

China Dry Cell Battery Manufacturing Industry Report (2016–2021), Market Demand and Investment Forecast

目 录

CONTENTS

Chapter 1: Overview of development of China's dry cell manufacturing industry

1.1 definition and classification of dry cell manufacturing industry

- 1.1.1 concept and definition of the industry
- 1.1.2 classification of major products of the industry

1.2 statistical standard of dry cell manufacturing industry

- 1.2.1 statistical offices and statistical method of dry cell manufacturing industry
- 1.2.2 statistical method of dry cell manufacturing industry
- 1.2.3 data type of dry cell manufacturing industry

1.3 analysis of industry chain of dry cell manufacturing industry

- 1.3.1 introduction of industry chain of dry cell manufacturing industry
- 1.3.2 analysis of main upstream industry chain of dry cell manufacturing industry
 - (1) analysis of operation and price of non-ferrous metal industry
 - (2) analysis of operation and price of manganese dioxide market
- 1.3.3 analysis of downstream industry chain of dry cell manufacturing industry
 - (1) analysis of development of household appliances industry
 - (2) analysis of development of camera industry
 - (3) analysis of development of watch and clock industry
 - (4) analysis of development of toy industry

Chapter 2: Analysis of development of China's dry cell manufacturing industry

2.1 analysis of development of China's dry cell manufacturing industry

- 2.1.1 analysis of operational efficiency of dry cell manufacturing industry in 2012年以来
- 2.1.2 analysis of profitability capability of dry cell manufacturing industry in 2012年以来
- 2.1.3 analysis of operation capability of dry cell manufacturing industry in 2012年以来
- 2.1.4 analysis of solvency capability of dry cell manufacturing industry in 2012年以来
- 2.1.5 analysis of development capability of dry cell manufacturing industry in 2012年以来

2.2 analysis of economic indicators of dry cell manufacturing industry in 2012年以来

- 2.2.1 analysis of economic indicators of dry cell manufacturing industry in 2012年以来
- 2.2.2 analysis of economic indicators of enterprises of different scale in 2012年以来
- 2.2.3 analysis of economic indicators of enterprises of different nature in 2012年以来

2.3 analysis of supply and demand balance of dry cell manufacturing industry in 2012年以来

- 2.3.1 analysis of supply of the national dry cell manufacturing industry in 2012年以来
 - (1) analysis of total output of the national dry cell manufacturing industry in 2012年以来
 - (2) analysis of finished products of the national dry cell manufacturing industry in 2012年以来
- 2.3.2 analysis of demand of the national dry cell manufacturing industry in 2012年以来
 - (1) analysis of sales value of the national dry cell manufacturing industry in 2012年以来
 - (2) analysis of sales revenue of the national dry cell manufacturing industry in 2012年以来
- 2.3.3 analysis of sales-output ratio of the national dry cell manufacturing industry in 2012年以来

Chapter 3: Analysis of market environment of dry cell manufacturing industry

3.1 analysis of policy environment of the industry

- 3.1.1 related policy trend of the industry
- 3.1.2 development planning of dry cell manufacturing industry
 - (1) "twelfth-five year" plan of battery industry
 - (2) "twelfth-five year" plan of heavy metal pollution prevention and treatment

3.2 analysis of economic environment of the industry

- 3.2.1 analysis of the international macro economic environment
- 3.2.2 analysis of the domestic macro economic environment

3.3 analysis of trade environment of the industry

- 3.3.1 status quo of development of trade environment of the industry
 - (1) analysis of the international trade environment

(2) analysis of trade environment of dry cell industry

3.3.2 development trends of trade environment of the industry

Chapter 4: Analysis of market competition of dry cell manufacturing industry

4.1 analysis of competition of the international market of the industry

4.1.1 development of the international dry cell manufacturing market

4.1.2 analysis of competition of the international dry cell manufacturing market

4.1.3 analysis of development trends of the international dry cell manufacturing market

4.1.4 investment layout of multinational companies in China's market

(1) DURACELL

(2) Panasonic

4.2 analysis of competition of the domestic market of the industry

4.2.1 market scale and competitive landscape of domestic dry cell manufacturing industry

4.2.2 forecast of market capacity of domestic dry cell manufacturing industry

4.3 analysis of characteristics of different economic types of enterprises of the industry

4.3.1 characteristics of different economic types of enterprises

4.3.2 analysis of economic-type concentration of the industry

Chapter 5: Analysis of main product markets of dry cell manufacturing industry

5.1 structural characteristics of main products of the industry

5.1.1 analysis of major product markets of the industry

(1) analysis of Alkaline battery market

(2) analysis of Alkaline battery market

5.2 main sales channels and strategies of the industry

5.2.1 main problems existing in sales channels of the industry

5.2.2 development trends of sales channels of the industry

Chapter 6: Analysis of markets of China's dry cell manufacturing industry in key regions

6.1 analysis of overall characteristics of regional structure of the industry

6.1.1 overall characteristics of regional structure of the industry

6.1.2 analysis of regional concentration of the industry

6.1.3 analysis of characteristics of regional distribution of the industry

6.1.4 analysis of regional distribution of scale indicators of the industry

6.1.5 analysis of regional distribution of performance indicators of the industry

6.1.6 analysis of regional distribution of enterprise quantity of the industry

6.2 analysis and forecast of development of dry cell manufacturing industry in Guangdong

6.2.1 status change of Guangdong's dry cell manufacturing industry in the industry

6.2.2 analysis of economic operation of Guangdong's dry cell manufacturing industry

6.2.3 forecast of development trends of dry cell manufacturing industry in Guangdong

6.3 analysis and forecast of development of dry cell manufacturing industry in Zhejiang

6.3.1 status change of Zhejiang's dry cell manufacturing industry in the industry

6.3.2 analysis of economic operation of Zhejiang's dry cell manufacturing industry

6.3.3 forecast of development trends of dry cell manufacturing industry in Zhejiang

6.4 analysis and forecast of development of dry cell manufacturing industry in Shanghai

6.4.1 status change of Shanghai's dry cell manufacturing industry in the industry

6.4.2 analysis of economic operation of Shanghai's dry cell manufacturing industry

6.4.3 forecast of development trends of dry cell manufacturing industry in Shanghai

6.5 analysis and forecast of development of dry cell manufacturing industry in Jiangsu

6.5.1 status change of Jiangsu's dry cell manufacturing industry in the industry

6.5.2 analysis of economic operation of Jiangsu's dry cell manufacturing industry

6.5.3 forecast of development trends of dry cell manufacturing industry in Jiangsu

6.6 analysis and forecast of development of dry cell manufacturing industry in Fujian

6.6.1 status change of Fujian's dry cell manufacturing industry in the industry

6.6.2 analysis of economic operation of Fujian's dry cell manufacturing industry

6.6.3 forecast of development trends of dry cell manufacturing industry in Fujian

6.7 analysis and forecast of development of dry cell manufacturing industry in Shandong

6.7.1 status change of Shandong's dry cell manufacturing industry in the industry

6.7.2 analysis of economic operation of Shandong's dry cell manufacturing industry

6.7.3 forecast of development trends of dry cell manufacturing industry in Shandong

6.8 analysis and forecast of development of dry cell manufacturing industry in Henan

6.8.1 status change of Henan's dry cell manufacturing industry in the industry

6.8.2 analysis of economic operation of Henan's dry cell manufacturing industry

6.8.3 forecast of development trends of dry cell manufacturing industry in Henan

Chapter 7: Analysis of import and export markets of dry cell manufacturing industry in 2012年以来

7.1 summary of import and export of dry cell manufacturing industry

7.2 analysis of export market of dry cell manufacturing industry

7.2.1 analysis of export of the industry in.....2012

(1) overall situation of export of the industry

(2) structure of export product of the industry

7.2.2 analysis of export of the industry in.....2012

(1) overall situation of export of the industry

(2) structure of export product of the industry

7.3 analysis of import market of dry cell manufacturing industry

7.3.1 analysis of import of the industry in.....2013

(1) overall situation of import of the industry

(2) structure of import product of the industry

7.3.2 analysis of import of the industry in.....2013

(1) overall situation of import of the industry

(2) structure of import product of the industry

7.4 forecast of import and export of dry cell manufacturing industry and advice

7.4.1 forecast of export of dry cell manufacturing industry and advice

7.4.2 forecast of import of dry cell manufacturing industry and advice

Chapter 8: Status quo of production and operation of major enterprises of dry cell manufacturing industry

8.1 analysis of the overall development of dry cell manufacturing enterprises

8.1.1 sales revenue

8.1.2 industrial output

8.1.3 profit

8.2 case study of leading enterprises of dry cell manufacturing industry

8.2.1 Fujian Nanping Nanfu Battery Co., Ltd.

(1) brief introduction of the company's development

(2) analysis of the company's main business and products

(3) analysis of the company's sales channels and network

(4) analysis of the company's operation

(5) analysis of advantages and disadvantages of the company

8.2.2 Guangzhou 555 Battery Group Co., Ltd.

(1) brief introduction of the company's development

(2) analysis of the company's main business and products

(3) analysis of the company's sales channels and network

(4) analysis of the company's operation

(5) analysis of advantages and disadvantages of the company

(6) analysis of the company's latest development trend

8.2.3 Sonluck (Ningbo) Battery Co., Ltd.

(1) brief introduction of the company's development

(2) analysis of the company's main business and products

(3) analysis of the company's sales channels and network

(4) analysis of the company's operation

(5) analysis of advantages and disadvantages of the company

8.2.4 Duracell (China) Co., Ltd.

(1) brief introduction of the company's development

(2) analysis of the company's main business and products

(3) analysis of the company's sales channels and network

(4) analysis of the company's operation

(5) analysis of advantages and disadvantages of the company

8.2.5 Linyi Huatai Battery Co., Ltd.

(1) brief introduction of the company's development

(2) analysis of the company's main business and products

(3) analysis of the company's sales channels and network

(4) analysis of the company's operation

(5) analysis of advantages and disadvantages of the company

- 8.2.6 Dongguan Hi-watt Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.7 Xiamen 3circle Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of the company's latest development trend
- 8.2.8 Energizer (China) Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.9 Zhejiang Yonggao Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.10 Dongshan Battery Industry (China) Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.11 Shanghai White Elephant Swan Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of the company's latest development trend
- 8.2.12 Chungpak (Guangdong) Battery Industrial Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.13 Zhejiang Mustang Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.14 Guangdong Zhenglong Corporation
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.15 Ningbo Guanghua Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products

- (3) analysis of the company's sales channels and network
- (4) analysis of the company's operation
- (5) analysis of advantages and disadvantages of the company
- 8.2.16 Chongqing Battery Plant
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.17 Sichuan Changhong New Energy Technology Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of the company's latest development trend
- 8.2.18 Shanghai Matsushita Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.19 Changzhou Dali Battery Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 8.2.20 Jinshan Denka (Huizhou) Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company

Chapter 9: Analysis and forecast of development trends of dry cell manufacturing industry

9.1 development trends of China's dry cell market

- 9.1.1 analysis of development trends of China's dry cell industry
- 9.1.2 prediction of development prospects of China's dry cell market

9.2 analysis of characteristics of investment of dry cell manufacturing industry

- 9.2.1 analysis of entry barriers of dry cell manufacturing industry
- 9.2.2 analysis of profit factor of dry cell manufacturing industry

9.3 investment advice of China's dry cell manufacturing industry

- 9.3.1 analysis of risks of investment of dry cell manufacturing industry
- 9.3.2 Qianzhan's investment advice for dry cell manufacturing industry
