

Report on Market Forecast and Investment Strategy Planning of China IC Card Industry, 2013–2017

目 录

CONTENTS

Chapter 1: Development Overview of China IC Card Industry

1.1 Definition of IC Card Industry

- 1.1.1 Definition of IC Card Industry
- 1.1.2 Product Category of IC Card Industry

1.2 Analysis of IC Card Industry Chain

- 1.2.1 Issuing Process of IC Card
- 1.2.2 Briefing of IC Card Industry Chain
- 1.2.3 Development of Integrate Circuit Industry
 - (1) Analysis of Integrate Circuit Design Market
 - (2) Analysis of Integrate Circuit Manufacturing Market
 - (3) Analysis of Integrate Circuit Package Market

Chapter 2: Development of China IC Card Industry

2.1 Market Environment of IC Card Industry

- 2.1.1 Macro Environment of IC Card Industry
 - (1) Development of China Urbanization Level
 - (2) Income and Consumption of China Residents
- 2.1.2 Policy Environment of IC Card Industry
 - (1) Management System of IC Card Industry
 - (2) Relevant Policies of IC Card Industry
 - (3) Development Planning of IC Card Industry

2.2 Development Overview of IC Card Industry

- 2.2.1 Development Progress of IC Card Industry
- 2.2.2 Application of Major IC Card Products
- 2.2.3 Development Characteristics of IC Card Industry
- 2.2.4 Influencing Factors of IC Card Industry

2.3 Operation Status of IC Card Industry

- 2.3.1 Sales Scale of IC Card Industry
- 2.3.2 Sales Volume of IC Card Industry
- 2.3.3 Demanding Field Distribution of IC Card Industry
- 2.3.4 Market Price of IC Card Industry
- 2.3.5 Profit Level of IC Card Industry
- 2.3.6 Existing Problems of IC Card Industry

2.4 Competition of IC Card Industry

- 2.4.1 Competition of International IC Card Industry
 - (1) Development Overview of International IC Card Industry
 - (2) Competitive Structure of International IC Card Industry
 - (3) Development Trend of International IC Card Industry
- 2.4.2 Five Forces Model Analysis of China IC Card Industry
 - (1) Analysis of Current Competition
 - (2) Analysis of Potential Entrants' Threats
 - (3) Analysis of Upstream Bargaining Capability
 - (4) Analysis of Downstream Bargaining Capability
 - (5) Analysis of Substitute Goods' Threats

Chapter 3: Application of City Card in China

3.1 Construction Progress of Gold Card Project

- 3.1.1 Development Overview of Gold Card Project
- 3.1.2 Standardization Progress of Gold Card Project
 - (1) Establishment of Mobile Payment Standard Team
 - (2) Establishment of Internet of Things Standard Alliance Team

- 3.1.3 Construction Progress of Gold Card Project
 - (1) Development of Financial IC Card
 - (2) Development of Intelligent IC Card
 - (3) Application of IC Card in Pilot Cities
 - (4) RFID Application of Gold Card Project
- 3.1.4 Construction Focus of Gold Card Project in the Future

3.2 Application Overview of City Card

- 3.2.1 Development Progress of City Card Application
 - (1) Initialization Phase of Contacting IC Card
 - (2) Application Phase of Non-contacting IC Card
 - (3) Development Phase of City Card Application
- 3.2.2 Application Standard System of City Card
 - (1) International Standards
 - (2) National Standards
 - (3) Industrial Standards
- 3.2.3 Security Application of City Card
 - (1) Security Application Model of City Card
 - (2) Key Management System of City Card

3.3 Development Status of City Card Application

- 3.3.1 Development Speed of City Card Application
- 3.3.2 Issuing Scale of City Card
- 3.3.3 Comparison of Card Issuing Scale in Different Regions
- 3.3.4 Regional Intercommunication of City Card Application
- 3.3.5 Establishment of Card Reading Terminal of City Card
- 3.3.6 Capital Source of City Card Project
- 3.3.7 Slot-card Preferential Policy of City Card Application
- 3.3.8 Existing Problems of City Card Application
- 3.3.9 Events of City Card Industry

3.4 Application of City Card in Major Cities

- 3.4.1 Application of City Card in Beijing
 - (1) Application Status of City Card in Beijing
 - (2) Development Planning of City Card in Beijing
 - (3) Development Trend of City Card in Beijing
 - (4) Relevant Events of City Card in Beijing
- 3.4.2 Application of City Card in Shanghai
 - (1) Application Status of City Card in Shanghai
 - (2) Development Planning of City Card in Shanghai
 - (3) Development Trend of City Card in Shanghai
- 3.4.3 Application of City Card in Tianjin
 - (1) Application Status of City Card in Tianjin
 - (2) Development Planning of City Card in Tianjin
 - (3) Development Trend of City Card in Tianjin
- 3.4.4 Application of City Card in Chongqing
 - (1) Application Status of City Card in Chongqing
 - (2) Development Planning of City Card in Chongqing
 - (3) Development Trend of City Card in Chongqing
- 3.4.5 Application of City Card in Guangdong
 - (1) Application Status of City Card in Guangdong
 - (2) Development Planning of City Card in Guangdong
 - (3) Development Trend of City Card in Guangdong
 - (4) Latest Development Trend of City Card in Guangdong
- 3.4.6 Application of City Card in Jiangsu
 - (1) Application Status of City Card in Jiangsu
 - (2) Development Planning of City Card in Jiangsu
 - (3) Development Trend of City Card in Jiangsu
- 3.4.7 Application of City Card in Liaoning
 - (1) Application Status of City Card in Liaoning
 - (2) Development Planning of City Card in Liaoning
 - (3) Development Trend of City Card in Liaoning

(4) Latest Development Trend of City Card in Liaoning

Chapter 4: Product Market of China IC Card Industry

4.1 Demand Structure of IC Card Product

4.2 Analysis of Contacting IC Card Market

4.2.1 Overview of Contacting IC Card Market

- (1) Concept of Contacting IC Card
- (2) Application of Contacting IC Card
- (3) Category of Contacting IC Card

4.2.2 Scale of Contacting IC Card Market

4.2.3 Analysis of Contacting IC Card Segment Market

- (1) Analysis of Memory Card Market
- (2) Analysis of Encryption Memory Card Market
- (3) Analysis of CPU Card Market

4.2.4 Analysis of Contacting IC Card Technology

- (1) Technology of Contacting Memory Card
- (2) Technology of Contacting Logic Encryption Card
- (3) Technology of CPU Card

4.2.5 Development Trend of Contacting IC Card

4.3 Analysis of Radio Frequency Card Market

4.3.1 Overview of Radio Frequency Card Market

- (1) Concept of Radio Frequency Card
- (2) Application of Radio Frequency Card
- (3) Category of Radio Frequency Card

4.3.2 Development Phrases of Radio Frequency Card Market

- (1) Market Cultivation Phrase
- (2) Market Development Phrase
- (3) Market Maturation Phrase

4.3.3 Development Scale of Radio Frequency Card Market

- (1) Market Size of RFID Industry
