

China Office Furniture Industry Report (2016–2021), Market Forecast and Investment Strategic Planning

目 录

CONTENTS

Chapter 1: Overview of development of China's office furniture industry

1.1 definition and classification of office furniture industry

- 1.1.1 concept and definition of the industry
- 1.1.2 classification of major products of the industry
- 1.1.3 features of products of the industry

1.2 statistical standard of office furniture industry

- 1.2.1 statistical offices and statistical caliber of the industry
- 1.2.2 statistical method of the industry
- 1.2.3 data type of the industry

1.3 analysis of development environment of office furniture industry

- 1.3.1 analysis of policy environment of the industry
 - (1) adjustment of export tax rebate policy
 - (2) planning of restructuring and revitalization of light industry
 - (3) establishment of furniture standardization technical committee
- 1.3.2 analysis of economic environment of the industry
 - (1) domestic economic growth
 - (2) analysis of import and export trade
 - (3) impact of economic environment on the industry

Chapter 2: Analysis of development of the international office furniture industry

2.1 analysis of development of the international office furniture industry

- 2.1.1 overview of development of the international office furniture industry
- 2.1.2 overview of market of the international office furniture industry
 - (1) American office furniture supply
 - (2) American office furniture consumption
 - (3) American office furniture foreign trade
- 2.1.3 status quo of competition of the international office furniture industry

2.2 investment layout of multinational companies in China market

- 2.2.1 investment of American office furniture enterprises in China
 - (1) American Haworth Company
 - (2) American Herman Miller Company
 - (3) American HNI Group
- 2.2.2 investment of European office furniture enterprises in China
 - (1) Italian Berloni Group
 - (2) Italian Natuzzi Group
 - (3) British Race Investment Group
- 2.2.3 investment of Asian office furniture enterprises in China
 - (1) Japanese Maluni Company
 - (2) South Korean ENEX Company
 - (3) Singapore Far East Furniture Co., Ltd.

Chapter 3: Analysis of status quo of supply and demand of China's office furniture industry

3.1 analysis of supply and demand of office furniture industry

- 3.1.1 supply and demand balance of the industry
 - (1) analysis of supply situation of the industry
 - (2) analysis of sales situation of the industry
 - (3) analysis of supply and demand balance of the industry
- 3.1.2 analysis of supply and demand pattern of the industry
 - (1) analysis of supply pattern of the industry
 - (2) analysis of sales pattern of the industry

3.2 analysis of import and export of office furniture industry

- 3.2.1 overall import and export of the industry
- 3.2.2 analysis of export the industry
 - (1) overall export the industry
 - (2) structure of export product of the industry
- 3.2.3 analysis of import the industry
 - (1) overall import the industry
 - (2) structure of import product of the industry
- 3.2.4 forecast of import and export of the industry
 - (1) forecast of export of the industry
 - (2) forecast of import of the industry

Chapter 4: Analysis of operation of China's office furniture industry

4.1 analysis of development of office furniture industry

- 4.1.1 analysis of the scale of development of the industry
- 4.1.2 analysis of earnings of the industry

4.2 analysis of operation of office furniture industry

- 4.2.1 analysis of operation efficiency of the industry
- 4.2.2 analysis of profitability capability of the industry
- 4.2.3 analysis of operational capability of the industry
- 4.2.4 analysis of solvency capability of the industry
- 4.2.5 analysis of development capability of the industry

4.3 analysis of economic indicators of office furniture industry

- 4.3.1 analysis of economic indicators of office furniture industry
- 4.3.2 analysis of economic indicators of enterprises of different scale
- 4.3.3 analysis of economic indicators of enterprises of different nature

Chapter 5: Analysis of China's office furniture industry in key areas

5.1 analysis of characteristics of the overall regional structure of the industry

- 5.1.1 general characteristics of the regional structure of the industry
- 5.1.2 analysis of regional concentration of the industry
- 5.1.3 analysis of characteristics of regional distribution of the industry
 - (1) characteristics of quantity distribution of enterprise
 - (2) characteristics of asset distribution of the industry
 - (3) characteristics of revenue distribution of the industry
 - (4) characteristics of distribution of operation efficiency

5.2 analysis of the development of office furniture industry in Pearl River Delta

- 5.2.1 overview of development of office furniture industry in Pearl River Delta
- 5.2.2 analysis of development of Dayong annatto furniture industry
 - (1) development process of Dayong annatto furniture industry
 - (2) status quo of development of Dayong annatto furniture industry
 - (3) development strategy of Dayong annatto furniture industry
 - (4) development direction of Dayong annatto furniture industry
- 5.2.3 analysis of development of Lechong furniture trade industry
 - (1) development process of Lechong furniture trade industry
 - (2) status quo of development of Lechong furniture trade industry
 - (3) investment scale of Lechong furniture trade industry
 - (4) development strategy of Lechong furniture trade industry
- 5.2.4 analysis of development of Daling Shan furniture export base
 - (1) overview of development of Daling Shan furniture export base
 - (2) features of development of Daling Shan furniture export base
 - (3) development strategy of Daling Shan furniture export base
 - (4) development goals of Daling Shan furniture export base
- 5.2.5 analysis of development of Longjiang furniture industry
 - (1) overview of development of Longjiang furniture industry
 - (2) competitiveness of Longjiang furniture industry
 - (3) constraints of Longjiang furniture industry

5.3 analysis of the development of office furniture industry in Yangtze River Delta

- 5.3.1 overview of development of office furniture industry in Yangtze River Delta
- 5.3.2 analysis of development of Anji chair industry
 - (1) basic situation of development of Anji chair industry

- (2) main features of development of Anji chair industry
- (3) development of key strategies of Anji chair industry
- (4) future development measures of Anji chair industry
- 5.3.3 analysis of development of Likou furniture industry
 - (1) overview of development of Likou furniture industry
 - (2) development advantages of Likou furniture industry
 - (3) development strategy of Likou furniture industry
 - (4) development trends of Likou furniture industry
- 5.4 analysis of development of office furniture industry in Bohai Economic Rim**
 - 5.4.1 overview of development of office furniture industry in Bohai Economic Rim
 - 5.4.2 analysis of development of Ningjin chair furniture industry
 - (1) status quo of development of Ningjin chair furniture industry
 - (2) features of development of Ningjin chair furniture industry
 - (3) development strategy of Ningjin chair furniture industry
 - (4) challenges facing Ningjin chair furniture industry
 - (5) opportunities facing Ningjin chair furniture industry
 - (6) future development strategies of Ningjin chair furniture industry
 - 5.4.3 analysis of development of Shengfang metallic glass furniture industry
 - (1) development process of Shengfang metallic glass furniture industry
 - (2) overview of development of Shengfang metallic glass furniture industry
 - (3) competitiveness of Shengfang metallic glass furniture industry
 - (4) development goals of Shengfang metallic glass furniture industry
 - 5.4.4 analysis of development of Xianghe furniture industry
 - (1) development process of Xianghe furniture industry
 - (2) overview of development of Xianghe furniture industry
 - (3) structural layout of Xianghe furniture industry
 - (4) investment of Xianghe furniture industry
 - (5) prospects of Xianghe furniture industry
 - 5.4.5 analysis of Yuhuan European-style classical furniture industry
 - (1) development process of Yuhuan European-style classical furniture industry
 - (2) overview of development of Yuhuan European-style classical furniture industry
 - (3) advantages of development of Yuhuan European-style classical furniture industry
 - (4) development dilemma of Yuhuan European-style classical furniture industry
 - (5) development trends of Yuhuan European-style classical furniture industry
- 5.5 analysis of development of office furniture industry in western regions**
 - 5.5.1 overview of development of office furniture industry in western regions
 - 5.5.2 analysis of development of Chengdu Wuhou furniture industry
 - (1) development process of Chengdu Wuhou furniture industry
 - (2) overview of development of Chengdu Wuhou furniture industry
 - (3) problems of Chengdu Wuhou furniture industry
 - (4) prospects of Chengdu Wuhou furniture industry
- 5.6 analysis of development of office furniture industry in Northeast regions**
 - 5.6.1 overview of development of office furniture industry in Northeast regions
 - 5.6.2 analysis of development of Zhuanghe wood furniture industry
 - (1) overview of development of Zhuanghe wood furniture industry
 - (2) problems of Zhuanghe wood furniture industry
 - (3) prospects of Zhuanghe wood furniture industry

Chapter 6: Analysis of product market and demand of China's office furniture industry

6.1 structure of main products of the industry

6.2 analysis of market of major products

- 6.2.1 analysis of system furniture market
- 6.2.2 analysis of desk market
- 6.2.3 analysis of file cabinet market
- 6.2.4 analysis of office chair market

6.3 analysis of demand for office furniture

- 6.3.1 analysis of demand of government procurement
- 6.3.2 analysis of demand of corporate procurement
 - (1) analysis of development and investment of office building
 - (2) analysis of scale of development of office building

- (3) analysis of sales volume of office building
- (4) the demand of office building development for office furniture

6.4 analysis of intelligentization and technological innovation of office furniture

- 6.4.1 analysis of innovation design of intelligentization of office furniture
 - (1) connotation and denotation of intelligentization of office furniture
