China Dental Medical Industry Market Forward and Investment Strategy Report, 2013-2017

目 录

CONTENTS

Chapter 1: Development Overview of China Dental Medical Industry
1.1 Concept of Dental Medical Industry
1.1.1 Definition of Dental Medical Industry
1.1.2 Category of Dental Medical Industry
1.1.3 Characteristics of Dental Medical Industry
1.2 Status of Dental Medical Industry
1.2.1 Status of Dental Medical Service in Medical Service Industry
1.2.2 Status of Dental Medical Service in Medical Device Industry
1.3 Policy Environment of Dental Medical Industry
1.3.1 Management and System of the Industry
1.3.2 Relevant Standards of the Industry
1.3.3 Development Policy of the Industry
1.4 Economic Environment of Dental Medical Industry
1.4.1 Macro-economic Status in China
1.4.2 Influence of Macro Economic to the Industry
1.5 Demanding Environment of Dental Medical Industry
1.5.1 Prevalence Rate and Population Structure of Oral Disease in China
1.5.2 Changing and Development of Oral Patients in China Hospitals
(1) Number of Discharged Patients
(2) Cured Situation
(3) Averaged Medical Fee
1.5.3 Disease Structure of Oral Patients in Different Ages in China
(1) Age Structure
(2) Gender Distribution
Chapter 2: Development Status of China Dental Medical Industry
2.1 Development Overview of Dental Medical Industry
2.1.1 Development Progress of China Dental Medical Industry
2.1.2 Development Status of China Dental Medical Market
(1) Consumption Status of Dental Medical
(2) Marketization Degree of Dental Medical Industry
(3) Efficiency of Dental Medical Service
(4) Dentists and the Education Status of Dentists
2.2 Analysis of Dental Medical Insurance Market
2.2.1 Concept of Dental Medical Insurance
2.2.2 Experiences of International Dental Medical Insurance
(1) Experience of Dental Medical Insurance in Japan
(2) Experience of Dental Medical Insurance in Netherland
(3) Experience of Dental Medical Insurance in America
2.2.3 Demand of China Dental Medical Insurance Market
2.2.4 Status of China Dental Medical Insurance Market
2.2.5 Development Suggestions of China Dental Medical Insurance Market
2.3 Analysis of Private Dental Medical Service Market
2.3.1 Development Status of Private Dental Medical Institution
(1) Development Progress of Private Dental Medical Institution
(2) Quantity Statistics of Private Dental Medical Institution
(3) Market Status of Private Dental Medical Institution
2.3.2 Objective Structure of Private Dental Medical Service Market
2.3.3 Competition Model of Private Dental Medical Service Market
2.3.4 Competition Advantages and Disadvantages of Private Dental Medical Service Market

2.3.5 Development Opportunities of Private Dental Medical Service Market
2.4 Analysis of Professional Dentist Education and Training Market
2.4.1 Status of Professional Dentist Education and Training Market
2.4.2 Analysis of Professional Dentist Education and Training Institutions
2.4.3 Capacity of Professional Dentist Education and Training Market
2.4.4 Trend of Professional Dentist Education and Training Market
Chapter 3: Competitive Structure of Dental Medical Industry
3.1 Development of International Dental Medical Industry
3.1.1 Overall Development of International Dental Medical Industry
3.1.2 Development of Dental Medical Industry in Major Countries and Regions
(1) Development of Dental Medical Industry in America
(2) Development of Dental Medical Industry in Germany
(3) Development of Dental Medical Industry in Switzerland
(4) Development of Dental Medical Industry in Japan
(5) Development of Dental Medical Industry in Taiwan China
3.1.3 Development Trend of International Dental Medical Industry
3.2 Operation Status of Transnational Dental Medical Corporations
3.2.1 Operation Status of KaVo Sybron
(1) Development Briefing of the Company
(2) Operation Status of the Company
(3) Market Status of the Company
(4) Investment Distribution of the Company in China
3.2.2 Operation Status of Heraeus-Kulzer Corporation
(1) Development Briefing of the Company
(2) Operation Status of the Company
(3) Market Status of the Company
(4) Investment Distribution of the Company in China
3.2.3 Operation Status of Septodont
(1) Development Briefing of the Company
(2) Operation Status of the Company
(3) Market Status of the Company
(4) Investment Distribution of the Company in China
3.2.4 Operation Status of Coltène/Whaledent
(1) Development Briefing of the Company
(2) Operation Status of the Company
(3) Market Status of the Company
(4) Investment Distribution of the Company in China
3.3 Competition of China Dental Medical Industry
3.3.1 Competitive Structure of Dental Medical Industry
(1) Competitive Structure of Dental Medical Service
(2) Competitive Structure of Dental Medical Device
(3) Competitive Structure of Oral Medicine Market
3.3.2 Concentration Ratio of Dental Medical Industry
(1) Concentration Ratio of Dental Medical Service
(2) Concentration Ratio of Dental Medical Device
(3) Concentration Ratio of Oral Medicine Market
Chapter 4: Analysis of China Dental Medical Industry
4.1 Overview of Dental Medical Service Models
4.1.1 Categories of Dental Medical Service Models
4.1.2 Characteristics of Dental Medical Service Models
4.1.3 Development Trend of Dental Medical Service Models
4.2 Operation of Stomatological Hospital
4.2.1 Supply of Stomatological Hospital
(1) Quantity Statistics of Stomatological Hospitals
(2) Distribution Statistics of Stomatological Hospitals
1) Statistics by Urban and Rural Distribution
2) Statistics by Economic Type Distribution
3) Statistics by Organizers Distribution
(3) Statistics of Beds to Stomatological Hospital

1) Growth of Beds to Stomatological Hospital
2) Beds of Stomatological Hospital by Urban and Rural Distribution
3) Beds of Stomatological Hospital by Economic Type Distribution
4) Beds of Stomatological Hospital by Organizers Distribution
5) Beds of Stomatological Hospital by Management Types
(4) Statistics of Medical Workers in Stomatological Hospitals
1) Growth of Medical Workers in Stomatological Hospitals
2) Proportion of Medical Workers in Stomatological Hospitals
(5) Statistics of Equipment Amount for Stomatological Hospitals
1) Value and Amount of the Equipment for Stomatological Hospitals
2) Composition and Amount of Various Equipment for Stomatological Hospitals
(6) Statistics of Occupation Area for Stomatological Hospitals
1) Growth of Occupation Area for Stomatological Hospitals
2) Composition of Occupation Area for Stomatological Hospitals
3) Occupation Area of Public Stomatological Hospitals
4.2.2 Analysis of Stomatological Hospital Service
(1) Outpatient Service of Stomatological Hospital Industry
1) Statistics of Patient Amount in Stomatological Hospital
2) Status of Outpatient Service for Stomatological Hospital
(2) Hospitalized Service of Stomatological Hospital Industry
1) Statistics of Inpatient Amount in Stomatological Hospital
2) Status of Hospitalized Service for Stomatological Hospital
(3) Bed Utilization of Stomatological Hospital Industry
(4) Service Quality and Efficiency of Stomatological Hospital Industry
4.2.3 Operation of Stomatological Hospital
(1) Assets and Liabilities Size of Stomatological Hospital
(2) Income Scale of Stomatological Hospital
1) Income Growth of Stomatological Hospital
2) Income Scale of Financial Aid for Stomatological Hospital
3) Income Scale of Grant from Higher Authority for Stomatological Hospital
4) Business Income Growth of Stomatological Hospital
(3) Expense Scale of Stomatological Hospital
1) Expense Growth of Stomatological Hospital
2) Business Expense Growth of Stomatological Hospital
3) Financial Project Expense of Stomatological Hospital
4) Staff Expense Growth of Stomatological Hospital
(4) Gross Profit of Stomatological Hospital
(5) Operation Efficiency of Stomatological Hospital
1) Profitability of Stomatological Hospital
2) Operation Capability of Stomatological Hospital
3) Debt-paying Capability of Stomatological Hospital
4) Development Capability of Stomatological Hospital
4.2.4 Development Prospect of Stomatological Hospital
(1) Development Trend of Stomatological Hospital
(2) Development Prospect of Stomatological Hospital
4.3 Analysis of Dental Chain Operation
4.3.1 Development Status of Dental Chain Model
4.3.2 Competitive Structure of Dental Chain Market
4.3.3 Advantages of Dental Chain Model
4.3.4 Chain-operation Trend of Dental Clinics
(1) Chain-operation Trend of Dental Clinics
(2) Operation of Chain Dental Clinic
4.3.5 Development Prospect of Dental Chain Model
4.4 Analysis of Private Dental Clinic
4.4.1 Market Positioning of Private Dental Clinic
4.4.2 Operation Model of Private Dental Clinic
4.4.3 Development Trend of Private Dental Clinic
Chapter 5: Analysis of China Dental Medical Device Industry
5.1 Development Overview of Dental Medical Device Industry

5.1.1 Development Status of Dental Medical Device Industry
5.1.2 Development Characteristics of Dental Medical Device Industry
5.1.3 Scale of Dental Medical Device Industry
5.2 Supply of Dental Medical Device Industry
5.2.1 Supply of Dental Medical Device Industry
(1) Total Industrial Output Value
1) Growth of Total Industrial Output Value
2) Regional Distribution of Total Industrial Output Value
(2) Analysis of Finished Products
1) Growth of Finished Products
2) Regional Distribution of Finished Products
5.2.2 Demand of Dental Medical Device Industry
(1) Analysis of Sales Output Value
1) Growth of Sales Output Value
2) Regional Distribution of Sales Output Value
(2) Analysis of Sales Revenue
1) Growth of Sales Revenue
2) Regional Distribution of Sales Revenue
5.2.3 Balance between Supply and Demand of Dental Medical Device Industry
5.3 Import and Export of Dental Medical Device Industry
5.3.1 Importing Status of Dental Medical Device Industry
(1) Statistics of Importing Amount of the Industry
(2) Distribution of Importing Sources of the Industry
(3) Trading Ways of the Industry Imports
(4) Distribution of Importing Corporation of the Industry
(5) Distribution of Importing Provinces of the Industry
