

China Gynecological Drug Industry Report (2013-2017), Market Prospect and Investment Strategy Planning

目 录

CONTENTS

Chapter 1: Review of the development of China gynecological drug industry

1.1 definitions of gynecological drug industry

1.1.1 definition and scope of the industry

1.1.2 category of gynecological drugs

1.2 analysis of the status of gynecological drug industry

1.2.1 the position of gynecological drug of pharmaceutical industry in the national economy

1.2.2 gynecological drug industry's position in the pharmaceutical industry

1.3 research methods and statistics standards of the industry

1.3.1 overview of research methods of the industry

1.3.2 data source of the industry

1.3.3 statistics standards of the industry

Chapter 2: Analysis of development status quo and competition pattern of China's gynecological drug industry

2.1 analysis of development status quo of China's pharmaceutical industry

2.1.1 development status and characteristics of the Chinese pharmaceutical industry

(1) development status

(2) characteristics

2.1.2 analysis of operation of the pharmaceutical industry

(1) analysis of operation efficiency

(2) analysis of profitability capability

(3) P analysis of operation capability

(4) analysis of solvency capability

(5) analysis of development capability

2.1.3 analysis of economic indicators of the pharmaceutical industry

(1) analysis of economic indicators of the pharmaceutical industry

(2) analysis of economic indicators of enterprises of different scales

(3) analysis of economic indicators of enterprises of different types

2.1.4 analysis of supply and demand balance of the pharmaceutical industry

(1) analysis of the supply of national pharmaceutical industry

1) analysis of output of the pharmaceutical industry

2) analysis of finished products of the pharmaceutical industry

(2) analysis of the supply of regional pharmaceutical industry

1) analysis of top 10 regions ranked in output value

2) analysis of top 10 regions ranked in finished products

(3) analysis of the demand of national pharmaceutical industry

1) analysis of sales value of national pharmaceutical industry

2) analysis of sales revenue of national pharmaceutical industry

(4) analysis of the demand of regional pharmaceutical industry

1) analysis of top 10 regions ranked in sales value

2) analysis of top 10 regions ranked in sales revenue

(5) analysis of production and sales rate of the pharmaceutical industry

2.2 analysis of development of Chinese gynecological drug industry

2.2.1 overview of gynecological drug industry in general

2.2.2 main features of gynecological drug industry

2.2.3 analysis of market scale of gynecological drug industry

2.3 analysis of competition of Chinese gynecological drug industry

2.3.1 analysis of concentration of gynecological drug industry

2.3.2 analysis of the competitiveness of enterprises of gynecological drug

2.3.3 analysis of bargaining power of gynecological drug industry

2.3.4 analysis of potential threats of gynecological drug industry

Chapter 3: analysis of China gynecological drug industry market environment analysis

3.1 analysis of Industry Policy Environment

- 3.1.1 industry authorities and regulatory regime
- 3.1.2 industry-related policy developments
- 3.1.3 Trends drug price adjustment
- 3.1.4 industry-related development plan

A pharmaceutical industry restructuring plan

- 3.1.5 National Drug Safety "Twelfth Five Year Plan"
 - (1) "significant new drug" major science and technology plan

3.2 analysis of Economic Environment Analysis 3.2 Industry

- 3.2.1 China GDP growth
- 3.2.2 residents' income growth

3.3 analysis of Social Environment Industry

- 3.3.1 The trend of population aging
- 3.3.2 Analysis of urbanization
- 3.3.3 Residents Medicare insurance case

3.4 Summary of effects of industry development environment

Chapter 4: Analysis of demand and marketing of Chinese gynecological drug industry

4.1 overall demand of gynecological diseases for drugs

- 4.1.1 changes in the number of Chinese women
- 4.1.2 prevalence of gynecological diseases
 - (1) incidence of gynecological diseases
 - (2) distribution of gynecological diseases
 - (3) age distribution of gynecological diseases
 - (4) regional distribution of gynecological diseases
- 4.1.3 analysis of the overall demand for gynecological treatment

4.2 analysis of major gynecological diseases and demand for drugs

- 4.2.1 vaginitis
 - (1) prevalence
 - (2) treatment
 - (3) demand for drugs
- 4.2.2 cervical disease
 - (1) prevalence
 - (2) treatment
 - (3) demand for drugs
- 4.2.3 uterine fibroids
 - (1) prevalence
 - (2) treatment
 - (3) demand for drugs
- 4.2.4 breast disease
 - (1) prevalence
 - (2) treatment
 - (3) demand for drugs
- 4.2.5 other gynecological diseases

4.3 analysis of behaviors of gynecological drug consumers

- 4.3.1 status quo of gynecological drug consumption
- 4.3.2 channels for consumers to buy
- 4.3.3 consumption habits of consumers
- 4.3.4 characteristics of seasonal consumption of gynecological inflammation drugs

4.4 analysis of marketing of gynecological drugs

- 4.4.1 analysis of sales channels of gynecological drugs
 - (1) major sales channels
 - (2) problems of sales channels
 - (3) management and strategy of sales channels
- 4.4.2 retail pharmacy sales of gynecological drugs
- 4.4.3 hospital sales of gynecological drugs
- 4.4.4 marketing models of gynecological drugs
 - (1) marketing model of pharmaceutical agent

(2) marketing model of academic promotion

Chapter 5: Analysis of market of subdivided products of gynecological drug industry

5.1 product structure of gynecological drug market

5.2 analysis of market of gynecological inflammation drugs

5.2.1 scale of market of gynecological inflammation drugs

5.2.2 competition pattern of market of gynecological inflammation drugs

5.2.3 analysis of distribution channels of gynecological inflammation drugs

5.2.4 analysis of different routes of administration of gynecological inflammation drug market

5.2.5 analysis of different forms of gynecological inflammation drug market

5.2.6 prospects of gynecological inflammation drug market

5.3 analysis of market of gynecological menstruation blood drug

5.3.1 scale of market of gynecological menstruation blood drug

5.3.2 competition pattern of market of gynecological menstruation blood drug

5.3.3 prospects of market of gynecological menstruation blood drug

5.4 analysis of market of gynecological blood stasis syndrome drugs

5.4.1 scale of market of gynecological blood stasis syndrome drugs

5.4.2 competition pattern of market of gynecological blood stasis syndrome drugs

5.4.3 prospects of market of gynecological blood stasis syndrome drugs

5.5 analysis of markets of other gynecological drugs

5.5.1 analysis of market of breast drugs

5.5.2 analysis of market of contraceptives

5.5.3 analysis of market of infertility drugs
