

China Government Procurement and Agency Industry Report (2016–2021), Market Prospective and Investment Strategy Planning

目 录

CONTENTS

Chapter 1: Development background of the government procurement agency industry

- 1.1 scope and statistical methods of industry research
 - 1.1.1 background of industry research
 - 1.1.2 scope of industry research
 - 1.1.3 industry statistical methods
 - 1.1.4 industry forecasting tool
- 1.2 overview of related government procurement agency
 - 1.2.1 definition of government procurement
 - 1.2.2 interpretation of the existing government procurement catalog
 - 1.2.3 constraints of government procurement price
 - 1.2.4 organization embodiment of government procurement
 - (1) single project procurement
 - (2) agreement supply
 - (3) fixed procurement
 - (4) online auction
 - 1.2.5 the basic procedure of centralized government procurement
- 1.3 operation of government procurement sector in.....2012
 - 1.3.1 number of government procurement released projects
 - 1.3.2 analysis of government procurement funding
 - 1.3.3 the geographical distribution of the size of government procurement
 - 1.3.4 analysis of constituents of government procurement projects
 - 1.3.5 analysis of constituents of government procurement items
- 1.4 attractiveness of government procurement agency industry
 - 1.4.1 analysis of the government procurement market growth
 - 1.4.2 level of competition of government procurement agency industry
 - 1.4.3 analysis of profitability of government procurement agency industry
 - 1.4.4 the relationship between the scale of government procurement and the economic cycle
- 1.5 analysis of barriers of government procurement agency industry
 - 1.5.1 barriers to enter government procurement agency industry
 - 1.5.2 exit mechanism of government procurement agency industry

Chapter 2: Analysis of market environment of government procurement agency industry

- 2.1 impact of the international situation on government procurement
 - 2.1.1 the impact of the economic situation on government procurement
 - 2.1.2 the impact of international regulations on government procurement
 - 2.1.3 the impact of trade environment on government procurement
- 2.2 analysis of policy environment of government procurement agency
 - 2.2.1 analysis of government procurement policies and regulations
 - (1) analysis of relevant national laws and regulations
 - (2) analysis of files of relevant ministries
 - (3) analysis of other important literature
 - 2.2.2 analysis of policy of government procurement agency
 - 2.2.3 management situation of government purchasing agent qualification
 - 2.2.4 the impact of macro-control policies in government procurement
 - 2.2.5 trends in government procurement policy
- 2.3 analysis of macroeconomic environment of government procurement agency
 - 2.3.1 the relationship between fixed asset investment and the government procurement
 - 2.3.2 the relationship between regional economic planning and government procurement
 - 2.3.3 position of government procurement in the national economy
- 2.4 analysis of industrial development environment of government procurement agency

- 2.4.1 development direction of metals and minerals industry
- 2.4.2 development direction of municipal engineering industry
- 2.4.3 development direction of main utilities
- 2.4.4 development direction of transportation industry
- 2.4.5 development direction of electronic information industry
- 2.4.6 development direction of culture and entertainment industry
- 2.4.7 development direction of animal husbandry and fishery industry
- 2.4.8 development direction of financial sector

Chapter 3: Analysis of government procurement market segmentation

3.1 structure of government procurement projects

- 3.1.1 analysis of goods project of government procurement
- 3.1.2 analysis of engineering project of government procurement
- 3.1.3 analysis of service project of government procurement

3.2 analysis of capital flows of government procurement items

- 3.2.1 analysis of the electronic information industry procurement
 - (1) profiles of government procurement market of electronic information products
 - (2) analysis of government procurement market of computer products
 - 1) procurement scale of computer products
 - 2) procurement of computer brands
 - (3) analysis of government procurement market of communications equipment
 - (4) analysis of government procurement market of software
 - 1) the procurement size of the software product
 - 2) procurement of software brands
- 3.2.2 analysis of the automotive industry procurement
 - (1) analysis of car purchasing scale
 - (2) ranking of car brand purchases
 - (3) ranking of auto bid amount
 - (4) regional distribution of automobile purchases
- 3.2.3 analysis of air conditioning and printer purchases
 - (1) analysis of government procurement of air conditioning
 - (2) analysis of government procurement of printer
- 3.2.4 analysis of metals and minerals industry procurement
 - (1) government procurement scale of metallurgical mineral products
 - (2) regional distribution of government procurement of metallurgical mineral products
 - (3) analysis of government procurement of metallurgical subdivided items
- 3.2.5 analysis of the financial sector procurement
 - (1) procurement scale of financial sector products
 - (2) regional distribution of procurement of financial sector products
- 3.2.6 Analysis of transportation procurement
 - (1) procurement scale of transportation products
 - (2) regional distribution of procurement of transportation products
 - (3) analysis of government procurement of transportation subdivided items
- 3.2.7 analysis of business services procurement
 - (1) procurement scale of business service products
 - (2) regional distribution of procurement of business service products
 - (3) analysis of government procurement of business service subdivided items
- 3.2.8 analysis of animal husbandry and fishery industry procurement
 - (1) procurement scale of products of animal husbandry and fishery industry
 - (2) regional distribution of procurement of animal husbandry and fishery industry products
 - (3) analysis of government procurement of animal husbandry and fishery industry subdivided items
- 3.2.9 analysis of municipal real estate construction procurement
 - (1) procurement scale of municipal real estate construction products
 - (2) regional distribution of procurement of municipal real estate construction products
 - (3) analysis of government procurement of municipal real estate construction subdivided items
- 3.2.10 analysis of other utilities procurement
 - (1) procurement scale of other utility products
 - (2) regional distribution of procurement of other utility products
 - (3) analysis of government procurement of other utility subdivided items
- 3.2.11 analysis of culture, sports and entertainment procurement

- (1) procurement scale of culture, sports and entertainment products
- (2) regional distribution of procurement of culture, sports and entertainment products
- (3) analysis of government procurement of culture, sports and entertainment subdivided items

Chapter 4: Analysis of purchaser of government procurement agency industry

4.1 analysis of procurement market of NPC organs

- 4.1.1 analysis of purchasing scale
- 4.1.2 project procurement plan
- 4.1.3 main procurement methods
- 4.1.4 analysis of procurement efficiency
- 4.1.5 procurement project bidding
- 4.1.6 analysis of suppliers of procurement
 - (1) distribution by project type
 - (2) distribution by region

4.2 analysis of procurement market of agencies directly under CCCPC

- 4.2.1 analysis of purchasing scale
- 4.2.2 project procurement plan
- 4.2.3 main procurement methods
- 4.2.4 analysis of procurement efficiency
- 4.2.5 procurement project bidding
- 4.2.6 analysis of suppliers of procurement
 - (1) distribution by project type
 - (2) distribution by region

4.3 analysis of procurement market of State Procurement Center

- 4.3.1 analysis of purchasing scale
- 4.3.2 project procurement plan
- 4.3.3 main procurement methods
- 4.3.4 analysis of procurement efficiency
- 4.3.5 procurement project bidding
- 4.3.6 analysis of suppliers of procurement

4.4 analysis of procurement market of Customs agencies

- 4.4.1 analysis of purchasing scale
- 4.4.2 project procurement plan
- 4.4.3 main procurement methods
- 4.4.4 analysis of procurement efficiency
- 4.4.5 analysis of suppliers of procurement
 - (1) distribution by project type
 - (2) distribution by region

4.5 analysis of government procurement market of tax agencies

- 4.5.1 analysis of purchasing scale
- 4.5.2 project procurement plan
- 4.5.3 main procurement methods
- 4.5.4 analysis of procurement efficiency
- 4.5.5 procurement project bidding
- 4.5.6 analysis of suppliers of procurement
 - (1) distribution by project type
 - (2) distribution by region

4.6 analysis of procurement market of PBC agencies

- 4.6.1 Twelfth-five Year Plan for financial procurement
- 4.6.2 analysis of purchasing scale
- 4.6.3 project procurement plan
- 4.6.4 main procurement methods
- 4.6.5 analysis of procurement efficiency
- 4.6.6 procurement project bidding
- 4.6.7 analysis of suppliers of procurement

Chapter 5: Analysis of procurement market of main local governments

5.1 analysis of procurement market of the Beijing municipal government

- 5.1.1 analysis of Beijing government procurement projects
 - (1) analysis of government procurement scale
 - (2) analysis of government procurement benefit

- (3) major government procurement projects
 - 5.1.2 analysis of Beijing municipal government procurement body
 - 5.1.3 operation of Beijing municipal government procurement center
 - 5.1.4 problems of Beijing municipal government procurement
 - 5.1.5 analysis of suppliers of Beijing municipal government procurement
 - 5.1.6 development status of government procurement agency
 - (1) analysis of business scale of government procurement agencies
 - (2) competition of government procurement agencies
 - 5.1.7 opportunities of government procurement agency
