 - (4) human hospice

4.2 status quo of senior care services market and development trends

- 4.2.1 relevant policies and regulations of senior care services
- 4.2.2 main demanders of senior care services
- 4.2.3 main suppliers of senior care services
- 4.2.4 scale of senior care services market
 - (1) care service of hospital care
 - (2) care service of pension agency
 - (3) home care services
- 4.2.5 problems of senior care services market
- 4.2.6 development trends of senior care services market

4.3 development potential of China's senior care services market

- 4.3.1 development benefits of senior care services market
 - (1) economic benefits
 - (2) social benefits
- 4.3.2 potential of demand for senior care services
 - (1) demand for health services
 - (2) demand for home care
 - (3) demand for day-time care for the senior

- (4) demand for care facilities
- (5) demand for hospice services
- 4.3.3 supply and demand gap of senior care services
- 4.3.4 development risks of senior care services market
- 4.4 development strategy of senior care services market**
- 4.4.1 policy support for pension services
- 4.4.2 insurance guarantee of senior care
- 4.4.3 standardization of senior care market
- 4.4.4 construction of nursing personnel
- 4.4.5 development of home care services market
- 4.5 reference of development of foreign senior care services market**
- 4.5.1 reference of development of senior health services market in Japan
 - (1) demand for senior health services in Japan
 - (2) supply of senior health services in Japan
 - (3) model of senior health services Japan
 - (4) guarantee system of senior health services in
 - (5) revelation of development of senior health services in Japan
- 4.5.2 reference of development of senior health services market in America
 - (1) demand for senior health services in America
 - (2) supply of senior health services in America
 - (3) model of senior health services in America
 - (4) guarantee system of senior health services
 - (5) revelation of development of senior health services in America
- 4.5.3 reference of development of senior health services market in Germany
 - (1) demand for senior health services in Germany
 - (2) supply of senior health services in Germany
 - (3) model of senior health services in Germany
 - (4) guarantee system of senior health services
 - (5) revelation of development of senior health services in Germany

Chapter 5: Investment potential of senior health insurance market

- 5.1 overview of senior health insurance market**
- 5.1.1 definition of senior health insurance
- 5.1.2 distribution of coverage of senior health insurance
 - (1) sickness insurance
 - (2) medical insurance
 - (3) disability income insurance
 - (4) care insurance
- 5.1.3 characteristics of demand for senior health insurance
- 5.2 status quo of senior health insurance market and development trends**
- 5.2.1 related policies and regulations of health insurance industry-
- 5.2.2 scale of senior health insurance market
- 5.2.3 main suppliers of senior health insurance market
- 5.2.4 depth and density of senior health insurance
- 5.2.5 analysis of sales channels of senior health insurance
- 5.2.6 problems of senior health insurance market
- 5.2.7 development trends of senior health insurance market
- 5.3 potential of development of China's senior care insurance market**
- 5.3.1 factors affecting demand for senior health insurance
 - (1) the level of economic development
 - (2) disease risk
 - (3) social factors
 - (4) demographic factors
 - (5) the concept of factors
- 5.3.2 capacity of senior health insurance market
- 5.3.3 analysis of purchasing power of senior health insurance
- 5.3.4 analysis of demand strength of senior health insurance
- 5.3.5 development risk of senior health insurance market
- 5.4 development strategy of senior health insurance market**
