

China Thin Client Industry Report (2016–2021), Market Research and Investment Forecast

目 录

CONTENTS

Chapter 1: Overview of development of thin client industry

- 1.1 definition of thin client industry
 - 1.1.1 definition of thin client industry
 - 1.1.2 classification of thin client products
- 1.2 analysis of market environment of thin client industry
 - 1.2.1 policy environment of the industry
 - (1) management system of the industry
 - (2) related policies and regulations of the industry
 - (3) development planning of the industry
 - 1.2.2 economic environment of the industry
 - (1) the international macro economic environment
 - (2) the domestic macro economic environment
 - (3) macro economic environment of the industry
- 1.3 analysis of characteristics of thin client industry
 - 1.3.1 cyclical property of the industry
 - 1.3.2 regional property of the industry
 - 1.3.3 seasonal property of the industry
- 1.4 analysis of operation mode of thin client industry
 - 1.4.1 development of operation mode of the industry
 - 1.4.2 characteristics of operation mode of the industry

Chapter 2: Analysis of development of the global thin client industry

- 2.1 status quo of development of the global thin client industry
 - 2.1.1 overview of development of the global thin client industry
 - 2.1.2 analysis of scale of the global thin client market
 - 2.1.3 analysis of competition of the global thin client market
- 2.2 analysis of thin client market in main areas of the global
 - 2.2.1 analysis of thin client market in Americas
 - 2.2.2 analysis of thin client market in Europe
 - 2.2.3 analysis of thin client market in Asia-Pacific region
- 2.3 analysis of development prospects of the global thin client market
 - 2.3.1 forecast of scale of the global thin client market
 - 2.3.2 analysis of development prospects of the global thin client market
- 2.4 analysis of investment layout of multinational companies in China
 - 2.4.1 HP
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's thin client products
 - (4) analysis of the company's operation
 - (5) investment layout of the company in China
 - 2.4.2 SUN
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's thin client products
 - (4) analysis of the company's operation
 - (5) investment layout of the company in China
 - 2.4.3 Wyse
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's thin client products

- (4) analysis of the company's operation
- (5) investment layout of the company in China
- 2.4.4 Ncomputing
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's thin client products
 - (4) analysis of the company's operation
 - (5) investment layout of the company in China

Chapter 3: Analysis of development of China's thin client industry

3.1 development of China's thin client industry

- 3.1.1 overview of development of China's thin client industry
- 3.1.2 analysis of characteristics of development of China's thin client industry
- 3.1.3 analysis of influencing factors of development of China's thin client industry
- 3.1.4 analysis of bargaining power of China's thin client industry
 - (1) analysis of bargaining power of the upstream
 - (2) analysis of bargaining power of the downstream
- 3.1.5 analysis of potential threats of China's thin client industry
 - (1) analysis of threat of new entrants
 - (2) analysis of threat of substitutes

3.2 analysis of market scale of China's thin client industry

- 3.2.1 analysis of scale of China's thin client market
- 3.2.2 analysis of structure of China's thin client market
- 3.2.3 analysis of penetration rate of China's thin client enterprises

3.3 analysis of competition pattern of China's thin client industry

- 3.3.1 analysis of status quo of competition of China's thin client market
- 3.3.2 analysis of structure of brand sales of China's thin client market
- 3.3.3 analysis of structure of brand products of China's thin client market

3.4 SWOT analysis of China's thin client industry

- 3.4.1 analysis of strengths of China's thin client industry
- 3.4.2 analysis of weaknesses of China's thin client industry
- 3.4.3 analysis of opportunities of China's thin client industry
- 3.4.4 analysis of threats of China's thin client industry

Chapter 4: Analysis of development of China's related industries of thin client

4.1 analysis of development of China's cloud computing

- 4.1.1 analysis of development environment of China's cloud computing
- 4.1.2 analysis of status quo of development of China's cloud computing
- 4.1.3 analysis of scale of China's cloud computing market
- 4.1.4 analysis of impact of development of cloud computing on development of thin client industry

4.2 analysis of development of China's telecom industry

- 4.2.1 overview of development of China's telecom industry
- 4.2.2 analysis of status quo of China network construction
- 4.2.3 analysis of China's network communications product market

4.3 analysis of development of China's enterprise-class networking equipment industry

- 4.3.1 industry structure of China's enterprise-class networking equipment market
- 4.3.2 analysis of supply and demand of China's enterprise-class networking equipment market
- 4.3.3 analysis of financial operation of China's enterprise-class networking equipment market
- 4.3.4 analysis of operational characteristics and trends of China's enterprise-class networking equipment market

Chapter 5: Analysis of product technology and application of China's thin client

5.1 application mode of China's thin client

- 5.1.1 application mode of thin client products
- 5.1.2 application mode of WBT
- 5.1.3 use fields of thin client
- 5.1.4 particularity of thin client
- 5.1.5 advantages of applications of thin client

5.2 computing model of thin client TCSC

- 5.2.1 TCSC computing model
- 5.2.2 TCSC program structure
- 5.2.3 main advantages of TCSC structure

5.3 demonstration of solutions of thin client

5.3.1 large enterprise

5.3.2 SMEs

5.3.3 Soho enterprise

5.4 analysis of application of window of thin client

5.4.1 analysis of service scope

5.4.2 analysis of application industry

(1) financial industry

1)) analysis of demand

1. analysis of plan

(2) power industry

1)) analysis of demand

1. analysis of plan

(3) insurance industry

1)) analysis of demand

1. analysis of plan

(4) telecommunications industry

1)) analysis of demand

1. analysis of plan

(5) health industry

1)) analysis of demand

1. analysis of plan

5.5 analysis of office automation application of thin client

5.5.1 analysis of demand

5.5.2 analysis of implementation of technology

5.5.3 analysis of system module

5.5.4 analysis of system application

Chapter 6: Analysis of key regional markets of China's thin client industry**6.1 analysis of overall characteristics of regional structure of the industry**

6.1.1 overall characteristics of regional structure of the industry

6.1.2 analysis of regional concentration of the industry

6.2 analysis of production and sales of the industry in key regions

6.2.1 North China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.2 Northeast China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.3 East China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.4 Central China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.5 South China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.6 Southwest China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

6.2.7 Northwest China

(1) analysis of production and sales of thin client industry in North China

(2) analysis of market structure of thin client industry in major provinces and cities of North

China

Chapter 7: Analysis of import and export markets of China's thin client industry

7.1 analysis of trade environment of thin client industry

- 7.1.1 status quo of development of trade environment of the industry
- 7.1.2 development trends of trade environment of the industry

7.2 summary of import and export of thin client industry

- 7.2.1 overview of import and export of the industry
- 7.2.2 regional distribution of major import and export countries of the industry

7.3 analysis of export market of main products of thin client industry

- 7.3.1 analysis of export of major products of the industry
 - (1) overall situation of export of major products of the industry
 - (2) structure of export of major products of the industry

7.4 analysis of import market of main products of thin client industry

- 7.4.1 analysis of import of major products of the industry
 - (1) overall situation of import of major products of the industry
 - (2) structure of import of major products of the industry

7.5 forecast of import and export of thin client industry and advice

- 7.5.1 forecast of export of thin client industry and advice
- 7.5.2 forecast of import of thin client industry and advice

Chapter 8: Analysis of leading enterprises of China's thin client industry

8.1 Fujian Centerm Information Co., Ltd.

- 8.1.1 brief introduction of the company's development
- 8.1.2 the company's main business and products
- 8.1.3 the company's sales channels and network
- 8.1.4 analysis of the company's operation
- 8.1.5 analysis of advantages and disadvantages of the company
- 8.1.6 the company's investment, merger and restructuring
- 8.1.7 analysis of the company's latest development trend

8.2 Fujian Start Computer Equipment Co., Ltd.

- 8.2.1 brief introduction of the company's development
- 8.2.2 the company's main business and products
- 8.2.3 the company's sales channels and network
- 8.2.4 analysis of the company's operation
- 8.2.5 analysis of advantages and disadvantages of the company
- 8.2.6 the company's investment, merger and restructuring
- 8.2.7 analysis of the company's latest development trend

8.3 Jiangsu Guoguang Information Industry Co., Ltd.

- 8.3.1 brief introduction of the company's development
- 8.3.2 the company's main business and products
- 8.3.3 the company's sales channels and network
- 8.3.4 analysis of the company's operation
- 8.3.5 analysis of advantages and disadvantages of the company
- 8.3.6 the company's investment, merger and restructuring
- 8.3.7 analysis of the company's latest development trend

8.4 Great Wall Information Industry Co., Ltd.

- 8.4.1 brief introduction of the company's development
- 8.4.2 the company's main business and products
- 8.4.3 the company's sales channels and network
- 8.4.4 analysis of the company's operation
- 8.4.5 analysis of advantages and disadvantages of the company
- 8.4.6 the company's investment, merger and restructuring
- 8.4.7 analysis of the company's latest development trend

8.5 Fujian Newland Computer Co., Ltd.

- 8.5.1 brief introduction of the company's development
- 8.5.2 the company's main business and products
- 8.5.3 the company's sales channels and network
- 8.5.4 analysis of the company's operation
- 8.5.5 analysis of advantages and disadvantages of the company
- 8.5.6 the company's investment, merger and restructuring

8.5.7 analysis of the company's latest development trend

8.6 Tongfang Co., Ltd.

8.6.1 brief introduction of the company's development

8.6.2 the company's main business and products

8.6.3 the company's sales channels and network

8.6.4 analysis of the company's operation

8.6.5 analysis of advantages and disadvantages of the company

8.6.6 the company's investment, merger and restructuring

8.6.7 analysis of the company's latest development trend

8.7 Founder Technology Group Co., Ltd.

8.7.1 brief introduction of the company's development

8.7.2 the company's main business and products

8.7.3 the company's sales channels and network

8.7.4 analysis of the company's operation

8.7.5 analysis of advantages and disadvantages of the company

8.7.6 the company's investment, merger and restructuring

8.7.7 analysis of the company's latest development trend

8.8 Digital China Holdings Limited

8.8.1 brief introduction of the company's development

8.8.2 the company's main business and products

8.8.3 the company's sales channels and network

8.8.4 analysis of the company's operation

8.8.5 analysis of advantages and disadvantages of the company

8.8.6 the company's investment, merger and restructuring

8.8.7 analysis of the company's latest development trend

8.9 Lenovo Group Limited

8.9.1 brief introduction of the company's development

8.9.2 the company's main business and products

8.9.3 the company's sales channels and network

8.9.4 analysis of the company's operation

8.9.5 analysis of advantages and disadvantages of the company

8.9.6 the company's investment, merger and restructuring

8.9.7 analysis of the company's latest development trend

8.10 Tianjin Longjun Electronic Technology Co., Ltd.

8.10.1 brief introduction of the company's development

8.10.2 the company's main business and products

8.10.3 the company's sales channels and network

8.10.4 analysis of the company's operation

8.10.5 analysis of advantages and disadvantages of the company

8.10.6 the company's investment, merger and restructuring

8.10.7 analysis of the company's latest development trend

8.11 VIA Technologies (China) Co., Ltd.

8.11.1 brief introduction of the company's development

8.11.2 the company's main business and products

8.11.3 the company's sales channels and network

8.11.4 analysis of advantages and disadvantages of the company

8.11.5 the company's investment, merger and restructuring

8.11.6 analysis of the company's latest development trend

8.12 Shanghai Guoyang Information Technology Co., Ltd.

8.12.1 brief introduction of the company's development

8.12.2 the company's main business and products

8.12.3 the company's sales channels and network

8.12.4 analysis of advantages and disadvantages of the company

8.12.5 the company's investment, merger and restructuring

8.12.6 analysis of the company's latest development trend

8.13 Hangzhou Juheng Information Technology Co., Ltd.

8.13.1 brief introduction of the company's development

8.13.2 the company's main business and products

8.13.3 the company's sales channels and network

- 8.13.4 analysis of advantages and disadvantages of the company
- 8.13.5 the company's investment, merger and restructuring
- 8.13.6 analysis of the company's latest development trend
- 8.14 Shenzhen Speed Technology Co., Ltd.**
 - 8.14.1 brief introduction of the company's development
 - 8.14.2 the company's main business and products
 - 8.14.3 the company's sales channels and network
 - 8.14.4 analysis of advantages and disadvantages of the company
 - 8.14.5 the company's investment, merger and restructuring
 - 8.14.6 analysis of the company's latest development trend
- 8.15 Hangzhou Firelin Technology Co., Ltd.**
 - 8.15.1 brief introduction of the company's development
 - 8.15.2 the company's main business and products
 - 8.15.3 the company's sales channels and network
 - 8.15.4 analysis of advantages and disadvantages of the company
 - 8.15.5 the company's investment, merger and restructuring
 - 8.15.6 analysis of the company's latest development trend
- 8.16 Shenzhen Bencse Electronic Technology Co., Ltd.**
 - 8.16.1 brief introduction of the company's development
 - 8.16.2 the company's main business and products
 - 8.16.3 the company's sales channels and network
 - 8.16.4 analysis of advantages and disadvantages of the company
 - 8.16.5 the company's investment, merger and restructuring
 - 8.16.6 analysis of the company's latest development trend
- 8.17 Beijing Otess Visual Technology Development Co., Ltd.**
 - 8.17.1 brief introduction of the company's development
 - 8.17.2 the company's main business and products
 - 8.17.3 the company's sales channels and network
 - 8.17.4 analysis of advantages and disadvantages of the company
 - 8.17.5 the company's investment, merger and restructuring
 - 8.17.6 analysis of the company's latest development trend
- 8.18 Guangzhou Bailintong Digital Technology Co., Ltd.**
 - 8.18.1 brief introduction of the company's development
 - 8.18.2 the company's main business and products
 - 8.18.3 the company's sales channels and network
 - 8.18.4 analysis of advantages and disadvantages of the company
 - 8.18.5 the company's investment, merger and restructuring
 - 8.18.6 analysis of the company's latest development trend
- 8.19 Beijing Shouke Innovation Technology Development Co., Ltd.**
 - 8.19.1 brief introduction of the company's development
 - 8.19.2 the company's main business and products
 - 8.19.3 the company's sales channels and network
 - 8.19.4 analysis of advantages and disadvantages of the company
 - 8.19.5 the company's investment, merger and restructuring
 - 8.19.6 analysis of the company's latest development trend
- 8.20 Shenzhen Bele Electronics Co., Ltd.**
 - 8.20.1 brief introduction of the company's development
 - 8.20.2 the company's main business and products
 - 8.20.3 the company's sales channels and network
 - 8.20.4 analysis of advantages and disadvantages of the company
 - 8.20.5 the company's investment, merger and restructuring
 - 8.20.6 analysis of the company's latest development trend
- 8.21 Shenzhen Ministation Technology Co., Ltd.**
 - 8.21.1 brief introduction of the company's development
 - 8.21.2 the company's main business and products
 - 8.21.3 the company's sales channels and network
 - 8.21.4 analysis of advantages and disadvantages of the company
 - 8.21.5 the company's investment, merger and restructuring
 - 8.21.6 analysis of the company's latest development trend

8.22 Beijing Mudan Anteng Technology Development Co., Ltd.

- 8.22.1 brief introduction of the company's development
- 8.22.2 the company's main business and products
- 8.22.3 the company's sales channels and network
- 8.22.4 analysis of advantages and disadvantages of the company
- 8.22.5 the company's investment, merger and restructuring
- 8.22.6 analysis of the company's latest development trend

8.23 Hangzhou Pan Asia Technology Ltd.

- 8.23.1 brief introduction of the company's development
- 8.23.2 the company's main business and products
- 8.23.3 the company's sales channels and network
- 8.23.4 analysis of advantages and disadvantages of the company
- 8.23.5 the company's investment, merger and restructuring
- 8.23.6 analysis of the company's latest development trend

8.24 Shanghai Hanwater IT Services Ltd.

- 8.24.1 brief introduction of the company's development
- 8.24.2 the company's main business and products
- 8.24.3 the company's sales channels and network
- 8.24.4 analysis of advantages and disadvantages of the company
- 8.24.5 the company's investment, merger and restructuring
- 8.24.6 analysis of the company's latest development trend

8.25 Guangzhou Witech Co., Ltd.

- 8.25.1 brief introduction of the company's development
- 8.25.2 the company's main business and products
- 8.25.3 the company's sales channels and network
- 8.25.4 analysis of advantages and disadvantages of the company
- 8.25.5 the company's investment, merger and restructuring
- 8.25.6 analysis of the company's latest development trend

Chapter 9: Analysis of development prospects and investment of China's thin client industry**9.1 analysis of development prospects of thin client market**

- 9.1.1 analysis of drivers of development of thin client industry
- 9.1.2 analysis of development prospects of thin client market

9.2 analysis of characteristics of investment of thin client industry

- 9.2.1 analysis of entry barriers of thin client industry
- 9.2.2 analysis of profit factor of thin client industry

9.3 analysis of risks of investment of thin client industry

- 9.3.1 policy risk of thin client industry
- 9.3.2 technical risk of thin client industry
- 9.3.3 risk of supply and demand of thin client industry
- 9.3.4 risk of macro economic fluctuation of thin client industry
- 9.3.5 risk of related industries of thin client industry
- 9.3.6 risk of product structure of thin client industry
- 9.3.7 risk of production scale of thin client enterprises
- 9.3.8 other risks of thin client industry

9.4 investment proposals for thin client industry

- 9.4.1 problems of investment of thin client industry
- 9.4.2 investment advice for thin client industry
