

# Optical Transmission Equipment Industry Market Research and Analysis of Investment Forecast, 2013-2017

## 目 录

### CONTENTS

#### Chapter 1: the status quo and prospects of the global machine tool industry

##### 1.1 The machine tool industry overview

- 1.1.1 Definition of the machine tool industry
- 1.1.2 The machine tool industry classification
- 1.1.3 The machine tool industry trade chain analysis Upstream market analysis (1)
  - (1) downstream market analysis

##### 1.2 The global machine tool industry market status and trends

- 1.2.1 The global machine tool industry market situation
- 1.2.2 regional machine tool industry market situation
  - (1) Asian machine tool industry market analysis
  - (2) American machine tool industry market analysis
  - (3) of the European machine tool industry market analysis

##### 1.3 global machine tool market needs analysis

- 1.3.1 Global demand for machine tools market distribution
- 1.3.2 The global automotive industry analysis of the demand for machine tools
- 1.3.3 the global shipbuilding industry on the demand for machine tools
- 1.3.4 The global aerospace industry analysis of the demand for machine tools
- 1.3.5 Global analysis of the power industry demand for machine tools
- 1.3.6 Global Machinery Industry demand for machine tools
- 1.3.7 The global rail industry demand for machine tools
- 1.3.8 global industry demand for machine tools

##### 1.4 global machine tool industry market trends and prospects

- 1.4.1 The machine tool industry market trends
- 1.4.2 The machine tool industry market prospects

##### 1.5 Report research unit and method

- 1.5.1 report research units
- 1.5.2 The report overview of the methods

#### Chapter 2: Japanese machine tool industry and its prospect analysis

##### 2.1 Japan's machine tool industry in the development process

##### 2.2 Japan Machine Tool Industry Market Analysis

- 2.2.1 The machine tool industry production
- 2.2.2 The machine tool industry orders
- 2.2.3 The machine tool industry practitioners
- 2.2.4 Analysis of machine tool numerical control rate

##### 2.3 Import and Export Analysis of the Japanese machine tool industry

- 2.3.1 Analysis of imports of machine tool industry
  - (1) imports of the overall situation
  - (2) imports of the product structure
- 2.3.2 Analysis of the machine tool industry exports
  - (1) export the overall situation
  - (2) the structure of export products

##### 2.4 Japan's machine tool industry in the global status

##### 2.5 Japan's machine tool industry technical analysis

##### 2.6 Japan's demand for machine tools market analysis

- 2.6.1 Japan's demand for machine tools market distribution
- 2.6.2 Japanese automobile industry demand for machine tools
  - (1) Machine tools in Japan Automobile Manufacturers
  - (2) The Japan Automobile Manufacturers scale of demand for machine tools
  - (3) of the Japan Automobile Manufacturers of machine tools demand outlook

- 2.6.3 Japanese machinery industry demand for machine tools
  - (1) machine in the Japanese Machinery Industry
  - (2) The scale of Japanese machinery industry demand for machine tools
  - (3) prospects of Japanese machinery industry demand for machine tools
- 2.6.4 Japanese other industrial demand for machine tools

## **2.7 Japan Machine Tool Development trends and outlook forecast**

- 2.7.1 industry development trend
- 2.7.2 Industry Forecast

## **2.8 Japan's machine tool industry key enterprises**

- 2.8.1 Japan's Yamazaki Mazak Corporation (MAZAK)
  - (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 2.8.2 Japan's Okuma Corporation (OKUMA)
  - (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 2.8.3 Japan's Amada Co., Ltd. (AMADA)
  - (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 2.8.4 Japanese machine tool manufacturer, Mori Seiki (Mori Seiki)
  - (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 2.8.5 Japan Sigma (the SIGMA)
  - (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in

## **Chapter 3: The German machine tool industry and its prospect analysis**

### **3.1 German machine tool industry in the development process**

### **3.2 German machine tool industry Market Analysis**

- 3.2.1 The machine tool industry production
- 3.2.2 the machine tool industry orders
- 3.2.3 The machine tool industry practitioners
- 3.2.4 Analysis of machine tool numerical control rate
- 3.2.5 The product market distribution

### **3.3 German machine tool industry, import and export analysis**

- 3.3.1 Analysis of imports of machine tool industry
  - (1) imports of the overall situation
  - (2) imports of the product structure
- 3.3.2 Analysis of the machine tool industry exports
  - (1) export the overall situation
  - (2) the structure of export products

### **3.4 German machine tool industry, market competition**

### **3.5 German machine tool industry in the global status**

### **3.6 German machine tool industry, technical analysis**

### **3.7 German machine tool demand market analysis**

- 3.7.1 German machine tool demand market distribution
- 3.7.2 of the German automotive industry demand for machine tools
  - (1) machine in the German automotive industry
  - (2) The scale of the German automotive industry demand for machine tools
  - (3) prospects of the German automotive industry demand for machine tools
- 3.7.3 of the German machinery industry demand for machine tools
  - (1) machine tools in the German machinery industry
  - (2) The scale of the German machinery industry demand for machine tools
  - (3) prospects of the German machinery industry demand for machine tools
- 3.7.4 German other industrial demand for machine tools

### **3.8 German machine tool industry trends and prospects**

3.8.1 industry development trend

3.8.2 Industry Forecast

### **3.9 German machine tool industry key enterprises**

3.9.1 Germany De Maji (DMG)

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

3.9.2 Germany TRUMPF Group (The TRUMPF)

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

3.9.3 Germany, Sri Lanka to Fulin (SCHLEIFRING,)

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

3.9.4 Germany due on behalf of Alex

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

3.9.5 Germany GILDEMEISTER Co., Ltd.

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

## **Chapter 4: The U.S. machine tool industry and its prospect analysis**

### **4.1 U.S. machine tool industry in the development process**

### **4.2 U.S. machine tool industry market situation analysis**

4.2.1 The machine tool industry production

4.2.2 machine tool industry orders

4.2.3 The machine tool industry practitioners

4.2.4 Analysis of machine tool numerical control rate

### **4.3 Import and Export Analysis of the U.S. machine tool industry**

4.3.1 Analysis of imports of machine tool industry

(1) imports of the overall situation

(2) imports of the product structure

4.3.2 Analysis of the machine tool industry exports

(1) export the overall situation

(2) the structure of export products

### **4.4 U.S. machine tool industry in the global status**

### **4.5 U.S. machine tool industry technical analysis**

### **4.6 U.S. machine tool demand market analysis**

4.6.1 U.S. machine tool demand market distribution

4.6.2 U.S. auto industry demand for machine tools

(1) machine in the U.S. auto industry

(2) the scale of the U.S. auto industry demand for machine tools

(3) of the U.S. auto industry on the machine tool demand outlook

4.6.3 The U.S. aerospace industry analysis of the demand for machine tools

(1) machine tools in the aerospace industry

(2) U.S. aerospace industry scale of demand for machine tools

(3) of the U.S. aerospace industry, machine tool demand outlook

4.6.4 other industries in the United States demand for machine tools

### **4.7 U.S. machine tool industry trends and prospects**

4.7.1 industry development trend

4.7.2 Industry Forecast

### **4.8 U.S. machine tool industry key enterprises**

4.8.1 U.S. Hardinge Inc. (HARDINGE)

(1) Enterprise Development Profile

(2) enterprise products and performance

(3) the latest development in

4.8.2 of Cincinnati Machine International Limited

- (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 4.8.3 United States Marcos test
- (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
- 4.8.4 United States Gleason
- (1) Enterprise Development Profile
  - (2) enterprise products and performance
  - (3) the latest development in
