

China Higher Education Industry Market Forecast and Investment Strategic Planning Report, 2013-2017

目 录

CONTENTS

Chapter 1: Development Overview of China Higher Education Industry

1.1 Overview of Higher Education Industry

- 1.1.1 Definition of Higher Education
- 1.1.2 Classification of Higher Education
- 1.1.3 Position of Higher Education in National Economy

1.2 Development Environment Analysis of Higher Education Industry

- 1.2.1 Economic Environment Analysis of Higher Education Industry
 - (1) Analysis of International Macro-economic Environment
 - (2) Analysis of Domestic Macro-economic Environment
 - (3) Analysis of Influence of Macro-economic Environment on Employment
- 1.2.2 Policy Environment Analysis of Higher Education Industry
 - (1) Policies Related to Higher Education Industry Since.....2009
 - (2) Analysis of Influence of Important Policies
- 1.2.3 Social Environment Analysis of Higher Education Industry
- 1.2.4 Technology Environment Analysis of Higher Education Industry

Chapter 2: Analysis of the Development of International Higher Education

2.1 Development Overview of International Higher Education

- 2.1.1 Service Content Changing from Single Pattern to All-in-one Pattern
- 2.1.2 Service Form Changing from Loose Type to Tightly Knit Type
- 2.1.3 Appearance of Entrepreneurial University
- 2.1.4 Focusing on Interdisciplinary Development
- 2.1.5 Valuing the Talent Training Mode with entrepreneurship and Innovation Capability
- 2.1.6 Rise of Social Service and Learning

2.2 Analysis of the Development of US Higher Education

- 2.2.1 Development Size of US Higher Education
 - (1) University Size
 - (2) Enrollment Size
- 2.2.2 Levels of US Universities
 - (1) Research-oriented Universities
 - (2) Comprehensive Universities
 - (3) Liberal Arts Colleges
- 2.2.3 Difference Comparison Between China and US Higher Education
 - (1) Different Systems for Operating Schools
 - (2) Different Systems for Enrollment
 - (3) Different Sources of Capital
 - (4) Different Teacher Appointment Systems

2.3 Analysis of the Development of Japan Higher Education

- 2.3.1 Development Size of Japan Higher Education
 - (1) University Size
 - (2) Enrollment Size
- 2.3.2 Japan Higher Education System
 - (1) Types of Higher Education Institutions
 - (2) Establishing Forms of Higher Education
- 2.3.3 Analysis of Marketization Reform of Japan Higher Education
 - (1) Three Reforms of Japan Higher Education Marketization
 - (2) Forms of Japan Higher Education Marketization
 - (3) Enlightenment of Higher Education Marketization Reform

2.4 Analysis of the Development of Singapore Higher Education

- 2.4.1 Development Size of Singapore Higher Education

- (1) University Size
- (2) Enrollment Size
- 2.4.2 Comparison Between China and Singapore Higher Education
 - (1) Comparison of History, Country State and Education Idea
 - (2) Comparison of University/College Management Mode
 - (3) Comparison of Higher Education Investment
 - (4) Comparison of Goals for Higher Education
 - (5) Comparison of Higher Education Enrollment System
 - (6) Comparison of Higher Education Major Setting and Selection
 - (7) Comparison of Performance Assessment Methods
- 2.4.3 Enlightenment of Singapore Higher Education
 - (1) Reducing Governmental Administrative Management on Higher Education
 - (2) Adding More Investment to Higher Education Expenditure
 - (3) Encouraging People to Join Social Practical Activities
 - (4) Strengthening to Train Innovation Capability
 - (5) Reforming Universities/Colleges Enrollment System

第三章 Analysis of the Development China Higher Education

2.5 Development Situation of Higher Education Industry

- 2.5.1 General Overview of Higher Education Industry
- 2.5.2 Development Characteristics of Higher Education Industry
- 2.5.3 Size Situation of Higher Education Industry
 - (1) School Number and Enrollment Size of Higher Education Industry
 - (2) Asset Size of Higher Education Industry
- 2.5.4 Student Situation Statistics of Higher Education
 - (1) Student Number Changes of Higher Education
 - (2) Average Student at School of Per 100,000 Population in Higher Education Industry
- 2.5.5 Faculty Situation of Universities/Colleges
 - (1) Faculty Situation Statistics of Universities/Colleges (Total)
 - (2) Faculty Situation Statistics of Universities/Colleges (for Adult Universities)
 - (3) Faculty Situation Statistics of Universities/Colleges (for General Universities)
- 2.5.6 Structure Changes of Higher Education Industry

2.6 Analysis of Supply and Demand of Higher Education Industry

- 2.6.1 Supply Analysis of Higher Education Industry
 - (1) Higher Education Resources
 - (2) Gross Enrollment Ratio of Higher Education
 - (3) Faculty Situation of Higher Education
 - (4) Higher Education Expenditure
 - (5) Higher Education System
- 2.6.2 Demand Analysis of Higher Education Industry
 - (1) Tuition
 - (2) Household Income Level
 - (3) Employment Opportunity
 - (4) Development of National Economy and Changes of Industry Structure
 - (5) Number of Population at the Right Age to Universities/Colleges

2.7 Competition Situation of Higher Education Industry

- 2.7.1 Competitive Structure of Higher Education Industry
 - (1) Market Structure of Higher Education Industry
 - (2) General Higher Education Concentration
- 2.7.2 Analysis of Entry/Exit Barrier of Higher Education Industry
 - (1) Economic Barrier
 - (2) Administrative Barrier
- 2.7.3 Competition Analysis of Higher Education Industry
 - (1) Competition Between Public Education and Private Education
 - (2) Competition Between Domestic Education and Foreign Education
 - (3) Competition Between General Education and Vocational Education

Chapter 3: Development Analysis of Sub-industries of China Higher Education Industry

3.1 Development Analysis of General Higher Education

- 3.1.1 Development Status of General Higher Education
- 3.1.2 Development Size of General Higher Education

- (1) Overall Size of General Universities/Colleges
- (2) Students Situation of General Universities/Colleges
- (3) Faculty Situation of General Universities/Colleges
- 3.1.3 Income and Expense Situation of Higher Education Expenditure

- (1) Education Expenditure Income Situation

- 1) Education Expenditure Income Situation of General Higher Undergraduates

Universities/Colleges in Many Regions

- 2) Education Expenditure Income Situation of General Vocational Schools in Many Regions

- 3.1.4 Development Trend of General Higher Education

3.2 Development Analysis of Adult Higher Education

- 3.2.1 Development Status of Adult Higher Education

- (1) Features of Adult Higher Education

- (2) Market Share of Adult Higher Education

- 3.2.2 Development Size of Adult Higher Education

- (1) Overall Size of Adult Universities/Colleges

- (2) Students Situation of Adult Universities/Colleges

- (3) Faculty Situation of Adult Universities/Colleges

- 3.2.3 Income and Expense Situation of Adult Higher Education Expenditure

- (1) Expense Situation of Adult Higher Education Expenditure in Many Regions

- (2) Income Situation of Adult Higher Education Expenditure in Many Regions

- 3.2.4 Challenges Adult Higher Education Facing in the Course of Development

- (1) Changes of Education Source Market

- (2) Changes of General Universities/Colleges Education Allocation and Utilization of Orientation

- (3) Reform of Higher Education System and Adjustment of Layout Structure

- 3.2.5 Development Trend of Higher Education

- (1) Development Focus of Higher Education

- (2) Developing to a Higher Academic Direction

- (3) More Extensive Education Objects

- (4) More Outstanding Occupation

Chapter 4: Development Analysis of China Ministries and Schools as well as Regional Schools

4.1 Division of Universities/Colleges Membership

4.2 Development Analysis of Ministries and Schools

- 4.2.1 Development Size of Ministries and Schools

- (1) Statistics of Number of Ministries and Schools

- (2) Classification Statistics of Ministries and Schools

- 4.2.2 Regional Distribution Situation of Ministries and Schools

- 4.2.3 Expenditure Situation of Ministries and Schools

- 4.2.4 Development Trend of Ministries and Schools

- (1) Development Analysis of Local Universities and Colleges

- 4.2.5 Development Size of Local Universities and Colleges

- (1) Statistics of Number of Universities and Colleges

- (2) Classification Statistics of Universities and Colleges

- 4.2.6 Regional Distribution of Universities and Colleges

- 4.2.7 Expenditure Situation of Universities and Colleges

- 4.2.8 Development Trend of Universities and Colleges

Chapter 5: Development Analysis of China Public Education

5.1 Development Size of Public Education

- 5.1.1 Statistics of Number of Public Higher Education

- (1) Statistics of Number of Public Higher Education

- (2) Percentage of Public Higher Education

- 5.1.2 Student Statistics of Public Higher Education Schools

- 5.1.3 Faculty Situation of Public Higher Education Schools

5.2 Development Analysis of Influence of Higher Education

- 5.2.1 Advantages Analysis of the Development of Public Higher Education

- 5.2.2 Disadvantages Analysis of the Development of Public Higher Education

5.3 Development Trend of Public Higher Education

- 5.3.1 Expanding Social Cooperation

- 5.3.2 Continuing to Expanding Financing Channels for Public Higher Educational Schools

- (1) Continuing to Promoting Educational Bonds
- (2) Issuing Higher Education Lottery

5.3.3 Assimilation of Public and Private Higher Education Schools

Chapter 6: Development Analysis of China Private Higher Education

6.1 Development Size of Private Higher Education

- 6.1.1 Statistics of Number of Private Higher Education
 - (1) Statistics of Number of Private Higher Education
 - (2) Percentage of Public Private Education
- 6.1.2 Statistics of Student Number of Private Education School

6.2 Operational Situation of Private Higher Education

- 6.2.1 School Pattern of Private Higher Education
- 6.2.2 Structure Situation of Private Higher Education
- 6.2.3 Consumer Group Analysis of Private Higher Education

6.3 Analysis of Influencing Factors of Private Higher Education

- 6.3.1 Major Problems Private Higher Education Facing
 - (1) Single Capital Channel
 - (2) Not Higher Enough Schooling Quality
 - (3) Management Needing to Be Improved
- 6.3.2 Analysis of Factors Affecting the Development of Private Higher Education
 - (1) Restriction of Social Concept
 - (2) Lack of Fair Competition
 - 1) Unfair Enrollment
 - 2) Unfair Student Treatment
 - 3) Unfair Teacher Treatment
 - 4) Unfair System Demand
 - (3) Unstable Faculty Team
 - (4) Unclear Property
 - (5) Not Enough Understanding on Investment in School

6.4 Development Trend and Prospects of Private Higher Education
