

China Environmental Protection Equipment Industry Production & Marketing Demand and Investment Forecast Report, 2013-2017

目 录

CONTENTS

Chapter 1: Development Overview of China Environmental Protection Equipment Industry

- 1.1 Definition and Classification of Environmental Protection Equipment Industry
 - 1.1.1 Industry Concept and Definition
 - 1.1.2 Major Industry Products
- 1.2 Statistical Standards of Environmental Protection Equipment Industry
 - 1.2.1 Statistical Department and Coverage of Environmental Protection Equipment Industry
 - 1.2.2 Statistical Methods of Environmental Protection Equipment Industry
 - 1.2.3 Data Category of Environmental Protection Equipment Industry
- 1.3 Industrial Chain Analysis of Environmental Protection Equipment Industry
 - 1.3.1 Up/down-stream Industrial Chain Brief of Environmental Protection Equipment Industry
 - 1.3.2 Major Downstream Industries of Environmental Protection Equipment Industry
 - (1) Analysis of Overall Environment Pollution
 - 1) Development Status Analysis of Freshwater Environment
 - 2) Development Status Analysis of Ocean Environment
 - 3) Development Status Analysis of Atmosphere Environment
 - 4) Development Status Analysis of Solid Waste
 - 5) Development Status Analysis of Radiation Environment
 - (2) Development Status Analysis of Environmental Protection Industry
 - 1.3.3 Major Upstream Industry of Environmental Protection Equipment Industry
 - (1) Management Status and Price Trend of Steel Market
 - (2) Management Status and Price Trend of Non-ferrous Metal Market
 - (3) Development Status Analysis of Filter Material Market
 - (4) Development Status Analysis of Electronic Component Market

Chapter 2: Development Status Analysis of China Environmental Protection Equipment Industry

- 2.1 Development Status Analysis of Environmental Protection Equipment Industry
 - 2.1.1 Development Overview of Environmental Protection Equipment Industry
 - 2.1.2 Development Characteristics of Environmental Protection Equipment Industry
 - 2.1.3 Management Condition of Environmental Protection Equipment Industry
 - (1) Annual Management Profits of Environmental Protection Equipment Industry
 - (2) Annual Profitability of Environmental Protection Equipment Industry
 - (3) Annual Operational Capability of Environmental Protection Equipment Industry
 - (4) Annual Debt-paying Capability of Environmental Protection Equipment Industry
 - (5) Annual Development Capability of Environmental Protection Equipment Industry
- 2.2 Economic Index Analysis of Environmental Protection Equipment Industry
 - 2.2.1 Influencing Factors to Industry Economic Benefits
 - 2.2.2 Annual Economic Index of Environmental Protection Equipment Industry
 - 2.2.3 Annual Economic Index of Enterprises in different Scales
 - 2.2.4 Annual Economic Index of Enterprises of different Natures
- 2.3 Balance between Supply and Demand for Environmental Protection Equipment Industry
 - 2.3.1 Annual Supply of National Environmental Protection Equipment Industry
 - (1) Annual Total Output Value of National Environmental Protection Equipment Industry
 - (2) Annual Finished Products of National Environmental Protection Equipment Industry
 - 2.3.2 Annual Supply of Regional Environmental Protection Equipment Industry
 - (1) Top 10 Regions in the aspect of Annual Total Output Value
 - (2) Top 10 Regions in the aspect of Annual Finished Product
 - 2.3.3 Annual Supply Analysis of National Environmental Protection Equipment Industry
 - (1) Annual Sales Value of National Environmental Protection Equipment Industry
 - (2) Annual Sales Revenue of National Environmental Protection Equipment Industry

- 2.3.4 Annual Demand Analysis of Regional Environmental Protection Equipment Industry
 - (1) Top 10 Regions in the aspect of Annual Sales Value
 - (2) Top 10 Regions in the aspect of Annual Sales Revenue
- 2.3.5 Annual Production and Marketing Ratio of National Environmental Protection Equipment Industry

Chapter 3: Relevant Industries' Development of China Environmental Protection Equipment Industry

3.1 Development Status of Sewage Treatment Industry

- 3.1.1 Overview of Sewage Treatment Industry
- 3.1.2 Sale of Sewage Treatment Industry
- 3.1.3 Development Status of Sewage Treatment Industry
- 3.1.4 Balance between Supply and Demand of Sewage Treatment Industry
 - (1) Total Output Value of Sewage Treatment Industry
 - (2) Gross Income of Sewage Treatment Industry
 - (3) Production and Marketing Ratio of Sewage Treatment Industry
- 3.1.5 Financial Operational Condition of Sewage Treatment Industry
 - (1) Operational Benefits of Sewage Treatment Industry
 - (2) Profitability of Sewage Treatment Industry
 - (3) Management Capability of Sewage Treatment Industry
 - (4) Debt-paying Capability of Sewage Treatment Industry
 - (5) Growth Capability of Sewage Treatment Industry
- 3.1.6 Overview of Solid Waste Treatment Industry
 - (1) Classification of Solid Waste
 - (2) Technical Route
 - (3) Industrial Chain of Solid Waste Treatment Industry
- 3.1.7 Development Status of Solid Waste Treatment Industry
- 3.1.8 Development Space of Solid Waste Treatment Industry
- 3.1.9 Enterprise Structure of Solid Waste Treatment Industry
- 3.1.10 Development Analysis of Waste Disposal Industry
 - (1) Basic Information of Waste Disposal Industry
 - (2) Development Status of Waste Disposal Industry
 - (3) Scale of Waste Disposal Industry
 - (4) International Experience of Waste Disposal Industry
 - (5) Development Space of Waste Disposal Industry

3.2 Development Status of Desulfurization and Denitrification Industry

- 3.2.1 Analysis of Air Pollution Control Industrial Chain
- 3.2.2 Development Status of Desulfurization Industry
 - (1) Development Status of Desulfurization Market Segmentation
 - 1) Analysis of Thermal Power Desulfurization Market
 - 2) Desulfurization Progress of Steel Industry
 - (2) Enterprise Structure of Desulfurization Market
 - (3) Management Mode of Desulfurization Industry
 - (4) Distribution Condition of Key Desulfurization Industry
 - (5) Analysis of Desulfurization Technological and Economic Benefits
- 3.2.3 Development Status of Denitrification Industry
 - (1) Overview of Denitrification Industry
 - (2) Development Status of Denitrification Industry
 - (3) Analysis of Denitrification Market Capacity
 - (4) Scale Forecast of Denitrification Industry
 - 1) Market Capacity Forecast of Thermal Power Denitrification on Active Service
 - 2) Market Capacity Forecast of New Thermal Power Denitrification
 - (5) Competitive Landscape of Denitrification Industry
 - (6) Analysis of Denitrification Technological and Economic Benefits

3.3 Development Status of Environmental Service Industry

- 3.3.1 Overview of Environmental Service Industry
 - (1) Environmental Protection Industry and Environmental Service Industry
 - (2) Definition and Classification of Environmental Service Industry
- 3.3.2 Development Characteristics of Environmental Service Industry
- 3.3.3 Limited Factors to the Development of Environmental Service Industry

- 3.3.4 Development Status Analysis of Environmental Service Industry
- 3.3.5 Comparison of Environmental Service Industry at Home and Abroad
- 3.3.6 Development of Major Environmental Service Market
 - (1) Development Status of Energy Saving and Environmental Service Market
 - (2) Development of Environmental Consulting Service Market
 - 1) Connotation and Classification of Environmental Consulting Service Industry
 - 2) Development Overview of Environmental Consulting Service Market
 - 3) Existing Problems of Environmental Consulting Service Market
 - 4) Development Strategy of Environmental Consulting Service Market
 - 5) Development Target and Task of Environmental Consulting Service

Chapter 4: Market Environment Analysis of China Environmental Protection Equipment Industry

4.1 Policy Environment of Environmental Protection Equipment Industry

- 4.1.1 Regulatory System of Environmental Protection Equipment Industry
- 4.1.2 Major Standards of Pollution Emission
- 4.1.3 Relevant Policies of Environmental Protection Equipment Industry
 - (1) Development Planning on Energy Saving and Environmental Protection Industry
 - (2) Content of Current Environmental Protection Equipments with National Supports
 - (3) Adjustment Trend of Environmental Protection Industry
 - (4) Annual Essentials of Industrial Energy Saving and Comprehensive Utilization Released by Ministry of Industry and Information
- 4.1.4 Development Planning of Environmental Protection Equipment Industry
 - (1) Implementation of the “Eleventh Five Years” Plan
 - (2) Emphasis of 2011 Environmental Protection Plan
 - (3) Trend of the “Twelfth Five Years” Environmental Protection Index
 - (4) Special Planning on Energy Saving and Environmental Protection Equipment during the “Twelfth Five Years”

4.2 Economic Environment of Environmental Protection Equipment Industry

- 4.2.1 Analysis of Macro Economic Environment
 - (1) Analysis of Macro Economic Trend
 - (2) Forecast of 2012-2015 Macro Economic Trend
- 4.2.2 Impacts of Macro Economy to Relevant Industries
 - (1) Impacts of Macro Economy to Environmental Protection Industry
 - (2) Impacts of Macro Economy to Environmental Protection Equipment Industry

4.3 Demand Environment Analysis of Environmental Protection Equipment Industry

- 4.3.1 Analysis of Industry Demand Characteristics
- 4.3.2 Analysis of Industry Demand Trend

4.4 Social Environment of Environmental Protection Equipment Industry

- 4.4.1 Coordination of Industry Development and Social Economy
- 4.4.2 Regional Imbalance of Industry Development

Chapter 5: Competitive Landscape of China Environmental Protection Equipment Industry

5.1 Competitive Landscape of International Environmental Protection Equipment Industry

- 5.1.1 Development Status of International Environmental Protection Equipment Industry
- 5.1.2 Competitive Landscape of International Environmental Protection Equipment Industry
- 5.1.3 Development Trend of International Environmental Protection Equipment Industry

5.2 Competitiveness of International Environmental Protection Equipment Enterprises in China

- 5.2.1 Competitiveness of GE Infrastructure Group
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.2.2 Competitiveness of ITT Industry Company
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.2.3 Competitiveness of Veolia Environment Group

- (1) Brief Introduction of Enterprise Development
- (2) Analysis of Enterprise Management
- (3) Enterprise's Major Products and New Product Trend
- (4) Analysis of Enterprise's Market Area and Industry Position
- (5) Investment Distribution in China Market
- 5.2.4 Competitiveness of Hach Company
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.2.5 Competitiveness of Thermo Fisher Scientific Inc.
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.2.6 Competitiveness of Albany Filtration Technologies
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.2.7 Competitiveness of Honeywell UOP
 - (1) Brief Introduction of Enterprise Development
 - (2) Analysis of Enterprise Management
 - (3) Enterprise's Major Products and New Product Trend
 - (4) Analysis of Enterprise's Market Area and Industry Position
 - (5) Investment Distribution in China Market
- 5.3 Competitive Landscape of Domestic Environmental Protection Equipment Industry**
 - 5.3.1 Market Scale of Domestic Environmental Protection Equipment Industry
 - 5.3.2 Concentration Degree of Domestic Environmental Protection Equipment Industry
 - (1) Analysis of Industry Sales Concentration
 - (2) Analysis of Industry Capital Concentration
 - (3) Analysis of Industry Profit Concentration
 - 5.3.3 Bargaining Capability Analysis of Domestic Environmental Protection Equipment Industry
 - 5.3.4 Potential Threat of Domestic Environmental Protection Equipment Industry
 - 5.3.5 Competitive Landscape of Domestic Environmental Protection Equipment Industry
 - (1) Overall Competitive Landscape of Domestic Environmental Protection Equipment Industry
 - (2) Competitive Landscape of Environmental Pollution Treatment Pharmaceutical Material Market
 - (3) Competitive Landscape of Environmental Pollution Prevention Equipment Market
 - (4) Competitive Landscape of Environmental Monitoring Instrument Market

Chapter 6: Market Segmentation of China Environmental Protection Equipment Industry

6.1 Analysis of Environmental Pollution Prevention Equipment Market

- 6.1.1 Overview of Environmental Pollution Prevention Equipment Market
- 6.1.2 Development Characteristics of Environmental Pollution Prevention Equipment Market
- 6.1.3 Management Status of Environmental Pollution Prevention Equipment Market
- 6.1.4 Supply Condition of Environmental Pollution Prevention Equipment Market
 - (1) Analysis of Total Market Output
 - (2) Analysis of Total Industry Output Value
 - (3) Analysis of Manufactured Inventory
- 6.1.5 Demand Condition of Environmental Pollution Prevention Equipment Market
 - (1) Analysis of Market Sales Value
 - (2) Analysis of Market Sales Revenue
 - (3) Analysis of Production and Marketing Ratio
- 6.1.6 Analysis of Environmental Pollution Prevention Equipment Product Market
 - (1) Analysis of Air Pollution Prevention Equipment Market
 - 1) Development Overview of Air Pollution Prevention Equipment Market
 - 2) Supply of Air Pollution Prevention Equipment Market

- 3) Demand of Air Pollution Prevention Equipment Market
 - 4) Analysis of Dusting Equipment Market
 - 5) Analysis of Desulfurization Equipment Market
 - 6) Analysis of Denitration Equipment Market
 - (2) Analysis of Water Pollution Prevention Equipment Market
 - 1) Development Overview of Water Pollution Prevention Equipment Market
 - 2) Supply of Water Pollution Prevention Equipment Market
 - 3) Demand of Water Pollution Prevention Equipment Market
 - (3) Analysis of Solid Waste Treatment Equipment Market
 - 1) Overview of Solid Waste Treatment Equipment Market
 - 2) Supply of Solid Waste Treatment Equipment Market
 - 3) Demand of Solid Waste Treatment Equipment Market
 - (4) Analysis of Noise and Vibration Control Equipment Market
 - 1) Development Overview of Noise and Vibration Control Equipment Market
 - 2) Supply of Noise and Vibration Control Equipment Market
 - 3) Demand of Noise and Vibration Control Equipment Market
- 6.2 Analysis of Environmental Monitoring Instrument Market**
