

China Security Industry In-depth Research and Investment Strategy Report, 2013–2017

目 录

CONTENTS

Chapter 1: Development Overview of China Security Industry

1.1 Concept of Security Industry

- 1.1.1 Definition of Security Industry
- 1.1.2 Major Product Category of the Industry
- 1.1.3 Life Cycle of the Industry

1.2 Supply Chain of Security Industry

- 1.2.1 Industrial Chain Structure of Security Industry
- 1.2.2 Influence of Downstream Industry
- 1.2.3 Influence of Upstream Industry
- 1.2.4 Development of Industrial Chain Links
 - (1) Development Status and Trend of Audio and Video Algorithm Suppliers
 - (2) Development Status and Trend of Chip Manufacturers
 - (3) Development Status and Trend of Software Manufacturers
 - (4) Development Status and Trend of Hardware Equipment Manufacturers
 - (5) Development Status and Trend of System Integration Suppliers
 - (6) Development Status and Trend of Operators

1.3 Policy Environment of Security Industry

- 1.3.1 Standards and Certifications of Security Industry
- 1.3.2 Relevant Laws and Regulations of Security Industry
- 1.3.3 “Twelfth Five Years” Development Plan of Security Industry

1.4 Economic Environment of Security Industry

- 1.4.1 Analysis of International Macro Economic Operation
- 1.4.2 Analysis of Domestic Macro Economic Operation
 - (1) Analysis of Domestic GDP Growth
 - (2) Analysis of Industrial Economic Growth
 - (3) Analysis of Agricultural Economic Growth
 - (4) Fixed Investment
 - (5) Total Retailing Amount of Social Consumer Goods
 - (6) Total Import and Export Amount and Growth
 - (7) Purchasing Manager Index of Manufacturing Industry
 - (8) Commercial Activity Index of Non-manufacturing Industry
- 1.4.3 Influence of Economy at Home and Abroad to the Industry
- 1.4.4 Prospects Forecast of Domestic Macro Economy

Chapter 2: Development Experience of International Security Industry

2.1 Overall Development Status of International Security Industry

- 2.1.1 Development Scale of International Security Industry
- 2.1.2 Market Structure of International Security Industry
- 2.1.3 Competitive Landscape of International Security Industry
- 2.1.4 Market Capacity of International Security Industry

2.2 Development Experience of Major Oversea Security Markets

- 2.2.1 Development Experience of European Security Industry
- 2.2.2 Development Experience of American Security Industry
- 2.2.3 Development Experience of Japanese Security Industry
- 2.2.4 Development Experience of Korean Security Industry

2.3 Operational Status of International Security Enterprises

- 2.3.1 Honeywell Security
- 2.3.2 Bosch
- 2.3.3 Tyco Security
- 2.3.4 Axis

- 2.3.5 Ingersoll-Rand
- 2.3.6 General Electric

Chapter 3: Overall Development of China Security Industry

3.1 Development Overview of China Security Industry

- 3.1.1 Development Stages of Security Industry
- 3.1.2 Major Development Characteristics of Security Industry
- 3.1.3 Influencing Factors to the Development of Security Industry
 - (1) Driving Factors to the Development of Security Industry
 - (2) Restraining Factors to the Development of Security Industry
- 3.1.4 Commercial Model of Security Industry
 - (1) Commercial Model in the Preliminary Stage
 - (2) Commercial Model in the Vantage Stage
 - (3) Commercial Model in the Advanced Stage
 - (4) Commercial Model Upgrading of Security Industry

3.2 Operational Status of China Security Industry

- 3.2.1 Enterprises' Scale of Security Industry
- 3.2.2 Employees' Scale of Security Industry
- 3.2.3 Market Scale of Security Industry
- 3.2.4 Operational Effectiveness of Security Industry

3.3 Demand Status of China Security Industry

- 3.3.1 Security Demand Status in the First-tier Cities
- 3.3.2 Security Demand Status in the Second and Third-tier Cities
- 3.3.3 Security Demand Status in Rural Market

3.4 Import and Export Market of China Security Industry

- 3.4.1 Overall Imports and Exports of Security Products
- 3.4.2 Export Market of Security Products
 - (1) Overall Export of Security Products
 - (2) Export Structure of Security Products
- 3.4.3 Import Market of Security Market
 - (1) Overall Import of Security Products
 - (2) Import Structure of Security Products

3.5 Marketing Strategy of China Security Industry

- 3.5.1 Marketing Overview of Security Industry
- 3.5.2 Marketing Model and Challenges of Security Industry
- 3.5.3 Marketing Strategy and Trend of Security Industry

3.6 Market Competition of China Security Industry

- 3.6.1 Competitive Landscape of Security Industry
- 3.6.2 Integration Degree of Security Industry
- 3.6.3 Regional Distribution Structure of Security Industry
- 3.6.4 Bargaining Capability of Security Industry
 - (1) Bargaining Capability of Suppliers
 - (2) Bargaining Capability of Customers
- 3.6.5 Potential Threats of Security Industry
 - (1) Threats of New Entrants
 - (2) Threats of Substitutes
- 3.6.6 Investment, Merger and Reconstruction of the Industry
 - (1) Investment, Merger and Reconstruction of Transnational Enterprises in China
 - (2) Investment, Merger and Reconstruction of Local Enterprises
 - (3) Investment, Merger and Reconstruction Trend of the Industry

Chapter 4: Operation of China Security Market Segmentation

4.1 Market Structure of China Security Industry

- 4.1.1 Status of Security Market Structure
- 4.1.2 Changing Trend of Security Market Structure

4.2 Operation of Video Surveillance System Market

- 4.2.1 Operation of Video Surveillance System Market
 - (1) Development Progress of Video Surveillance System Technology
 - (2) Scale of Video Surveillance System Market
 - (3) Structure of Video Surveillance System Market
 - (4) Competitive Landscape of Video Surveillance System Market

- (5) Problems of Video Surveillance System Market
- (6) Trend Forecast of Video Surveillance System Market
- 4.2.2 Network Video Surveillance System Market
 - (1) Development Stages of Network Video Surveillance System
 - (2) Scale of Network Video Surveillance System Market
 - (3) Development Dilemma of Network Video Surveillance System
 - (4) Trend Forecast of Network Video Surveillance System Market
- 4.2.3 Mobile Phone Video Surveillance System Market
 - (1) Realizing Conditions and Functions of Mobile Phone Video Surveillance
 - (2) Scale of Mobile Phone Video Surveillance System Market
 - (3) Problems of Mobile Phone Video Surveillance System Market
 - (4) Trend Forecast of Mobile Phone Video Surveillance System Market
- 4.3 Operation of Access Control System Market**
 - 4.3.1 Analysis of Access Control System Market
 - (1) Development Status of Access Control System Technology
 - (2) Scale of Access Control System Market
 - (3) Structure of Access Control System Market
 - (4) Competitive Landscape of Access Control System Market
 - (5) Trend Forecast of Access Control System Market
 - 4.3.2 Anti-theft Security Door Market
 - (1) Scale of Anti-theft Security Door Market
 - (2) Existing Problems of the Development of Anti-theft Security Door
 - (3) Trend Forecast of Anti-theft Security Door Market
 - 4.3.3 Access Control Equipment Market
 - (1) Scale of Access Control Equipment Market
 - (2) Analysis of Access Control Equipment Manufacturers
 - (3) Trend Forecast of Access Control Equipment Market
- 4.4 Operation of Building Talk-back System Market**
 - 4.4.1 Analysis of Building Talk-back System Market
 - (1) Category of Building Talk-back System Products
 - (2) Characteristics of Building Talk-back System Market
 - (3) Scale of Building Talk-back System Market
 - (4) Competitive Landscape of Building Talk-back System Market
 - (5) Strategy Selection of Building Talk-back System Suppliers
 - (6) Trend Forecast of Building Talk-back System Market
 - 4.4.2 Analysis of Video Intercom System Market
 - (1) Status of Video Intercom System Market
 - (2) Problems of the Development of Video Intercom System
 - (3) Trend Forecast of Video Intercom System Market
- 4.5 Operation of Burglar Alarm System Market**
 - 4.5.1 Analysis of Burglar Alarm System Market
 - (1) Development Status of Burglar Alarm System Technology
 - (2) Scale of Burglar Alarm System Market
 - (3) Structure of Burglar Alarm System Market
 - (4) Marketing Channels of Burglar Alarm System
 - (5) Problems of Burglar Alarm System Market
 - (6) Trend Forecast of Burglar Alarm System Market
 - 4.5.2 Analysis of Intrusion Detector Market
 - (1) Development Status of Intrusion Detector Technology
 - (2) Scale of Intrusion Detector Market
 - (3) Trend Forecast of Intrusion Detector Market
 - 4.5.3 Analysis of Home Burglar Alarm System Market
 - (1) Development Status of Home Burglar Alarm System
 - (2) Scale of Home Burglar Alarm System Market
 - (3) Trend Forecast of Home Burglar Alarm System Market
 - 4.5.4 Analysis of Vehicle Burglar Alarm System Market
 - (1) Relevant Standards of China Vehicle Burglar Alarm System
 - (2) Scale of Vehicle Burglar Alarm System Market
 - (3) Product Structure of Vehicle Burglar Alarm System

- (4) Problems and Counterplan of Vehicle Burglar Alarm System Market
- (5) Trend Forecast of Vehicle Burglar Alarm System Market

4.6 Operation of other Security Product Markets

- 4.6.1 Analysis of Explosion-proof Security Product Market
 - (1) Scale of Explosion-proof Security Product Market
 - (2) Problems and Suggestions of Explosion-proof Security Product Market
 - (3) Trend Forecast of Explosion-proof Security Product Market
- 4.6.2 Analysis of Police Equipment Market
 - (1) Development Status of Police Equipment
 - (2) Demand Status of Police Equipment
 - (3) Prospects of Police Equipment Market

Chapter 5: Operation of China Security Engineering Market

5.1 Development Overview of Security Engineering Market

- 5.1.1 Policy Environment of Security Engineering Market
- 5.1.2 Qualification of Security Engineering
- 5.1.3 Standards of Security Engineering
- 5.1.4 Technology of Security Engineering

5.2 Development Status of Security Engineering Market

- 5.2.1 Output Value of Security Engineering Accounts for more than 50%
- 5.2.2 Abundant Security Engineering Enterprises
- 5.2.3 Sound Momentum of Security Engineering Market
- 5.2.4 Gradually Standardized Management of Security Engineering Market

5.3 Development of Security Engineering Enterprises

- 5.3.1 Regional Distribution of Security Engineering Enterprises
- 5.3.2 Project Cost of Security Engineering Enterprises
- 5.3.3 Qualification Levels of Security Engineering Enterprises
- 5.3.4 Technological Level of Security Engineering Employees
- 5.3.5 Service Provided by Security Engineering Enterprises Need to Change Urgently

5.4 Development Characteristics of Security Engineering Market

- 5.4.1 Fierce Competition of Security Engineering Market
- 5.4.2 Regionality of Security Engineering Market

5.5 Development Trend of Security Engineering Market

- 5.5.1 Accelerated Integration of Security Engineering Market Segmentation and the Industry
- 5.5.2 Accelerated Development of Security Engineering After-sale Market
- 5.5.3 Further Standardized Management of Security Engineering Market

5.6 Problems and Counterplan of Security Engineering Market

- 5.6.1 Supervision Problems of Security Engineering Market
- 5.6.2 Competition Problems of Security Engineering Market
- 5.6.3 Development Problems of Security Engineering Enterprises
- 5.6.4 Solutions to the Problems of Security Engineering Market

Chapter 6: Demand of China Security Products Application Market

6.1 Overall Demand of 2011 Security Products Application Market

- 6.1.1 Demand Characteristics of Security Products Application Market
- 6.1.2 Overall Demand Scale of Security Products Application Market
- 6.1.3 Development Trend of Security Products Application Market

6.2 Security Application Status and Development for Financial System

- 6.2.1 Development Scale of China Financial Institutes
- 6.2.2 Security Application Characteristics for Financial System
- 6.2.3 Security Demand Scale of Financial Institutes
- 6.2.4 Security Demand Trend of Financial Institutes

6.3 Security Application Status and Development for Heritage Institution

- 6.3.1 Development Scale of China Heritage Institution
- 6.3.2 Security Application Characteristics for Heritage Institution
- 6.3.3 Security Demand Scale of Heritage Institution
- 6.3.4 Security Demand Trend of Heritage Institution

6.4 Security Application Status and Development for Public Security System

- 6.4.1 Development Scale of China Public Security System
- 6.4.2 Security Application Characteristics for Public Security System
- 6.4.3 Security Demand Scale of Public Security System

- 6.4.4 Security Demand Trend of Public Security System
- 6.5 Security Application Status and Development for Urban Rail Transport**
 - 6.5.1 Construction Scale of China Urban Rail Transport
 - 6.5.2 Security Application Characteristics for Urban Rail Transport
 - 6.5.3 Security Demand Scale of Urban Rail Transport
 - 6.5.4 Security Demand Trend of Urban Rail Transport
- 6.6 Security Application Status and Development for Medical System**
 - 6.6.1 Development Scale of China Medical Institution
 - 6.6.2 Security Application Characteristics for Medical System
 - 6.6.3 Security Demand Scale of Medical System
 - 6.6.4 Security Demand Trend of Medical System
- 6.7 Security Application Status and Development for Campus**
 - 6.7.1 Development Scale of China Campuses
 - 6.7.2 Security Application Characteristics for Campus
 - 6.7.3 Security Demand Scale of Campus
 - 6.7.4 Security Demand Trend of Campus
- 6.8 Security Application Status and Development for Electric Power System**
 - 6.8.1 Development Scale of Electric Power Industry
 - 6.8.2 Security Application Characteristics for Electric Power System
 - 6.8.3 Security Demand Scale of Electric Power System
 - 6.8.4 Security Demand Trend of Electric Power System
- 6.9 Security Application Status and Development for Community**
 - 6.9.1 Development Scale of China Community
 - 6.9.2 Security Application Characteristics for Community
 - 6.9.3 Security Demand Scale of Community
 - 6.9.4 Security Demand Trend of Community
- 6.10 Status and Development of other New Security Application**
 - 6.10.1 Security Demand of High-speed Railway
 - 6.10.2 Security Demand of Urban Emergency Response and Prevention
 - 6.10.3 Security Demand of Large-scale Activity
 - 6.10.4 Security Demand of Safety Production
