

Agriculture Industrialization and Agricultural Product Processing Market Research and Investment Forecast Report

目 录

CONTENTS

Chapter 1: Development Overview of China Agricultural Industrialization and Agricultural Product Processing Industry

1.1 Research Background and Methods

- 1.1.1 Research Background and Significance
- 1.1.2 Introduction to Research Methods

1.2 Definition of Agricultural Industrialization and Agricultural Product Processing Industry

- 1.2.1 Definition of Agricultural Industrialization and Agricultural Product Processing Industry
- 1.2.2 Classification of Agricultural Industrialization and Agricultural Product Processing

Industry

- 1.2.3 Analysis of Agriculture Industry's Position in National Economy

1.3 Analysis of Economic Environment

- 1.3.1 Analysis of Operation of Macro-economy
- 1.3.2 Analysis of International Trading Environment

1.4 Policy Environment for Agricultural Industrialization and Agricultural Product Processing

Industry

- 1.4.1 Legal Construction for Agriculture Industry
- 1.4.2 Policy and Guarantee for Agriculture Industry
- 1.4.3 Quality and Safety Management of Agricultural Products
- 1.4.4 Explanation of No.1 Central Document
- 1.4.5 "Twelfth Five-year" Development Plan for Agriculture Industry
- 1.4.6 Promotion Plan for Agricultural Industrialization and Agricultural Product Processing

1.5 Consumption Environment for Agricultural Industrialization and Agricultural Product Processing

Industry

- 1.5.1 Analysis of Per Capital GDP Growth
- 1.5.2 Analysis of Resident's Income Level
- 1.5.3 Analysis of Resident's Consumption Structure
- 1.5.4 Analysis of Resident's Consumption Tendency
- 1.5.5 Analysis of Consumption Environment's Impact on Industry

1.6 Analysis of Technological Environment for Agricultural Product Processing

- 1.6.1 Classification of Agricultural Product Processing Methods
- 1.6.2 Agricultural Product Processing and Comprehensive Utilization Technology
- 1.6.3 Agricultural Product Processing and Development of Relevant Technologies

Chapter 2: Lessons Learned from the Development of International Agricultural Industrialization and Agricultural Product Processing Industry

2.1 Lessons Learned from the Development of US Agriculture Industry

- 2.1.1 Analysis of Development Size of US Agriculture Industry
- 2.1.2 Analysis of Production Efficiency of US Agriculture Industry
- 2.1.3 Enlightenment of US Agricultural Industrialization System on China

2.2 Lessons Learned from the Development of Japan Agriculture Industry

- 2.2.1 Analysis of Development Size of Japan Agriculture Industry
- 2.2.2 Analysis of Production Efficiency of Japan Agriculture Industry
- 2.2.3 Enlightenment of Japan Agricultural Industrialization System on China

2.3 Lessons Learned from the Development of Netherlands Agriculture Industry

- 2.3.1 Analysis of Development Size of Netherlands Agriculture Industry
- 2.3.2 Analysis of Production Efficiency of Netherlands Agriculture Industry
- 2.3.3 Enlightenment of Netherlands Agricultural Industrialization System on China

Chapter 3: Analysis of Development of Agricultural Industrialization and Agricultural Product Processing Industry in China

3.1 Development and Operation Situation of Agriculture Industry

- 3.1.1 Analysis of Infrastructure Construction for Agriculture Industry
- 3.1.2 Analysis of Development of Agricultural Mechanization
- 3.1.3 Analysis of Agricultural Production Situation
- 3.1.4 Analysis of Agricultural Operation Situation

3.2 Development Situation of Agricultural Industrialization

- 3.2.1 Development Situation of Agricultural Industrialization
- 3.2.2 Implementation Effects of Agricultural Industrialization Projects
- 3.2.3 Supporting System for Agricultural Industrialization

3.3 Development Situation of Agricultural Product Processing

- 3.3.1 Development Situation of Agricultural Product Processing
- 3.3.2 Domestic Consumption of Agricultural Product
- 3.3.3 Analysis of Export Situation of Agricultural Product

3.4 Analysis of Opportunity for the Development of Agriculture Industry

- 3.4.1 Analysis of Factors to Drive the Development of Agriculture Industry
- 3.4.2 Analysis of Opportunity for Agricultural Industrialization
- 3.4.3 Analysis of Opportunity for Agricultural Product Processing

Chapter 4: Analysis of Development Situation of Agricultural Industrialization in China

4.1 Analysis of Agriculture Industrial Chain

- 4.1.1 Introduction of Agriculture Industrial Chain
- 4.1.2 Analysis of Dilemmas for Agriculture Industrial Chain
- 4.1.3 Analysis of Integration Model for Agriculture Industrial Chain

4.2 Analysis of Organization Model for Agricultural Industrialization

- 4.2.1 Organization Model Structure for Agricultural Industrialization
- 4.2.2 Contract Organization Model
- 4.2.3 Agricultural Cooperatives
- 4.2.4 Enterprise Organization Model

4.3 Analysis of Industrialization of Upstream Parts in Agricultural Industrial Chain

- 4.3.1 Agricultural R&D Institution
- 4.3.2 Seed Industry
- 4.3.3 Livestock and Poultry Breeding

4.4 Analysis of Mid-stream Parts in Agricultural Industrial Chain

- 4.4.1 Analysis of Industrialization of Planting Industry
- 4.4.2 Analysis of Industrialization of Livestock Industry
- 4.4.3 Analysis of Industrialization of Aquaculture Industry
- 4.4.4 Analysis of Industrialization of Feed and Veterinary Drug Industry

4.5 Analysis of Downstream Parts in Agricultural Industrial Chain

- 4.5.1 Development Size and Operation Situation of Catering Service
- 4.5.2 Development Size and Operation Situation of Drinks and Beverage
- 4.5.3 Development Size and Operation Situation of Wood and Paper Making
- 4.5.4 Development Size and Operation Situation of Cloth and Textile
- 4.5.5 Development Size and Operation Situation of Biomedical
- 4.5.6 Development Size and Operation Situation of Food Manufacturing

4.6 Analysis of Development Trend for Agricultural Product Industrialization

- 4.6.1 Strategic Focus for Agricultural Product Industrialization
- 4.6.2 Strategic Solutions for Agricultural Product Industrialization

Chapter 5: Analysis of Development Situation of China Agricultural Product Industrialization

5.1 Development Background of Agricultural Product Industrialization

- 5.1.1 International Background of Agricultural Product Industrialization
- 5.1.2 Domestic Background of Agricultural Product Industrialization

5.2 Analysis of Development of Food Processing Industry

- 5.2.1 Development Size of Food Processing Industry
- 5.2.2 Competition Situation of Food Processing Industry
- 5.2.3 Analysis of Food Processing Industrialization
- 5.2.4 Analysis of Consumption of Food Processing Product

5.3 Analysis of Development of Oil Processing Industry

- 5.3.1 Development Size of Oil Processing Industry
- 5.3.2 Competition Situation of Oil Processing Industry
- 5.3.3 Analysis of Oil Processing Industrialization

- 5.3.4 Analysis of Consumption of Oil Processing Product
- 5.4 Analysis of Development of Fruit Processing Industry**
 - 5.4.1 Development Size of Fruit Processing Industry
 - 5.4.2 Competition Situation of Fruit Processing Industry
 - 5.4.3 Analysis of Fruit Processing Industrialization
 - 5.4.4 Analysis of Consumption of Fruit Processing Product
- 5.5 Analysis of Development of Vegetable Processing Industry**
 - 5.5.1 Development Size of Vegetable Processing Industry
 - 5.5.2 Competition Situation of Vegetable Processing Industry
 - 5.5.3 Analysis of Vegetable Processing Industrialization
 - 5.5.4 Analysis of Consumption of Vegetable Processing Product
- 5.6 Analysis of Development of Meat Product Processing Industry**
 - 5.6.1 Development Size of Meat Product Processing Industry
 - 5.6.2 Competition Situation of Meat Product Processing Industry
 - 5.6.3 Analysis of Meat Product Processing Industrialization
 - 5.6.4 Analysis of Consumption of Meat Product Processing Product
- 5.7 Analysis of Development of Dairy Product Processing Industry**
 - 5.7.1 Development Size of Dairy Product Processing Industry
 - 5.7.2 Competition Situation of Dairy Product Processing Industry
 - 5.7.3 Analysis of Dairy Product Processing Industrialization
 - 5.7.4 Analysis of Consumption of Dairy Product Processing Product
- 5.8 Analysis of Development of Sea Food Processing Industry**
 - 5.8.1 Development Size of Sea Food Processing Industry
 - 5.8.2 Competition Situation of Sea Food Processing Industry
 - 5.8.3 Analysis of Sea Food Processing Industrialization
 - 5.8.4 Analysis of Consumption of Sea Food Processing Product
- 5.9 Analysis of Development of Tobacco Processing Industry**
 - 5.9.1 Development Size of Tobacco Processing Industry
 - 5.9.2 Competition Situation of Tobacco Processing Industry
 - 5.9.3 Analysis of Tobacco Processing Industrialization
 - 5.9.4 Analysis of Consumption of Tobacco Processing Product
- 5.10 Analysis of Development of Tea Processing Industry**
 - 5.10.1 Development Size of Tea Processing Industry
 - 5.10.2 Competition Situation of Tea Processing Industry
 - 5.10.3 Analysis of Tea Processing Industrialization
 - 5.10.4 Analysis of Consumption of Tea Processing Product
- 5.11 Analysis of Prospects for Agricultural Product Processing Industry**
 - 5.11.1 Analysis of Market Capacity of Agricultural Product Processing Industry
 - 5.11.2 Market Size Forecast for Agricultural Product Processing Industry
