

China Electroacoustic Device Industry Report (2016–2021), Market Research and Investment Forecast

目 录

CONTENTS

Chapter 1: Overview of development of electroacoustic device industry

- 1.1 definition of electroacoustic device industry
 - 1.1.1 definition of electroacoustic device industry
 - 1.1.2 scope of research of electroacoustic device industry
- 1.2 analysis of market environment of electroacoustic device industry
 - 1.2.1 policy environment of the industry
 - (1) management system of the industry
 - (2) related policies and regulations of the industry
 - (3) development planning of the industry
 - 1.2.2 economic environment of the industry
 - (1) analysis of the international macro economic environment
 - (2) analysis of the domestic macro economic environment
 - (3) macro economic environment of the industry
- 1.3 analysis of characteristics of electroacoustic device industry
 - 1.3.1 cyclical property of the industry
 - 1.3.2 regional property of the industry
 - 1.3.3 seasonal property of the industry
- 1.4 analysis of operation mode of electroacoustic device industry
 - 1.4.1 development of operation mode of the industry
 - 1.4.2 characteristics of operation mode of the industry

Chapter 2: Analysis of development of electroacoustic device industry

- 2.1 analysis of development of the international electroacoustic device industry
 - 2.1.1 development of the international electroacoustic device industry
 - 2.1.2 analysis of competition of the international electroacoustic device market
 - 2.1.3 analysis of development trends of the international electroacoustic device market
- 2.2 development of China's electroacoustic device industry
 - 2.2.1 overview of development of China's electroacoustic device industry
 - (1) development stage of electroacoustic device industry
 - (2) characteristics of development of electroacoustic device industry
 - 2.2.2 analysis of capacity of China's electroacoustic device market
 - 2.2.3 influencing factors of development of China's electroacoustic device industry
 - 2.2.4 analysis of international competitiveness of China's electroacoustic device industry
 - 2.2.5 analysis of competition of China's electroacoustic device industry
 - (1) analysis of bargaining power of the upstream
 - (2) analysis of bargaining power of the downstream
 - (3) analysis of threat of new entrants
 - (4) analysis of threat of substitutes
 - (5) analysis of status quo of industry competition
- 2.3 investment layout of multinational companies in China
 - 2.3.1 FOSTER
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
 - 2.3.2 Plantronics
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China

- 2.3.3 Hosiden
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
- 2.3.4 Merry
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
- 2.3.5 CRESYN
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) investment layout of the company in China
- 2.3.6 BUJEON
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) investment layout of the company in China
- 2.3.7 Sonion
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
- 2.3.8 Knowles
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
- 2.3.9 Fortune Grand Technology Inc.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China
- 2.3.10 Kingstate Electronics Corporation
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business
 - (3) analysis of the company's operation
 - (4) investment layout of the company in China

Chapter 3: Analysis of electroacoustic device industry chain

3.1 overview of electroacoustic device industry chain

3.2 analysis of major raw materials markets of electroacoustic device industry products

- 3.2.1 analysis of FET market
 - (1) analysis of market status quo
 - (2) analysis of market price
- 3.2.2 analysis of injection molded parts market
 - (1) analysis of market status quo
 - (2) analysis of market price
- 3.2.3 analysis of die-cut pieces market
 - (1) analysis of market status quo
 - (2) analysis of market price
- 3.2.4 analysis of diaphragm market
 - (1) analysis of market status quo
 - (2) analysis of market price
- 3.2.5 analysis of PCB market
 - (1) analysis of market status quo
 - (2) analysis of market price

3.3 analysis of major product markets of electroacoustic device industry

- 3.3.1 classification of main products of electroacoustic devices
 - (1) classified by transducer principle

- (2) classified by geometry
 - 3.3.2 trends of development features of electroacoustic device products
 - 3.3.3 distribution of production and sales of electroacoustic device products
 - 3.3.4 analysis of market of micro electroacoustic devices
 - (1) microphone
 - 1) analysis of product characteristics
 - 2) analysis of market status quo
 - (2) speaker
 - 1) analysis of product characteristics
 - 2) analysis of market status quo
 - (3) receiver
 - 1) analysis of product characteristics
 - 2) analysis of market status quo
 - (4) buzzer
 - 1) analysis of product characteristics
 - 2) analysis of market status quo
 - 3.3.5 analysis of market of consumer electroacoustic devices
 - (1) bluetooth products
 - 1) analysis of consumer group
 - 1.) analysis of market demand
 - (2) portable speakers
 - 1) analysis of consumer group
 - 1.) analysis of market demand
 - (3) car stereo
 - 1) analysis of market scale
 - 2) analysis of development trends
 - (4) multimedia audio
 - 1) analysis of market scale
 - 2) analysis of development trends
- 3.4 analysis of application market of electroacoustic device industry**
- 3.4.1 analysis of development of mobile phone industry
 - (1) analysis of market of mobile phone industry
 - (2) analysis of demand for electroacoustic device in mobile phone industry
 - 3.4.2 analysis of development of television industry
 - (1) analysis of development of television industry
 - (2) analysis of demand for electroacoustic device in television industry
 - 3.4.3 analysis of development of home theater industry
 - (1) analysis of development of home theater industry
 - (2) analysis of demand for electroacoustic device in home theater industry
 - 3.4.4 analysis of development of computer industry
 - (1) analysis of development of computer industry
 - (2) analysis of demand for electroacoustic device in computer industry
 - 3.4.5 analysis of development of electronic toy industry
 - (1) analysis of development of electronic toy industry
 - (2) analysis of demand for electroacoustic device in mobile phone industry

Chapter 4: Analysis of key technologies of electroacoustic device industry

4.1 analysis of related standards of electroacoustic device industry

- 4.1.1 international standards
- 4.1.2 national standards
- 4.1.3 standards of the industry

4.2 analysis of main techniques of electroacoustic devices

- 4.2.1 mode of production techniques of electroacoustic devices industry
- 4.2.2 production process of main products of electroacoustic devices industry
 - (1) production process of miniature electret microphone
 - (2) production process of miniature speaker / receiver
 - (3) production process of consumer audio products

4.3 analysis of key technologies of electroacoustic device industry

- 4.3.1 key technologies in the field of miniature microphone
 - (1) directional structural design technology

- (2) phase coherence technique
- (3) digital microphone technology
- (4) Anti-EMI / RFI technology
- (5) miniature microphone array technology
- 4.3.2 MEMS microphone technology
 - (1) MEMS chip design technology
 - (2) semiconductor packaging technology
 - (3) low stress diaphragm technology
- 4.3.3 key technologies in the field of micro speaker / receiver
 - (1) diaphragm design and manufacturing technology
 - (2) mini speaker module design technology
 - (3) high-power mini speaker heat and cooling technology
 - (4) micro electromagnetic loudspeaker (MEML) design technology
- 4.3.4 key technologies in the field of consumer audio products
 - (1) audio noise reduction algorithm technology
 - (2) tune design technique
 - (3) active noise reduction technology
 - (4) short-range radio frequency matching technology
 - (5) industrial design technology
- 4.3.5 other key technologies
 - (1) mold making technology
 - (2) automated complete production equipment and technology
- 4.4 development direction and focus of technology of electroacoustic devices industry**
 - 4.4.1 focus on the development of products and projects
 - 4.4.2 key technologies needed to be addressed and promoted

Chapter 5: Analysis of import and export markets of electroacoustic device industry

- 5.1 analysis of trade environment of electroacoustic device industry**
 - 5.1.1 status quo of development of trade environment of the industry
 - 5.1.2 development trends of trade environment of the industry
- 5.2 summary of import and export of electroacoustic device industry**
- 5.3 analysis of import and export markets of electroacoustic device industry**
 - 5.3.1 overall export of the industry in.....2013
 - 5.3.2 structure of export product of the industry in.....2013
- 5.4 analysis of import market of electroacoustic device industry**
 - 5.4.1 overall import of the industry in.....2013
 - 5.4.2 structure of import product of the industry in.....2013
- 5.5 forecast of import and export of electroacoustic device industry and advice**
 - 5.5.1 forecast of export of electroacoustic device industry and advice
 - 5.5.2 forecast of import of electroacoustic device industry and advice

Chapter 6: Case study of leading enterprises of electroacoustic device industry

- 6.1 analysis of the overall development of electroacoustic device enterprises**
 - 6.1.1 sales revenue
 - 6.1.2 industrial output
 - 6.1.3 profit
- 6.2 case study of leading enterprises of China's electroacoustic device industry**
 - 6.2.1 AAC Technologies Holdings Inc.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - 1) major economic indicators
 - 2) profitability capability
 - 3) operation capability
 - 4) solvency capability
 - 5) development capability
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of investment, merger and restructuring of the company
 - (7) analysis of the company's latest development trend
 - 6.2.2 GoerTek Corporation

- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - 1) major economic indicators
 - 2) profitability capability
 - 3) operation capability
 - 4) solvency capability
 - 5) development capability
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of investment, merger and restructuring of the company
- 6.2.3 Zhejiang Newjialian Electronics Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of major economic indicators
 - 1) profitability capability
 - 2) operation capability
 - 3) solvency capability
 - 4) development capability
 - (6) analysis of advantages and disadvantages of the company
 - (7) analysis of investment, merger and restructuring of the company
 - (8) analysis of the company's latest development trend
- 6.2.4 Jiangsu Yuanyu Electronics Group Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.5 Guoguang Electric Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - 1) major economic indicators
 - 2) profitability capability
 - 3) operation capability
 - 4) solvency capability
 - 5) development capability
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of investment, merger and restructuring of the company
 - (7) analysis of the company's latest development trend
- 6.2.6 Rongcheng Right Electronics Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.7 Jiangsu Yucheng Electronics Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.8 Shenzhen Fenda Technology Co., Ltd.
- (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network

- (4) analysis of the company's operation
- (5) analysis of advantages and disadvantages of the company
- (6) analysis of investment, merger and restructuring of the company
- (7) analysis of the company's latest development trend
- 6.2.9 Suzhou Sonavox Electronic Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.10 Zhejiang Innuovo Loudspeaker Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.11 Fullsound (Dongguan) Electrical Parts Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.12 Shandong Gongda Electro-acoustic Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of the company's latest development trend
- 6.2.13 Wuxi Jiefu Electroacoustic Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of the company's latest development trend
- 6.2.14 Jilin Hangsheng Hongyu Electronics Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.15 Nanjing Hong Jing Electro-acoustic Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.16 Sichuan Hushan Electric Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
 - (6) analysis of investment, merger and restructuring of the company
- 6.2.17 Beijing Diqijiuqi Sound Corporation
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network

- (4) analysis of the company's operation
- (5) analysis of advantages and disadvantages of the company
- 6.2.18 Hangzhou Hesheng Electronics Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.19 Shenzhen Fenghuo Hongsheng Technology Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.20 Beijing Matsushita Electronic Components Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.21 Shenzhen Lingjia Sound Ltd
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.22 Shenzhen Dongyuan Electronics Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's operation
 - (4) analysis of advantages and disadvantages of the company
 - (5) analysis of the company's latest development trend
- 6.2.23 Ningbo Fusungta Motor Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.24 Tianjin Zhenmei Electroacoustic Equipment LLC
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.25 Wuxi Maofeng Electric Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.26 Guangzhou Diamond Audio Electric Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.27 Shenzhen Jiayin Electroacoustic Industrial Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products

- (3) analysis of the company's sales channels and network
- (4) analysis of the company's operation
- (5) analysis of advantages and disadvantages of the company
- 6.2.28 Xiamen Shenxing Electronic Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.29 Beijing Qantas Communication Equipment Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company
- 6.2.30 Hangzhou Lianshen Electronics Co., Ltd.
 - (1) brief introduction of the company's development
 - (2) analysis of the company's main business and products
 - (3) analysis of the company's sales channels and network
 - (4) analysis of the company's operation
 - (5) analysis of advantages and disadvantages of the company

Chapter 7: Development prospect and analysis of investment of electroacoustic device industry

- 7.1 analysis of development prospect of electroacoustic device industry**
 - 7.1.1 analysis of development trends of electroacoustic device industry
 - 7.1.2 analysis of development prospect of electroacoustic device industry
- 7.2 analysis of characteristics of investment of electroacoustic device industry**
 - 7.2.1 analysis of entry barriers of electroacoustic device industry
 - 7.2.2 analysis of profit factor of electroacoustic device industry
 - (1) analysis of risks of investment of electroacoustic device industry
 - 7.2.3 policy risk of electroacoustic device industry
 - 7.2.4 technical risk of electroacoustic device industry
 - 7.2.5 risk of supply and demand of electroacoustic device industry
 - 7.2.6 risk of macro economic fluctuation of electroacoustic device industry
 - 7.2.7 risk of related industries of electroacoustic device industry
 - 7.2.8 risk of product structure of electroacoustic device industry
 - 7.2.9 other risks of electroacoustic device industry
- 7.3 advice for investment of electroacoustic device industry**
 - 7.3.1 problems of investment of electroacoustic device industry
 - 7.3.2 advice for investment of electroacoustic device industry
