

# China Activated Carbon Industry Marketing Research and Investment Forecast Analysis Report, 2013-2017

## 目 录

### CONTENTS

#### Chapter 1: Summary of China activated carbon industry development

- 1.1 Definitions of the activated carbon industry
  - 1.1.1 Definitions of Activated Carbon Industry
  - 1.1.2 Categories of activated carbon industry products
  - 1.1.3 Characteristics of activated carbon adsorption
- 1.2 Application Areas of Activated Carbon Industry
  - 1.2.1 Brief Analysis of Application Areas of Activated Carbon Industry
    - (1) Application Areas of Activated Carbon
    - (2) Application Comparisons between wood and coal activated carbon
  - 1.2.2 Application of activated carbon in the liquid adsorption
  - 1.2.3 Application of activated carbon in the gas adsorption
  - 1.2.4 Application of activated carbon in catalysis
  - 1.2.5 Application of activated carbon in the emerging fields
- 1.3 Analysis of activated carbon industry chain
  - 1.3.1 Introduction of activated carbon industry chain
  - 1.3.2 Characteristics of the activated carbon industry chain
  - 1.3.3 Analysis of activated carbon upstream industry
    - (1) Analysis of the development of the timber industry
    - (2) Analysis of the development of the coal mining industry
    - (3) Analysis of the development of chemical activator industry

#### Chapter 2: Analysis of Global Activated Carbon Industry Development

- 2.1 Analysis of the Global Activated Carbon Industry Development
  - 2.1.1 Analysis of the Global Activated Carbon Industry Market
  - 2.1.2 Layout of global activated carbon industry areas
  - 2.1.3 Analysis of global activated carbon applications
  - 2.1.4 Analysis of regional consumption of global activated carbon
  - 2.1.5 The global activated carbon industry trends
- 2.2 Development analysis of American activated carbon industry
  - 2.2.1 Analysis of American activated carbon industry supply
  - 2.2.2 Analysis of American activated carbon industry demands
  - 2.2.3 Analysis of American activated carbon industry exports
  - 2.2.4 American activated carbon demand trends
- 2.3 Development analysis of Japanese activated carbon industry
  - 2.3.1 Analysis of Japanese activated carbon industry supply
  - 2.3.2 Analysis of Japanese activated carbon industry demands
  - 2.3.3 Analysis of Japanese activated carbon industry exports
  - 2.3.4 Japanese activated carbon demand trends
- 2.4 Development analysis of EU' s activated carbon industry
  - 2.4.1 Analysis of EU' s activated carbon industry supply
  - 2.4.2 Analysis of EU' s activated carbon industry demands
  - 2.4.3 Analysis of EU' s activated carbon industry exports
  - 2.4.4 EU' s activated carbon demand trends

#### Chapter 3: Analysis of China Activated Carbon Industry Development

- 3.1 Analysis of the activated carbon industry development
  - 3.1.1 Overview of the activated carbon industry development
  - 3.1.2 Characteristics of the activated carbon industry
  - 3.1.3 Factors Affecting the activated carbon industry
  - 3.1.4 Problems of Activated Carbon Industry.....39
  - 3.1.5 Development Strategy of Activated Carbon Industry

### 3.2 Analysis of the activated carbon industry operators

#### 3.2.1 Analysis of the activated carbon industry supply

##### (1) 3.2.2 Analysis of the activated carbon industry demands

#### 3.2.2 Analysis of influencing factors of activated carbon industry's profitability

#### 3.2.3 Regional distribution of activated carbon industry

### 3.3 Analysis of Five Forces of Activated Carbon Industry

#### 3.3.1 Analysis of bargaining power of activated carbon upstream industry

#### 3.3.2 Analysis of bargaining power of activated carbon downstream industry

#### 3.3.3 Analysis of the potential threat of activated carbon industry

#### 3.3.4 Analysis of threats of activated carbon industry alternatives

#### 3.3.5 existing competition of activated carbon industry enterprises

#### 3.3.6 Analysis Summary of Five Forces of Activated Carbon Industry

### 3.4 Import and Export Market Analysis of Activated Carbon Industry

#### 3.4.1 Analysis of industry exports in 2010-2012

##### (1) Overall Review of industry exports in 2010-2012

##### (2) Products structure of industry exports in 2010-2012

#### 3.4.2 Analysis of industry imports in 2010-2012

##### (1) Overall Review of industry imports in 2010-2012

##### (2) Products structure of industry imports in 2010-2012

#### 3.4.3 Prospects Analysis of Industry Import and Export

##### (1) Prospects and recommendations for activated carbon industry exports

##### (2) Prospects and recommendations for activated carbon industry imports

## Chapter 4: Analysis of China activated carbon industry market environment

### 4.1 Analysis of activated carbon industry policy environment

#### 4.1.1 Regulatory systems for activated carbon industry

##### (1) Management system of the forest products industry

##### (2) Food hygiene license system

##### (3) Drinking water hygiene and safety license system

##### (4) Drug production license system

#### 4.1.2 Main policies for activated carbon industry

##### (1) Laws and regulations involving industry management

##### (2) Incentive policies and development planning

##### (3) Regulations and policies of fiscal tax incentives
