

China Engineering Consultation Industry Development Prospects and Investment Strategic Planning Report, 2013-2018

目 录

CONTENTS

Chapter 1: Major Structure of Engineering Consultation Industry

- 1.1 Definition of Engineering Consultation Industry
 - 1.1.1 Definition of Engineering Consultation Industry
 - 1.1.2 Characteristics of Engineering Consultation Industry
- 1.2 Service Range of Engineering Consultation Industry
 - 1.2.1 Service Range of Engineering Consultation Industry
 - 1.2.2 Service Object of Engineering Consultation Industry
- 1.3 Development Progress of Engineering Consultation Industry
 - 1.3.1 Development Progress of Engineering Consultation Industry
 - 1.3.2 Qualification Rank Division
- 1.4 Major Structure of Engineering Consultation Industry
 - 1.4.1 Amount and Scale of Engineering Consultation Corporations
 - 1.4.2 Qualification Structure of Engineering Consultation Corporations
 - 1.4.3 Regional Structure of Engineering Consultation Corporations
 - 1.4.4 Specialty Structure of Engineering Consultation Corporations
- 1.5 Market Status of Engineering Consultation Industry
 - 1.5.1 Market Size of Engineering Consultation Industry
 - 1.5.2 Profit Margin of Engineering Consultation Industry

Chapter 2: Investment Opportunities and Prospects Forecast of the Segment Markets of Engineering Consultation Industry

- 2.1 Market Demand of Building Construction Engineering Consultation Industry
 - 2.1.1 Supply and Demand of Real Estate to Control Policy
 - (1) Influence of Real Estate Policy to the Supply
 - (2) Influence of Real Estate Policy to the Demand
 - (3) Influence of Real Estate Policy to the Balance between Supply and Demand
 - 2.1.2 Market Supply and Demand Status of Real Estate Industry
 - (1) Investment Scale of Real Estate Development
 - (2) Construction Scale of Real Estate Development
 - (3) Balance between Supply and Demand to Real Estate Market
 - 2.1.3 Development Status of Building Construction Engineering Consultation
 - (1) Amount of Building Construction Engineering Consultation Corporations
 - (2) Qualification Structure of Building Construction Engineering Consultation Corporations
 - (3) Business Revenue of Building Construction Engineering Consultation
 - 2.1.4 Market Prospects of Building Construction Engineering Consultation
- 2.2 Market Demand of Municipal Public Engineering Consultation Industry
 - 2.2.1 Investment and Construction to Municipal Public Engineering
 - (1) Investment Status of Municipal Public Engineering
 - (2) Construction Status of Municipal Public Engineering
 - 2.2.2 Development Status of Municipal Public Engineering Consultation
 - (1) Amount of Municipal Public Engineering Consultation Corporations
 - (2) Qualification Structure of Municipal Public Engineering Consultation Corporations
 - (3) Business Revenue of Municipal Public Engineering Consultation Industry
 - 2.2.3 Market Prospects of Municipal Public Engineering Consultation
- 2.3 Market Demand of Electric Power Engineering Consultation Industry
 - 2.3.1 Investment and Construction to Electric Power Engineering
 - (1) Imbalance between Supply and Demand of Regional Electric Power
 - (2) Investment and Construction of Electric Power Engineering
 - (3) Installed Capacity of Electric Power Engineering
 - 2.3.2 Development Status of Electric Power Engineering Consultation

- (1) Amount of Electric Power Engineering Consultation Corporations
- (2) Qualification Structure of Electric Power Engineering Consultation Corporations
- (3) Business Revenue of Electric Power Engineering Consultation Industry
- 2.3.3 Market Prospects of Electric Power Engineering Consultation
- 2.4 Market Demand of Hydraulic Engineering Consultation Industry**
- 2.4.1 Investment and Construction to Hydraulic Engineering
 - (1) Investment Scale of Hydraulic Engineering
 - (2) Investment Structure of Hydraulic Engineering
 - (3) Approved Status of Rural Hydraulic Engineering
- 2.4.2 Development Status of Hydraulic Engineering Consultation
 - (1) Amount of Hydraulic Engineering Consultation Corporations
 - (2) Qualification Structure of Hydraulic Engineering Consultation Corporations
 - (3) Business Revenue of Hydraulic Engineering Consultation Industry
- 2.4.3 Market Prospects of Hydraulic Engineering Consultation
- 2.5 Market Demand of Railway Engineering Consultation Industry**
- 2.5.1 Investment and Construction to Railway Engineering
- 2.5.2 Development Status of Railway Engineering Consultation
 - (1) Amount of Railway Engineering Consultation Corporations
 - (2) Qualification Structure of Railway Engineering Consultation Corporations
 - (3) Business Revenue of Railway Engineering Consultation Industry
- 2.5.3 Market Prospects of Railway Engineering Consultation
- 2.6 Market Demand of Highway Engineering Consultation Industry**
- 2.6.1 Investment and Construction to Highway Engineering
 - (1) Investment Scale of Highway Construction
 - (2) Mileage and Density of Highway Construction
- 2.6.2 Development Status of Highway Engineering Consultation
 - (1) Amount of Highway Engineering Consultation Corporations
 - (2) Qualification Structure of Highway Engineering Consultation Corporations
 - (3) Business Revenue of Highway Engineering Consultation Industry
- 2.6.3 Market Prospects of Highway Engineering Consultation
- 2.7 Market Demand of Petrochemical Engineering Consultation Industry**
- 2.7.1 Investment and Construction to Petrochemical Engineering
- 2.7.2 Development Status of Petrochemical Engineering Consultation
 - (1) Amount of Petrochemical Engineering Consultation Corporations
 - (2) Qualification Structure of Petrochemical Engineering Consultation Corporations
 - (3) Business Revenue of Petrochemical Engineering Consultation Industry
- 2.7.3 Market Prospects of Petrochemical Engineering Consultation
- 2.8 Market Demand of Metallurgical Engineering Consultation Industry**
- 2.8.1 Investment and Construction to Metallurgical Engineering
- 2.8.2 Development Status of Metallurgical Engineering Consultation
 - (1) Amount of Metallurgical Engineering Consultation Corporations
 - (2) Qualification Structure of Metallurgical Engineering Consultation Corporations
 - (3) Business Revenue of Metallurgical Engineering Consultation Industry
- 2.8.3 Market Prospects of Metallurgical Engineering Consultation
- 2.9 Market Demand of Mine Engineering Consultation Industry**
- 2.9.1 Investment and Construction to Mine Engineering
- 2.9.2 Development Status of Mine Engineering Consultation
 - (1) Amount of Mine Engineering Consultation Corporations
 - (2) Qualification Structure of Mine Engineering Consultation Corporations
 - (3) Business Revenue of Mine Engineering Consultation Industry
- 2.9.3 Market Prospects of Mine Engineering Consultation
- 2.10 Market Demand of Agriculture and Forestry Engineering Consultation Industry**
- 2.10.1 Investment and Construction to Agriculture and Forestry Engineering
- 2.10.2 Development Status of Agriculture and Forestry Engineering Consultation
 - (1) Amount of Agriculture and Forestry Engineering Consultation Corporations
 - (2) Qualification Structure of Agriculture and Forestry Engineering Consultation Corporations
 - (3) Business Revenue of Agriculture and Forestry Engineering Consultation Industry
- 2.10.3 Market Prospects of Agriculture and Forestry Engineering Consultation
- 2.11 Market Demand of Communication Engineering Consultation Industry**

- 2.11.1 Investment and Construction to Communication Engineering
- 2.11.2 Development Status of Communication Engineering Consultation
 - (1) Amount of Communication Engineering Consultation Corporations
 - (2) Qualification Structure of Communication Engineering Consultation Corporations
 - (3) Business Revenue of Communication Engineering Consultation Industry
- 2.11.3 Market Prospects of Communication Engineering Consultation
- 2.12 Market Demand of Port and Waterway Engineering Consultation Industry**
 - 2.12.1 Investment and Construction to Port and Waterway Engineering
 - (1) Investment Scale of Waterway Construction
 - (2) Construction Amount of Ports and Wharfs
 - 2.12.2 Development Status of Port and Waterway Engineering Consultation
 - (1) Amount of Port and Waterway Engineering Consultation Corporations
 - (2) Qualification Structure of Port and Waterway Engineering Consultation Corporations
 - (3) Business Revenue of Port and Waterway Engineering Consultation Industry
 - 2.12.3 Market Prospects of Port and Waterway Engineering Consultation

Chapter 3: Segment Market and Regional Market Selection Strategy to Engineering Consultation Industry

- 3.1 Market Prospects Forecast of Engineering Consultation Industry**
 - 3.1.1 Coordination of Economic Growth and the Development of Engineering Consultation Industry
 - 3.1.2 Development Status and Forecast of Macro-Economic
 - (1) Development Status of Macro-Economic
 - (2) Development Trend of Macro-Economic
 - 3.1.3 Market Prospects Forecast of Engineering Consultation Industry
- 3.2 Investment Strategic Selection to the Segment Market of Engineering Consultation Industry**
 - 3.2.1 Prospects Forecast of Segment Market of Engineering Consultation Industry
 - 3.2.2 Strategy Selection to the Segment Market of Engineering Consultation Industry
- 3.3 Investment Strategic Selection to the Regional Market of Engineering Consultation Industry**
 - 3.3.1 Comparison of Regional Economic Growth
 - (1) Comparison of Regional Economic Scale
 - (2) Comparison of Regional Economic Growth
 - 3.3.2 Comparison of Regional Fixed Investments
 - (1) Comparison of the Gross Regional Fixed Investment Scale
 - (2) Comparison of the Growth Rate of Regional Fixed Investment
 - (3) Comparison of the Regional Investments to Building Construction
 - 3.3.3 Investment Strategic Selection to the Regional Market of Engineering Consultation Industry

Chapter 4: Operation of the Benchmark Corporations of China Engineering Consultation Industry

- 4.1 Operation Status of Comprehensive Engineering Consultation Corporations**
 - 4.1.1 Operation of China International Engineering Consulting Corporation
 - (1) Development Briefing of the Company
 - (2) Major Business of the Company
 - (3) Organization Structure of the Company
 - (4) Qualification and Honor of the Company
 - (5) HR of the Company
 - (6) Operation Advantages and Disadvantages of the Company
 - (7) Latest Development Trend of the Company
 - 4.1.2 Operation of Beijing Engineering Consultation Co., Ltd.
 - (1) Development Briefing of the Company
 - (2) Major Business of the Company
 - (3) Organization Structure of the Company
 - (4) Qualification and Honor of the Company
 - (5) HR of the Company
 - (6) Operation Status of the Company
 - (7) Operation Advantages and Disadvantages of the Company
 - (8) Latest Development Trend of the Company
 - 4.1.3 Operation of Shanghai TongJi Engineering Consulting Co., Ltd.
 - (1) Development Briefing of the Company
 - (2) Major Business of the Company
 - (3) Organization Structure of the Company

- (4) Qualification and Honor of the Company
- (5) HR of the Company
- (6) Operation Status of the Company
- (7) Operation Advantages and Disadvantages of the Company
- (8) Latest Development Trend of the Company
- 4.1.4 Operation of Guangzhou International Engineering Consultation Co., Ltd.
 - (1) Development Briefing of the Company
 - (2) Major Business of the Company
