

China Construction Coating Industry Market Demand Forecast and Investment Strategy Planning Report, 2013-2017

目 录

CONTENTS

CONTENTS

Chapter 1: Development Overview of China Construction Coating Industry

1.1 Definition and Product Classification of Construction Coating Industry

- 1.1.1 Concept and Definition of the Industry
- 1.1.2 Classification of Major Products of the Industry
- 1.1.3 Data Sources and Statistics Standards of the Industry

1.2 Status of Construction Coating Industry

- 1.2.1 Status of the Industry to National Economy
- 1.2.2 Status of the Industry to Coating Industry
- 1.2.3 Status of the Industry to Industry Chain
 - (1) Market Environment of China Construction Coating Industry

1.3 Policy Environment of Construction Coating Industry

- 1.3.1 Policy Planning of the Industry
 - (1) Production Planning of the Industry
 - (2) Status Planning of the Industry
 - (3) Product Structure Planning
- 1.3.2 Relevant Standards of the Industry

1.4 Economic Environment of Construction Coating Industry

- 1.4.1 GDP Growth in China
 - (1) Status of GDP Growth in China
 - (2) Relationship between the Industry and GDP Growth
- 1.4.2 Status of Fixed Capital Investment
 - (1) Status of Fixed Capital Investment
 - (2) Relationship between the Industry and Fixed Capital Investment

1.5 Technical Environment of Construction Coating Industry

- 1.5.1 Development Prospect of the Industry Technology
- 1.5.2 Development Environment of the Construction Technology

1.6 Market Overview of Construction Coating Industry

- 1.6.1 Development Status of China Construction Coating Industry

1.7 Development Overview of Construction Coating Industry

- 1.7.1 Development History of the Industry
- 1.7.2 Market Scale of the Industry
- 1.7.3 Regional Distribution of the Industry

1.8 Economy Analysis of Construction Coating Industry

- 1.8.1 Overall Economic Status of the Industry
- 1.8.2 Profitability of the Industry
- 1.8.3 Operation Capability of the Industry
- 1.8.4 Debt-paying Capability of the Industry
- 1.8.5 Development Capability of the Industry

1.9 Supply and Demand Balance of Construction Coating Industry

- 1.9.1 Supply of Construction Coating Industry
 - (1) Total Value Growth of the Industry
 - (2) Regional Distribution of Total Value of the Industry
 - (3) Finished Product Growth of the Industry
 - (4) Regional Distribution of Finished Product of the Industry
- 1.9.2 Demand of Construction Coating Industry
 - (1) Sales Revenue Growth of the Industry
 - (2) Regional Distribution of Sales Revenue of the Industry
 - (3) Output Value Growth of the Industry

- (4) Regional Distribution of Output Value of the Industry
- 1.9.3 Supply and Demand Balance of Construction Coating Industry
 - (1) Market Competition of Construction Coating Industry at Home and Abroad
- 1.10 Competition of International Construction Coating Industry**
 - 1.10.1 International Competitive Structure
 - (1) Regional Distribution Structure
 - (2) Competitive Structure to the Products
 - (3) Competitive Structure to the Corporations
 - 1.10.2 Development Status in Major Countries
 - (1) Construction Coating Industry in America
 - (2) Construction Coating Industry in Japan
 - (3) Construction Coating Industry in Germany
 - 1.10.3 Competition of Major Corporations in China
 - (1) Akzo Nobel
 - (2) BASF
 - (3) DuPont
 - (4) PPG Industry
 - (5) NipponPaint
- 1.11 Competition of China Construction Coating Industry**
 - 1.11.1 Competitive Structure in China
 - (1) Regional Distribution Structure
 - (2) Competitive Structures of Corporations
 - 1.11.2 Five Forces Model of the Industry
 - (1) Bargaining Capability of Upstream Industry
 - (2) Bargaining Capability of Downstream Industry
 - (3) Threats from New Entrants
 - (4) Threats from Substitute Products
 - (5) Competition of the Industry
- 1.12 Merger and Acquisition of Construction Coating Industry**
 - 1.12.1 Merger and Acquisition of International Investment
 - (1) Status of Investment Merger and Acquisition
 - (2) Cases of Investment Merger and Acquisition
 - 1.12.2 Merger and Acquisition of Domestic Investment
 - (1) Status of Investment Merger and Acquisition
 - (2) Cases of Investment Merger and Acquisition
- 1.13 Regional Markets of China Construction Coating Industry**
- 1.14 Regional Market Overview of China Construction Coating Industry**
 - 1.14.1 Production Distribution of the Industry
 - 1.14.2 Market Distribution of the Industry
 - 1.14.3 Profit Distribution of the Industry
- 1.15 Construction Coating Market in Eastern China**
 - 1.15.1 Construction Coating Market in Shanghai City
 - 1.15.2 Construction Coating Market in Jiangsu Province
 - 1.15.3 Construction Coating Market in Shandong Province
 - 1.15.4 Construction Coating Market in Zhejiang Province
 - 1.15.5 Construction Coating Market in Anhui Province
 - 1.15.6 Construction Coating Market in Fujian Province
- 1.16 Construction Coating Market in Southern China**
 - 1.16.1 Construction Coating Market in Guangdong Province
 - 1.16.2 Construction Coating Market in Guangxi Province
 - 1.16.3 Construction Coating Market in Hainan Province
- 1.17 Construction Coating Market in Central China**
 - 1.17.1 Construction Coating Market in Hunan Province
 - 1.17.2 Construction Coating Market in Hubei Province
 - 1.17.3 Construction Coating Market in Henan Province
- 1.18 Construction Coating Market in Northern China**
 - 1.18.1 Construction Coating Market in Beijing City
 - 1.18.2 Construction Coating Market in Shanxi Province
 - 1.18.3 Construction Coating Market in Tianjin City

1.18.4 Construction Coating Market in Hebei Province

1.19 Construction Coating Market in Northeast China

1.19.1 Construction Coating Market in Liaoning Province

1.19.2 Construction Coating Market in Jilin Province

1.19.3 Construction Coating Market in Heilongjiang

(1) Product Market of China Construction Coating Industry

1.20 Overview of Construction Coating Products

1.20.1 Classified by Dispersion Medium

1.20.2 Classified by Application Parts

1.20.3 Classified by Product Functions

1.20.4 Classified by Product Basic Materials

1.21 Products with Different Dispersion Medium

1.21.1 Analysis of Waterborne Construction Coating Market

(1) Primary Performance of Waterborne Construction Coating

(2) Application Status of Waterborne Construction Coating

(3) Market Status of Waterborne Construction Coating

(4) Researching Progress of Waterborne Construction Coating

(5) Market Prospect of Waterborne Construction Coating

1.21.2 Analysis of Solvent-based Construction Coating Market

(1) Primary Performance of Solvent-based Construction Coating

(2) Application Status of Solvent-based Construction Coating

(3) Market Status of Solvent-based Construction Coating

(4) Researching Progress of Solvent-based Construction Coating

(5) Market Prospect of Solvent-based Construction Coating

1.22 Products Applied in Different Parts

1.22.1 Analysis of Interior Wall Coating Market

(1) Primary Performance of Interior Wall Coating

(2) Application Status of Interior Wall Coating

(3) Market Status of Interior Wall Coating

1.22.2 Analysis of Exterior Wall Coating Market

(1) Primary Performance of Exterior Wall Coating

(2) Application Status of Exterior Wall Coating

(3) Market Status of Exterior Wall Coating

(4) Researching Progress of Exterior Wall Coating

(5) Market Prospect of Exterior Wall Coating

1.22.3 Analysis of Floor Coating Market

(1) Primary Performance of Floor Coating

(2) Application Status of Floor Coating

(3) Market Status of Floor Coating

(4) Researching Progress of Floor Coating

(5) Market Prospect of Floor Coating

1.23 Market of Products with Different Functions

1.23.1 Analysis of Waterproof Construction Coating Market

(1) Primary Performance of Waterproof Construction Coating

(2) Application Status of Waterproof Construction Coating

(3) Market Status of Waterproof Construction Coating

(4) Researching Progress of Waterproof Construction Coating

(5) Market Prospect of Waterproof Construction Coating

1.23.2 Analysis of Fireproof Construction Coating Market

(1) Primary Performance of Fireproof Construction Coating

(2) Application Status of Fireproof Construction Coating

(3) Market Status of Fireproof Construction Coating

(4) Researching Progress of Fireproof Construction Coating

(5) Market Prospect of Fireproof Construction Coating

1.23.3 Analysis of Heat Insulation Construction Coating Market

(1) Primary Performance of Heat Insulation Construction Coating

(2) Application Status of Heat Insulation Construction Coating

(3) Market Status of Heat Insulation Construction Coating

(4) Researching Progress of Heat Insulation Construction Coating

(5) Market Prospect of Heat Insulation Construction Coating

1.24 Market of Products with Different Basic Materials

- 1.24.1 Analysis of Acrylic-resin Construction Coating Market
- 1.24.2 Analysis of Polyurethane-resin Construction Coating Market
- 1.24.3 Analysis of Epoxy-resin Construction Coating Market
- 1.24.4 Analysis of Silicate Construction Coating Market

(1) Operation Situation of China Construction Coating Corporations

1.25 Overall Operation Status of Construction Coating Corporations

- 1.25.1 Ranking of the Corporations' Scale
- 1.25.2 Asset Size of the Corporations
- 1.25.3 Sales Revenue of the Corporations
- 1.25.4 Total Profit of the Corporations

1.26 Operation of Significant Transnational Construction Coating Corporations

- 1.26.1 Operation of Akzo Nobel Swire Paints (Shanghai) Co., Ltd.
 - (1) Development Briefing of the Corporation
 - (2) Production and Marketing Capability of the Corporation
 - (3) Profitability of the Corporation
 - (4) Operation Capability of the Corporation
 - (5) Debt-paying Capability of the Corporation
 - (6) Development Capability of the Corporation
 - (7) Product Structure and New Product Trend of the Corporation
 - (8) Sales Channel and Network of the Corporation
 - (9) Development Advantages and Disadvantages of the Corporation
