitive Landscape of Shipbuilding Industry
- (4) Technology in China Shipbuilding Industry
- 3.2.3 Development Trend for Water Transport Industry
- 3.2.4 Prospect Forecast for China Shipbuilding Industry
- 3.3 Development Status of China Container Manufacturing Industry**
 - 3.3.1 Overview of China Container Manufacturing Industry
 - 3.3.2 Development Status of China Container Manufacturing Industry
 - 3.3.3 Development Status of China Container Manufacturing Industry
 - (1) Overview of China Container Manufacturing Industry
 - (2) Product Markets of China Container Manufacturing Industry
 - (3) Import and Export Market of China Container Manufacturing Industry
 - (4) Competitive Landscape of China Container Manufacturing Industry
 - 3.3.4 Development Trend for China Container Manufacturing Industry
 - 3.3.5 Prospect Forecast for Developing China Container Manufacturing Industry
- 3.4 Effect of Industries Related to Water Transport Industry**
 - 3.4.1 Water Transport's Spread Effect on Other Industries
 - (1) Reaction Coefficient of Water Transport Industry
 - (2) Influence Coefficient of Water Transport Industry
 - 3.4.2 Comprehensive Effect of Water Transport's Correlation Analysis

Chapter 4: Development of China Water Transport Industry

- 4.1 Operation of China Water Transport Industry**
 - 4.1.1 Operation of Transportation Industry
 - (1) Passenger Volume for Transportation
 - (2) Freight Volume for Transportation
 - 4.1.2 Operation of Water Transport Industry
 - (1) Passenger Volume for Water Transport
 - (2) Freight Volume for Water Transport
- 4.2 Development of China Port Transportation Industry**
 - 4.2.1 Port's Passenger Throughput
 - 4.2.2 Port's Freight Throughput
 - 4.2.3 Port's Container Throughput
 - 4.2.4 Port Throughput for Import Freight
- 4.3 Development of China Inland Water Transport Industry**
 - 4.3.1 Development of Yangtze River Shipping Market
 - (1) Prosperity of Yangtze River Shipping
 - (2) Freight Index of Dry Bulk Cargo in Yangtze River
 - (3) Freight Index of Container in Yangtze River
 - 4.3.2 Development of Pearl River Market
 - (1) Freight Growth in Pearl River
 - (2) Pearl River Port's Throughput
 - (3) Major Types of Freight Transport in Pearl River
 - (4) Comprehensive Freight Price of Pearl River Transport
 - 4.3.3 Development of Shipping Market for Beijing-Hangzhou Canal
 - (1) Freight Status of Beijing-Hangzhou River Canal
 - (2) Major Freight Transport in Beijing-Hangzhou River Canal
 - (3) Freight Rate of Beijing-Hangzhou River Canal
 - 4.3.4 Working Priorities for Future Inland Water Transport
 - (1) Overview Inland Transport Development Priorities
 - (2) Future Development Priorities of Inland Water Transport in Major Regions
- 4.4 Development of China Ocean Transport Industry**
 - 4.4.1 Major Types of Freight with Ocean Transport
 - (1) Transportation of Crude Oil Import and Export
 - (2) Transportation of Food Import and Export
 - (3) Transportation of Iron Ore Import and Export
 - (4) Transportation of Coal Import and Export
 - 4.4.2 Development of China Ocean Transport Market
 - (1) Development of Ocean Shipping Market

- (2) Development of Coastal Shipping Market
- 4.4.3 Problems and Suggestions for China Ocean Transport Industry
 - (1) Problems in the Development of China Ocean Transport Industry
 - (2) Strategy Selection for Developing China Ocean Transport Industry
- 4.4.4 Development Prospects for China Ocean Transport Industry

Chapter 5: Analysis of Market Segments in China Water Transport Industry

5.1 Development of Tanker Transport Market

- 5.1.1 Cycle of International Tanker Transport Market
- 5.1.2 Freight Rate of International Tanker Transport by Ship Type
 - (1) Freight Index of Crude Oil and Refined Oil
 - (2) Freight Rate of Supertanker
 - (3) Freight Rate of Suezmax
 - (4) Freight Rate of Aframax
 - (5) Freight Rate of Product Oil Tanker
 - (6) Price Trend Forecast for Oil Transportation
- 5.1.3 Supply and Demand of Tanker Transport Market
 - (1) Global Tanker Transport Market
 - (2) China Tanker Transport Market
 - (3) Development Prospect for China Tanker Transport Market

5.2 Development of Dry Bulk Cargo Transport Market

- 5.2.1 Cycle of International Dry Bulk Cargo Transport Market
- 5.2.2 Freight Rate of Dry Bulk Cargo Transport by Ship Type
 - (1) Freight Index of Dry Bulk Cargo
 - (2) Freight Rate of Dry Bulk Cargo Transport by Ship Type
 - 1) Freight Rate of Panamax
 - 2) Freight Rate of Capesize
 - 3) Freight Rate of Handmax
 - 4) Price Trend Forecast for Dry Bulk Cargo
- 5.2.3 Supply and Demand of Dry Bulk Transport Market
 - (1) Supply and Demand Development Status of Dry Bulk Transport
 - (2) Supply and Demand Forecast for Dry Bulk Transport
 - (3) Forecast for Balance between Supply and Demand of Dry Bulk Transport
- 5.2.4 Demand for China Dry Bulk Transport
 - (1) China Iron Ore Trading Demand Status and Forecast
 - (2) China Coal Trading Demand Status and Forecast
 - (3) China Food Trading Demand Status and Forecast
 - (4) Transport Capacity Supply for China Dry Bulk Transport

5.3 Development of Container Transport Market

- 5.3.1 Cycle of International Container Transport Market
- 5.3.2 Market Price of International Container Transport
 - (1) Ship Price of Container Market
 - (2) Freight Rate of Container Transport Market
 - 1) Freight Rate of Europe Route
 - 2) Freight Rate of North America Route
 - (3) Freight Rate Trend Forecast for Container Transport Market
- 5.3.3 Supply of International Container Transport Market
 - (1) Demand of Container Transport Market
 - (2) Supply of Container Transport Market
 - (3) Balance between Supply and Demand for Container Transport Market
- 5.3.4 Development of China Container Transport Market
 - (1) Demand for China Container Transport
 - (2) Supply of China Container Transport
 - (3) Balance between Supply and Demand of China Container Transport

Chapter 6: Competitive Landscape of China Water Transport Industry

6.1 Competitive Landscape for International Water Transport Industry

- 6.1.1 Development Features of International Shipping Market
- 6.1.2 Comparative Review for Major International Shipping Centers in the World
- 6.1.3 Market Competitive Landscape for International Water Transport Industry

6.2 Horizontal Competition in China Water Transport Industry

- 6.2.1 Competitiveness of China Water Transport Industry
 - (1) Competitiveness Contrast of Domestic and Foreign Water Transport Enterprises
 - (2) Causes for Low Competitiveness in China Water Transport Enterprises
- 6.2.2 Select Competitive Strategy for China Water Transport Enterprises
- 6.2.3 Strategies for Improving Competitiveness in China Water Transport Industry
 - (1) Government Increase Efforts to Policy Support
 - (2) Flexible Policy Attracts FOC Coming Back
- 6.3 Competition of Substitute Transport Means for China Water Transport**
 - 6.3.1 Transport Means Structure in Transportation Industry
 - 6.3.2 Development of Railway Transport Industry
 - (1) Development Status of Railway Transport Market
 - (2) Prospect Forecast for Developing Railway Transport Market
 - (3) Railway' s Position in Transportation System
 - 6.3.3 Development Status of Road Transport Market
 - (1) Development Status of Road Transport Market
 - (2) Prospect Forecast for Developing Road Transport Market
 - (3) Road' s Position in Transportation System
 - 6.3.4 Development of Aviation Transport
 - (1) Development Status of Aviation Transport Market
 - (2) Prospect Forecast for Developing Aviation Transport Market
 - (3) Aviation' s Position in Transportation System
 - 6.3.5 Development of Transit Transportation
