

China Medical Device Industry Market Demand and Investment Strategy Report, 2013–2017

目 录

CONTENTS

CONTENTS

Chapter 1: Comprehensive Analysis

1.1 Development of Medical Device Industry in China

- 1.1.1 Researching Background and Method of the Industry
 - (1) Background and Significance of Industry Research
 - (2) Researching Method of the Industry
 - (3) Data Sources
- 1.1.2 Definition of Medical Device Industry
 - (1) Definition and Researching Range of the Industry
 - (2) Status of the Industry to National Economy
- 1.1.3 Industry Chain of Medical Device Industry
 - (1) Analysis of Medical Device Industrial chain
 - (2) Analysis of the demand of the downstream of Medical Device
 - 1) Analysis of Medical Service Industry
 - 2) Analysis of flow Medical Device flow Industry

1.2 Market Environment of China Medical Device Industry

- 1.2.1 Policy Environment of the Industry
 - (1) Administration Department and Functions of the Industry
 - (2) Supervision System of the Industry
 - (3) Relevant Policies Trend of the Industry
 - 1) Summary of the Significant Policies in Current Years
 - 2) Influence of the Significant Policies
- 1.2.2 Economic Environment of the Industry
 - (1) GDP Growth in China
 - (2) Income Growth in China
- 1.2.3 Social Environment of the Industry
 - (1) Population Aging Trend
 - (2) Urbanization Trend
 - (3) Medical-care Level of Residents
- 1.2.4 Technology Environment of the Industry
 - (1) Technology Development Progress of the Industry
 - (2) Technology Development Level of the Industry
 - (3) Latest Technology Development Trend of the Industry
 - (4) Technology Development Trend of the Industry

1.3 Development Operation of China Medical Device Industry

- 1.3.1 Development Status of China Medical Device Industry
 - (1) Development Overview of China Medical Device Industry
 - (2) Major Development Characteristics of China Medical Device Industry
 - (3) Scale of China Medical Device Industry
 - 1) Changing of the Capital Size
 - 2) Profit Changing
- 1.3.2 Supply Analysis and Forecast of China Medical Device Industry
 - (1) Supply Status of Medical Device Industry
 - 1) Total Industrial Output Value
 - 2) Finished Products
 - (2) Supply Structure of Medical Device Industry
 - (3) Regional Distribution of Medical Device Supply
 - (4) Supply Forecast of Medical Device Industry
- 1.3.3 Demand Analysis and Forecast of China Medical Device Industry

- (1) Demand Status of Medical Device Industry
 - 1) Sales Value
 - 2) Sales Revenue
- (2) Demand Structure of Medical Device Industry
- (3) Regional Distribution of Medical Device Demand
- (4) Demand Forecast of Medical Device Industry
- 1.3.4 Balance between Supply and Demand of China Medical Device Industry
- 1.3.5 Financial Status of China Medical Device Industry
 - (1) Operation Benefit of Medical Device Industry
 - (2) Profitability of Medical Device Industry
 - (3) Operation Capability of Medical Device Industry
 - (4) Debt-paying Capability of Medical Device Industry
 - (5) Development Capability of Medical Device Industry
- 1.3.6 Import and Export of China Medical Device Industry
 - (1) Imports of China Medical Device Industry
 - 1) Statistics of Importing Size
 - 2) Regional Distribution of the Imports
 - 3) Distribution of Import Corporations
 - 4) Distribution of Import Provinces and Cities
 - (2) Exports of China Medical Device Industry
 - 1) Statistics of Exporting Size
 - 2) Structure of Exporting Products
 - 3) Regional Distribution of the Exports
 - 4) Distribution of Export Corporations
 - 5) Distribution of Export Provinces and Cities
 - (3) Import and Export Prospects of Medical Device Industry
 - 1) Import Prospects of the Industry
 - 2) Export Prospects of the Industry
- 1.4 Competitive Structure of Medical Device Industry**
 - 1.4.1 Competition of International Medical Device Market
 - (1) Development Stats of Global Medical Device Industry
 - (2) Market Competition of Global Medical Device Industry
 - (3) R&D Input of Global Medical Device Industry
 - 1) SIEMENS: USD 1.7 billion
 - 2) Johnson& Johnson: USD 1.68 billion
 - 3) Paradigm: USD 1.55 billion
 - 4) Philips: USD 1.03 billion
 - 5) Roche: USD 1 billion
 - 6) Boston Scientific: USD 0.889 billion
 - 7) Abbott: USD 0.848 billion
 - 8) St. Jude Medical: USD 0.676 billion
 - 9) Covidien: USD 0.623 billion
 - 10) DANAHER: USD 0.494 billion
 - (4) Development of Medical Device Markets in Major Countries
 - 1) Development of Medical Device Market in America
 - 2) Development of Medical Device Market in Japan
 - 3) Development of Medical Device Market in Europe
 - (5) Development Prospects of Global Medical Device Industry
 - 1.4.2 Investment of Transnational Medical Device Corporations in China
 - (1) Investment Distribution of GE Medical Group in China
 - (2) Investment Distribution of SIEMENS in China
 - (3) Investment Distribution of Philips in China
 - (4) Investment Distribution of Carestream in China
 - (5) Investment Distribution of Johnson& Johnson in China
 - (6) Investment Distribution of Esaote in China
 - 1.4.3 Competition of Medical Device Industry in China
 - (1) Competition of Medical Device Industry in China
 - (2) Bargaining Capability of Medical Device Industry
 - 1) Bargaining Capability of Upstream Suppliers

- 2) Bargaining Capability of Downstream Buyers
 - 1. Bargaining Capability of Medical Institutions
 - 2. Bargaining Capability of Consumers
- (3) Potential Threats of Medical Device Industry
 - 1) Threats from Potential Entrants
 - 2) Threats from Substitute Products
- 1.4.4 Investment Merger and Reconstruction of Medical Device Industry
 - (1) Investment Merger Overview of the Industry
 - 1) International Investment Merger
 - 2) Domestic Investment Merger
 - (2) Venture Investment Overview of the Industry
 - 1) International Venture Investment
 - 2) Domestic Venture Investment
 - (3) Investment Merger Characteristics of the Industry
 - 1) Venture Investment and Merger Characteristics at Abroad
 - 2) Venture Investment and Merger Characteristics in China
 - (4) Investment Merger Trend of the Industry

1.5 Prospect Forecast

1.6 Development Prospect Forecast of China Medical Device Segment Industries

1.6.1 Development Prospect Forecast of Medical Diagnosis, Care and Treatment Equipment

Manufacturing Industry

- (1) Scale of Medical Diagnosis, Care and Treatment Equipment Manufacturing Industry
- (2) Production of Medical Diagnosis, Care and Treatment Equipment Manufacturing Industry
- (3) Demand of Medical Diagnosis, Care and Treatment Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Medical Diagnosis, Care and Treatment Equipment

Manufacturing Industry

- (5) Competitive Structure of Medical Diagnosis, Care and Treatment Equipment Manufacturing

Industry

- (6) Regional Structure of Medical Diagnosis, Care and Treatment Equipment Manufacturing Industry
- (7) Development Prospects of Medical Diagnosis, Care and Treatment Equipment Manufacturing

Industry

1.6.2 Development Prospect Forecast of Dental Equipment Manufacturing Industry

- (1) Scale of Dental Equipment Manufacturing Industry
- (2) Production of Dental Equipment Manufacturing Industry
- (3) Demand of Dental Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Dental Equipment Manufacturing Industry
- (5) Competitive Structure of Dental Equipment Manufacturing Industry
- (6) Regional Structure of Dental Equipment Manufacturing Industry
- (7) Development Prospects of Dental Equipment Manufacturing Industry

1.6.3 Development Prospect Forecast of Laboratory and Medical Disinfection Equipment Manufacturing

Industry

- (1) Scale of Laboratory and Medical Disinfection Equipment Manufacturing Industry
- (2) Production of Laboratory and Medical Disinfection Equipment Manufacturing Industry
- (3) Demand of Laboratory and Medical Disinfection Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Laboratory and Medical Disinfection Equipment

Manufacturing Industry

- (5) Competitive Structure of Laboratory and Medical Disinfection Equipment Manufacturing

Industry

- (6) Regional Structure of Laboratory and Medical Disinfection Equipment Manufacturing Industry
- (7) Development Prospects of Laboratory and Medical Disinfection Equipment Manufacturing

Industry

1.6.4 Development Prospect Forecast of Medical, Surgery and Veterinary Equipment Manufacturing

Industry

- (1) Scale of Medical, Surgery and Veterinary Equipment Manufacturing Industry
- (2) Production of Medical, Surgery and Veterinary Equipment Manufacturing Industry
- (3) Demand of Medical, Surgery and Veterinary Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Medical, Surgery and Veterinary Equipment Manufacturing

Industry

- (5) Competitive Structure of Medical, Surgery and Veterinary Equipment Manufacturing Industry

- (6) Regional Structure of Medical, Surgery and Veterinary Equipment Manufacturing Industry
- (7) Development Prospects of Medical, Surgery and Veterinary Equipment Manufacturing Industry

1.6.5 Development Prospect Forecast of Machinery Treatment and Ward Nursing Equipment

Manufacturing Industry

- (1) Scale of Machinery Treatment and Ward Nursing Equipment Manufacturing Industry
- (2) Production of Machinery Treatment and Ward Nursing Equipment Manufacturing Industry
- (3) Demand of Machinery Treatment and Ward Nursing Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Machinery Treatment and Ward Nursing Equipment

Manufacturing Industry

- (5) Competitive Structure of Machinery Treatment and Ward Nursing Equipment Manufacturing

Industry

- (6) Regional Structure of Machinery Treatment and Ward Nursing Equipment Manufacturing Industry
- (7) Development Prospects of Machinery Treatment and Ward Nursing Equipment Manufacturing

Industry

1.6.6 Development Prospect Forecast of Artificial Limb, Organs and Embedding Equipment

Manufacturing Industry

- (1) Scale of Artificial Limb, Organs and Embedding Equipment Manufacturing Industry
- (2) Production of Artificial Limb, Organs and Embedding Equipment Manufacturing Industry
- (3) Demand of Artificial Limb, Organs and Embedding Equipment Manufacturing Industry
- (4) Balance between Supply and Demand of Artificial Limb, Organs and Embedding Equipment

Manufacturing Industry

- (5) Competitive Structure of Artificial Limb, Organs and Embedding Equipment Manufacturing

Industry

- (6) Regional Structure of Artificial Limb, Organs and Embedding Equipment Manufacturing Industry
- (7) Development Prospects of Artificial Limb, Organs and Embedding Equipment Manufacturing

Industry

1.6.7 Development Prospect Forecast of Other Medical Device Manufacturing Industry

- (1) Scale of Other Medical Device Manufacturing Industry
- (2) Production of Other Medical Device Manufacturing Industry
- (3) Demand of Other Medical Device Manufacturing Industry
- (4) Balance between Supply and Demand of Other Medical Device Manufacturing Industry
- (5) Competitive Structure of Other Medical Device Manufacturing Industry
- (6) Regional Structure of Other Medical Device Manufacturing Industry
- (7) Development Prospects of Other Medical Device Manufacturing Industry

1.7 Product Market Prospect Forecast of China Medical Device Industry

1.7.1 Product Structure Characteristics of China Medical Device Industry

1.7.2 Prospect Forecast of Medical Device Segment Markets of Different Classes

- (1) Prospect Forecast of High-class Medical Device Market
 - 1) Overview of High-class Medical Device Market
 - 2) Competitive Structure of High-class Medical Device Market
 - 3) Prospect Forecast of High-class Medical Device Market
- (2) Prospect Forecast of Low-class Medical Device Market
 - 1) Overview of Low-class Medical Device Market
 - 2) Competitive Structure of Low-class Medical Device Market
 - 3) Prospect Forecast of Low-class Medical Device Market

1.7.3 Prospect Forecast of Medical Device Segment Markets of Different Functions

- (1) Prospect Forecast of Clinical Monitoring Medical Device Market
 - 1) Overview of Clinical Monitoring Medical Device Market
 - 2) Capacity of Clinical Monitoring Medical Device Market
 - 1. Global Market Size
 - 2. Market Size in China
 - 3) Competitive Structure of Clinical Monitoring Medical Device Market
 - 1. Competitive Structure in Global Market
 - 2. Competitive Structure in China Market
 - 4) Prospect Forecast of Clinical Monitoring Medical Device Market
 - 1. Overall Prospect Forecast
 - 2. Prospect Forecast of Segment Fields
- (2) Prospect Forecast of Medical Oxygen Supply Device Market
 - 1) Overview of Medical Oxygen Supply Device Market

- 2) Capacity of Medical Oxygen Supply Device Market
- 3) Competitive Structure of Medical Oxygen Supply Device Market
- 4) Prospect Forecast of Medical Oxygen Supply Device Market
- (3) Prospect Forecast of Medical Image Device Market
 - 1) Overview of Medical Image Device Market
 - 2) Competitive Structure of Medical Image Device Market
- (4) Prospect Forecast of Sterilization Medical Device Market
 - 1) Competitive Structure of Sterilization Medical Device Market
 - 2) Prospects Forecast of Sterilization Medical Device Market
- (5) Prospect Forecast of Implantable Medical Device Market
 - 1) Overview of Implantable Medical Device Market
 - 2) Competitive Structure of Implantable Medical Device Market
 - 3) Prospect Forecast of Implantable Medical Device Market
- (6) Prospect Forecast of Home Medical Device Market
 - 1) Overview of Home Medical Device Market
 - 2) Product Structure of Home Medical Device
 - 3) Competitive Structure of Home Medical Device Market
 - 4) Prospect Forecast of Home Medical Device Market
- 1.7.4 Prospect Forecast of Typical Medical Devices
 - (1) Prospect Forecast of CT Machine Market
 - 1) Application Overview of CT Machine
 - 2) Scale of CT Machine Market
 - 3) Competitive Structure of CT Machine Market
 - 4) Technology Development Trend of CT Machine
 - 5) Prospect Forecast of CT Machine Market
 - (2) Prospect Forecast of Stethoscope Market
 - 1) Application Overview of Stethoscope
 - 2) Competitive Structure of Stethoscope Market
 - 3) Prospect Forecast of Stethoscope Market
 - (3) Prospect Forecast of X Ray Machine Market
 - 1) Application Overview of X Ray Machine
 - 2) Scale of X Ray Machine Market
 - 3) Competitive Structure of X Ray Machine Market
 - 4) International Bidding Status of X Ray Machine Market
 - 5) Prospect Forecast of X Ray Machine Market
 - (4) Prospect Forecast of B-mode Ultrasound Examination Machine Market
 - 1) Application Overview of B-mode Ultrasound Examination Machine
 - 2) Scale of B-mode Ultrasound Examination Machine Market
 - 3) Competitive Structure of B-mode Ultrasound Examination Machine Market
 - 4) Prospect Forecast of B-mode Ultrasound Examination Machine Market
 - (5) Prospect Forecast of Breathing Machine Market
 - 1) Application Overview of Breathing Machine
 - 2) Scale of Breathing Machine Market
 - 3) Competitive Structure of Breathing Machine Market
 - 4) Technology Development Trend of Breathing Machine
 - 5) Prospect Forecast of Breathing Machine Market
 - (6) Prospect Forecast of Electrocardiogram Machine Market
 - 1) Application Overview of Electrocardiogram Machine
 - 2) Scale of Electrocardiogram Machine Market
 - 3) Competitive Structure of Electrocardiogram Machine Market
 - 4) Technology Development Trend of Electrocardiogram Machine
 - 5) Prospect Forecast of Electrocardiogram Machine Market
 - (7) Prospect Forecast of Dialysis Machine Market
 - 1) Application Overview of Dialysis Machine
 - 2) Scale of Dialysis Machine Market
 - 3) Competitive Structure of Dialysis Machine Market
 - 4) Technology Development Trend of Dialysis Machine
 - 5) Prospect Forecast of Dialysis Machine Market
 - (8) Prospect Forecast of Heart Holder Market

- 1) Application Overview of Heart Holder
- 2) Scale of Heart Holder Market
- 3) Competitive Structure of Heart Holder Market
- 4) Relevant Products to Heart Holder
- 5) Prospect Forecast of Heart Holder Market
- (9) Prospect Forecast of Orthopedics Device Market
 - 1) Application Overview of Orthopedics Device
 - 2) Scale of Orthopedics Device Market
 - 3) Competitive Structure of Orthopedics Device Market
 - 4) Major Products to Orthopedics Device
 1. Artificial Joint Market
 2. Spine Market
 3. Trauma Market
 - 5) Prospect Forecast of Orthopedics Device Market
- (10) Prospect Forecast of Cardiac Pacemaker Market
 - 1) Application Overview of Cardiac Pacemaker
 - 2) Scale of Cardiac Pacemaker Market
 - 3) Competitive Structure of Cardiac Pacemaker Market
- (11) Prospect Forecast of Sphygmomanometer Market
 - 1) Application Overview of Sphygmomanometer
 - 2) Scale of Sphygmomanometer Market
 - 3) Competitive Structure of Sphygmomanometer Market
 - 4) Technology Development Trend of Sphygmomanometer
 - 5) Prospect Forecast of Sphygmomanometer Market
- (12) Prospect Forecast of Glucometer Market
 - 1) Application Overview of Glucometer
 - 2) Scale of Glucometer Market
 - 3) Profit Pattern of Glucometer Market
 - 4) Competitive Structure of Glucometer Market
 1. Competitive Structure of the Brands at Home and Abroad
 2. Competitive Structure of Professional Market and Retailing Market
 - 5) Prospect Forecast of Glucometer Market
- (13) Prospect Forecast of DR Market
 - 1) Application Overview of DR
 - 2) Scale of DR Market
 - 3) Competitive Structure of DR Market
 1. Overall DR Competitive Structure
 2. Competitive Structure of Flat DR
 3. Competitive Structure of CCD DR
 - 4) Prospect Forecast of DR Market
- (14) Prospect Forecast of Freeze-drying Market
 - 1) Application Overview of Freeze-drying
 - 2) Scale of Freeze-drying Market
 - 3) Competitive Structure of Freeze-drying Market
 1. International Competitive Structure
 2. Domestic Competitive Structure
 - 4) Prospect Forecast of Freeze-drying Market
- (15) Prospect Forecast of MRI Equipment Market
 - 1) Scale of MRI Equipment Market
 - 2) Competitive Structure of MRI Equipment Market
 1. Global Competitive Structure
 2. Domestic Competitive Structure
 - 3) Technology Development Trend of MRI Equipment
 - 4) Prospect Forecast of MRI Equipment Market
- (16) Prospect Forecast of Color Doppler Ultrasound Equipment Market
 - 1) Application Overview of Color Doppler Ultrasound Equipment
 - 2) Scale of Color Doppler Ultrasound Equipment Market
 - 3) Competitive Structure of Color Doppler Ultrasound Equipment Market
 - 4) Imports and Exports of Color Doppler Ultrasound Equipment

5) Prospect Forecast of Color Doppler Ultrasound Equipment Market

1.8 Regional Markets' Prospect Forecast of China Medical Device Industry

1.8.1 Overall Regional Characteristics of Medical Device Industry

- (1) Overall Regional Characteristics of the Industry
- (2) Regional Density of the Industry
- (3) Regional Distribution of the Industry Scale
- (4) Regional Distribution of the Efficiency Indexes

1.8.2 Development Prospect Forecast of Medical Device Industry in Jiangsu

- (1) Status Changing of Jiangsu Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Jiangsu
- (3) Medical Device Corporations in Jiangsu
- (4) Brand Structure of Medical Device Industry in Jiangsu
- (5) Market Prospect Forecast of Medical Device Industry in Jiangsu

1.8.3 Development Prospect Forecast of Medical Device Industry in Guangdong

- (1) Status Changing of Guangdong Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Guangdong
- (3) Medical Device Corporations in Guangdong
- (4) Brand Structure of Medical Device Industry in Guangdong
- (5) Market Prospect Forecast of Medical Device Industry in Guangdong

1.8.4 Development Prospect Forecast of Medical Device Industry in Beijing

- (1) Status Changing of Beijing Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Beijing
- (3) Medical Device Corporations in Beijing
- (4) Brand Structure of Medical Device Industry in Beijing
- (5) Market Prospect Forecast of Medical Device Industry in Beijing

1.8.5 Development Prospect Forecast of Medical Device Industry in Shanghai

- (1) Status Changing of Shanghai Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Shanghai
- (3) Medical Device Corporations in Shanghai
- (4) Brand Structure of Medical Device Industry in Shanghai
- (5) Market Prospect Forecast of Medical Device Industry in Shanghai

1.8.6 Development Prospect Forecast of Medical Device Industry in Shandong

- (1) Status Changing of Shandong Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Shandong
- (3) Medical Device Corporations in Shandong
- (4) Brand Structure of Medical Device Industry in Shandong
- (5) Market Prospect Forecast of Medical Device Industry in Shandong

1.8.7 Development Prospect Forecast of Medical Device Industry in Zhejiang

- (1) Status Changing of Zhejiang Medical Device to the Industry
- (2) Development Status of Medical Device Industry in Zhejiang
- (3) Medical Device Corporations in Zhejiang
- (4) Brand Structure of Medical Device Industry in Zhejiang
- (5) Market Prospect Forecast of Medical Device Industry in Zhejiang

1) Corporations and Investment

1.9 Production and Operation of Major Medical Device Corporations in China

1.9.1 Overall Development of Medical Device Corporations

- (1) Scale Characteristics of Medical Device Corporations
 - 1) Overall Characteristics
 - 2) Assets and Liabilities
 - 3) Sales Scale
- (2) Ownership Characteristics of Medical Device Corporations
 - 1) Overall Characteristics
 - 2) Assets and Liabilities
 - 3) Sales Scale

1.9.2 Cases Study of Leading Medical Device Corporations

- (1) Operation of Shenzhen Mindray Bio-Medical Electronics Co., Ltd.
 - 1) Development Briefing of the Company
 - 2) Overall Operation Status of the Company
 1. Economic Index of the Company

2. Profitability of the Company
3. Operation Capability of the Company
4. Debt-paying Capability of the Company
5. Development Capability of the Company
- 3) Product Structure and New Product Trend of the Company
- 4) Marketing Channels and Network of the Company
- 5) R&D Input and Researching Result of the Company
- 6) Operation Advantages and Disadvantages of the Company
- 7) Latest Development Trend of the Company
- (2) Operation of GE Hangwei Medical Systems Co., Ltd.
 - 1) Development Briefing of the Company
 - 2) Overall Operation Status of the Company
 1. Production and Marketing Capability of the Company
 2. Profitability of the Company
 3. Operation Capability of the Company
 4. Debt-paying Capability of the Company
 5. Development Capability of the Company
 - 3) Product Structure and New Product Trend of the Company
 - 4) Marketing Channels and Network of the Company
 - 5) Operation Advantages and Disadvantages of the Company
- (3) Operation of Shandong Zibo Shanchuan Medical Instrument Co., Ltd.
 - 1) Development Briefing of the Company
 - 2) Overall Operation Status of the Company
 1. Production and Marketing Capability of the Company
 2. Profitability of the Company
 3. Operation Capability of the Company
 4. Debt-paying Capability of the Company
 5. Development Capability of the Company
 - 3) Product Structure and New Product Trend of the Company
 - 4) Marketing Channels and Network of the Company
 - 5) Operation Advantages and Disadvantages of the Company
- (4) Operation of Shandong Weigao Group Medical Polymer Company Limited
 - 1) Development Briefing of the Company
 - 2) Overall Operation Status of the Company
 1. Economic Index of the Company
 2. Profitability of the Company
 3. Operation Capability of the Company
 4. Debt-paying Capability of the Company
 5. Development Capability of the Company
 - 3) Product Structure and New Product Trend of the Company
 - 4) Marketing Channels and Network of the Company
 - 5) R&D Input and Researching Result of the Company
 - 6) Operation Advantages and Disadvantages of the Company
 - 7) Development Strategy Planning of the Company
 - 8) Latest Development Trend of the Company
- (5) Operation of Shinva Medical Instrument Company, Ltd.
 - 1) Development Briefing of the Company
 - 2) Overall Operation Status of the Company
 1. Economic Index of the Company
 2. Profitability of the Company
 3. Operation Capability of the Company
 4. Debt-paying Capability of the Company
