

China Automotive Maintenance Industry Report 2016–2021, Market Prospect and Investment Strategic Planning

目 录

CONTENTS

Chapter 1: Overview of development of China's automotive maintenance industry

1.1 related overview of automotive maintenance industry

- 1.1.1 related concepts of automotive maintenance
- 1.1.2 service project of automotive maintenance
- 1.1.3 classification of automotive maintenance business
- 1.1.4 analysis of characteristics of automotive maintenance
- 1.1.5 status of the industry in the national economy

1.2 development course of automotive maintenance industry

- 1.2.1 rise of automotive maintenance industry
- 1.2.2 changes of automotive maintenance industry
- 1.2.3 innovation of automotive maintenance industry

1.3 automotive maintenance products and business model

- 1.3.1 product category of automotive maintenance market
- 1.3.2 comparison of advantages and disadvantages of automotive maintenance products
- 1.3.3 analysis of operation mode of automotive maintenance

Chapter 2: Analysis of development environment of China's automotive maintenance industry

2.1 analysis of policy environment of automotive maintenance industry

- 2.1.1 related policy trend of automobile industry
- 2.1.2 interpretation of development planning of automobile industry

2.2 analysis of economic environment of automotive maintenance industry

- 2.2.1 analysis of the international macro economic environment
- 2.2.2 analysis of the domestic macro economic environment
- 2.2.3 analysis of macro economic environment of the industry

2.3 analysis of demand environment of automotive maintenance industry

- 2.3.1 analysis of characteristics of demand for automotive maintenance
- 2.3.2 analysis of demand trends of automotive maintenance

2.4 analysis of social environment of automotive maintenance industry

- 2.4.1 coordination between social economy and the development of the industry
- 2.4.2 analysis of coordination between automotive maintenance and urbanization
- 2.4.3 analysis of domestic automobile consumer market

Chapter 3: Analysis of development of China's automobile aftermarket

3.1 analysis of overall market of auto industry

- 3.1.1 analysis of overall situation of auto production and sales market
 - (1) analysis of development of whole automotive market
 - (2) analysis of development of passenger car market
 - (3) analysis of development of commercial vehicle market
 - (4) forecast of development of automotive consumer market
- 3.1.2 analysis of operation of automobile manufacturing industry
 - (1) analysis of scale and benefit of automobile manufacturing industry
 - (2) analysis of profitability capability of automobile manufacturing industry
 - (3) analysis of solvency capability of automobile manufacturing industry
- 3.1.3 investment in fixed assets of automobile manufacturing industry
 - (1) analysis of fixed asset investment of automobile industry
 - (2) latest trend of fixed asset investment of automobile industry
- 3.1.4 analysis of development trends and forecast of automobile industry

3.2 analysis of development of automobile aftermarket

- 3.2.1 analysis of development of automobile aftermarket
- 3.2.2 analysis of scale of automobile aftermarket industry
- 3.2.3 analysis of profits of automobile aftermarket industry

- 3.2.4 analysis of China's car ownership
 - (1) analysis of civilian car ownership
 - (2) analysis of scale of car ownership in various provinces
 - (3) development trends of civilian car ownership
- 3.2.5 forecast of development of automobile aftermarket industry
 - (1) transfer of automobile profits to aftermarket
 - (2) services of multi-terminal of channel do not regulate
 - (3) development trends of automobile aftermarket
- 3.2.6 analysis of development strategy of automobile aftermarket
 - (1) analysis of operation mode of automobile aftermarket
 - (2) analysis of existing problems of automobile aftermarket
 - (3) analysis of development strategy of automobile aftermarket

3.3 analysis of marketing channel of automobile aftermarket

- 3.3.1 major marketing channels of automobile aftermarket
 - (1) auto 4S shop
 - (2) professional exhibitions
 - (3) traditional marketing channels
- 3.3.2 analysis of in-depth marketing theory
 - (1) introduction of in-depth marketing theory
 - (2) analysis of necessity of in-depth marketing
 - (3) application of in-depth marketing in the industry
- 3.3.3 problems of automobile aftermarket channels
- 3.3.4 analysis of marketing mode of domestic auto 4S shop
 - (1) car brand stores
 - (2) auto trading market
 - (3) automobile industry park
 - (4) automobile chain sales
 - (5) e-commerce model

Chapter 4: Analysis of market development of China's automotive maintenance industry

4.1 analysis of market situation of automotive maintenance industry

- 4.1.1 overview of development of automobile maintenance market
- 4.1.2 analysis of development scale of automotive maintenance market
- 4.1.3 analysis of profit source of automotive maintenance market
- 4.1.4 analysis of brand pattern of automotive maintenance market

4.2 analysis of operation strategy of automotive maintenance market

- 4.2.1 analysis of operation mode of automotive maintenance industry
- 4.2.2 comparison of franchise service and chain operation
- 4.2.3 analysis of strategy of automotive maintenance high-end market

4.3 analysis of future countermeasures of automotive maintenance market

- 4.3.1 analysis of problems of automotive maintenance market
- 4.3.2 analysis of development strategy of automotive maintenance industry
- 4.3.3 forecast of development of automotive maintenance market

Chapter 5: Analysis of subdivided markets of China's automotive maintenance industry

5.1 analysis of development of China's auto beauty market

- 5.1.1 overview of development of auto beauty market
- 5.1.2 analysis of characteristics of development of auto beauty market
- 5.1.3 analysis of auto beauty market in developed countries
- 5.1.4 analysis of demand of auto beauty market
 - (1) scale of demand of auto beauty market
 - (2) structure of demand of auto beauty market
- 5.1.5 analysis of business model of auto beauty market
 - (1) analysis of business model of auto beauty shop
 - (2) analysis of business model of auto beauty school
 - (3) analysis of business model of auto beauty chain
- 5.1.6 analysis of business strategy of auto beauty shop
 - (1) marketing strategy of auto beauty shop
 - (2) procurement strategy of auto beauty shop
 - (3) promotion strategy of auto beauty shop
 - (4) merchandise management of auto beauty shop

5.1.7 forecast of development of auto beauty market

- (1) problems of auto decoration beauty shop
- (2) forecast of development of auto beauty market

5.2 analysis of development of China's automotive supplies market

5.2.1 analysis of development of automotive supplies industry

- (1) analysis of status quo of development of automotive supplies
- (2) analysis of scale of automotive supplies industry
- (3) analysis of profits of automotive supplies industry
- (4) analysis of problems of development of the industry

5.2.2 analysis of automotive supplies consumer market

- (1) analysis of overall characteristics of consumption of automotive supplies
- (2) comparative analysis of consumer groups of automotive supplies
- (3) analysis of ways for consumers to buy auto supplies

5.2.3 analysis of regional markets of automotive supplies industry

- (1) analysis of development of automotive supplies in Guangdong
- (2) analysis of development of automotive supplies in Zhejiang
- (3) analysis of development of automotive supplies in Beijing
- (4) analysis of development of automotive supplies in Shanghai

5.2.4 analysis of competition of automotive supplies market

- (1) analysis of competition of international automotive supplies
- (2) analysis of competition of international automotive supplies brands
- (3) analysis of potential threat of domestic automotive supplies
- (4) analysis of competition defect of domestic automotive supplies
- (5) analysis of brand pattern of domestic automotive supplies

5.2.5 forecast of development of automotive supplies market

- (1) analysis of development trends of automotive supplies market
- (2) forecast of development of automotive supplies market

5.3 analysis of development of China's auto decoration market

5.3.1 overview of related knowledge of auto decoration

- (1) overview and classification of auto decoration
- (2) main contents of vehicle exterior decoration
- (3) main contents of vehicle interior decoration

5.3.2 analysis of competition of auto decoration

- (1) analysis of brand competition of auto decoration
- (2) analysis of homogeneous competition of auto decoration
- (3) analysis of price competition of auto decoration

5.3.3 forecast of investment of auto decoration

- (1) development trends of automotive accessories industry
- (2) investment opportunities of automotive accessories industry

5.4 analysis of development of China's auto modification market

5.4.1 analysis of domestic auto modification market

- (1) overview of development of auto modification market
- (2) analysis of scale of development of auto modification market
- (3) analysis of key areas of auto modification market
- (4) analysis of consumers of auto modification market
- (5) analysis of supply and demand balance of auto modification market
- (6) analysis of development trends of auto modification market

5.4.2 analysis of auto stereo modification market

- (1) concept and classification of auto stereo modification
- (2) development of car audio equipment market
 - 1) scale of development of car audio equipment market
 - 2) supply of car audio equipment market
 - 3) demand of car audio equipment market
- (3) analysis of demand of auto stereo modification market
 - 1) analysis of demand of race car stereo modification market
 - 2) analysis of demand of display car stereo modification market
 - 3) analysis of demand of practical car stereo modification market

5.4.3 forecast of auto stereo modification market

5.4.4 case study of auto stereo modification

- (1) case study of Audi vehicle
- (2) case study of BMW vehicle
- (3) case study of Mercedes-Benz vehicle
- (4) case study of Porsche vehicle
- (5) case study of Ferrari vehicle
- (6) case study of Cadillac vehicle
- (7) case study of Lamborghini vehicle
 - 1) analysis of channels of auto stereo modification market
 - 2) analysis of consumer psychology of auto stereo modification
 - 3) forecast of auto stereo modification market

5.5 analysis of development of China's auto quick repair market

- 5.5.1 analysis of development of auto quick repair market
 - (1) overview of development of auto quick repair market
 - 1) analysis of regional markets of auto quick repair
 - (2) analysis of trends of auto quick repair market
 - 1) overview of development of auto quick repair chain
 - 1. definition of auto quick repair chain operation
 - (3) development of auto quick repair chain market
 - 1) mode of operation of auto quick repair chain enterprise
 - 2) analysis of carrier of auto quick repair chain
- 5.5.2 analysis of operation environment of China's quick repair chain enterprise
 - (1) policy environment
 - (2) economic environment
 - (3) social and cultural environment
- 5.5.3 operation of auto quick repair chain in some provinces
 - (1) development of auto quick repair chain industry in Shanghai
 - (2) development of auto quick repair chain industry in Fujian
- 5.5.4 selection of development path of auto quick repair chain
 - (1) problems of development of auto quick repair chain
 - (2) necessity for auto repair enterprise to develop quick repair chain
 - (3) analysis of advantage of auto quick repair chain operation
 - (4) establishment of path of auto quick repair chain
 - (5) analysis of operation strategy of auto quick repair enterprise
 - (6) policy recommendations for the development of auto quick repair chain

Chapter 6: Analysis of key regional markets of automotive maintenance industry

6.1 analysis of automotive maintenance market in Pearl River Delta Region

- 6.1.1 analysis of development of automotive maintenance market in Guangzhou
 - (1) analysis of automobile consumer market in Guangzhou
 - (2) car ownership and growth in Guangzhou
 - (3) status quo of development of automotive maintenance market in Guangzhou
 - (4) competitive landscape of automotive maintenance market in Guangzhou
 - (5) forecast of automotive maintenance market in Guangzhou
- 6.1.2 analysis of development of automotive maintenance market in Shenzhen
 - (1) analysis of automobile consumer market in Shenzhen
 - (2) car ownership and growth in Shenzhen
 - (3) status quo of development of automotive maintenance market in Shenzhen
 - (4) competitive landscape of automotive maintenance market in Shenzhen
 - (5) forecast of automotive maintenance market in Shenzhen
- 6.1.3 analysis of development of automotive maintenance market in Dongguan
 - (1) analysis of automobile consumer market in Dongguan
 - (2) car ownership and growth in Dongguan
 - (3) status quo of development of automotive maintenance market in Dongguan
 - (4) competitive landscape of automotive maintenance market in Dongguan
 - (5) forecast of automotive maintenance market in Dongguan

6.2 analysis of automotive maintenance market in Yangtze River Delta Region

- 6.2.1 analysis of development of automotive maintenance market in Shanghai
 - (1) analysis of automobile consumer market in Shanghai
 - (2) car ownership and growth in Shanghai
 - (3) status quo of development of automotive maintenance market in Shanghai

- (4) competitive landscape of automotive maintenance market in Shanghai
- (5) forecast of automotive maintenance market in Shanghai
- 6.2.2 analysis of development of automotive maintenance market in Zhejiang
 - (1) analysis of automobile consumer market in Zhejiang
 - (2) car ownership and growth in Zhejiang
 - (3) status quo of development of automotive maintenance market in Zhejiang
 - (4) competitive landscape of automotive maintenance market in Zhejiang
 - (5) forecast of automotive maintenance market in Zhejiang
- 6.2.3 analysis of development of automotive maintenance market in Jiangsu
 - (1) analysis of automobile consumer market in Jiangsu
 - (2) car ownership and growth in Jiangsu
 - (3) status quo of development of automotive maintenance market in Jiangsu
 - (4) competitive landscape of automotive maintenance market in Jiangsu
 - (5) forecast of automotive maintenance market in Jiangsu
- 6.3 analysis of automotive maintenance market in Bohai Rim Region**
 - 6.3.1 analysis of development of automotive maintenance market in Beijing
 - (1) analysis of automobile consumer market in Beijing
 - (2) car ownership and growth in Beijing
 - (3) status quo of development of automotive maintenance market in Beijing
 - (4) competitive landscape of automotive maintenance market in Beijing
 - (5) forecast of automotive maintenance market in Beijing
 - 6.3.2 analysis of development of automotive maintenance market in Tianjin
 - (1) analysis of automobile consumer market in Tianjin
 - (2) car ownership and growth in Tianjin
 - (3) status quo of development of automotive maintenance market in Tianjin
 - (4) competitive landscape of automotive maintenance market in Tianjin
 - (5) forecast of automotive maintenance market in Tianjin
 - 6.3.3 analysis of development of automotive maintenance market in Shandong
 - (1) analysis of automobile consumer market in Shandong
 - (2) car ownership and growth in Shandong
 - (3) status quo of development of automotive maintenance market in Shandong
 - (4) competitive landscape of automotive maintenance market in Shandong
 - (5) forecast of automotive maintenance market in Shandong
 - 6.3.4 analysis of development of automotive maintenance market in Hebei
 - (1) analysis of automobile consumer market in Hebei
 - (2) car ownership and growth in Hebei
 - (3) status quo of development of automotive maintenance market in Hebei
 - (4) competitive landscape of automotive maintenance market in Hebei
 - (5) forecast of automotive maintenance market in Hebei
- 6.4 analysis of automotive maintenance market in Northeast China**
 - 6.4.1 analysis of development of automotive maintenance market in Heilongjiang
 - (1) analysis of automobile consumer market in Heilongjiang
 - (2) car ownership and growth in Heilongjiang
 - (3) status quo of development of automotive maintenance market in Heilongjiang
 - (4) competitive landscape of automotive maintenance market in Heilongjiang
 - (5) forecast of automotive maintenance market in Heilongjiang
 - 6.4.2 analysis of development of automotive maintenance market in Jilin
 - (1) analysis of automobile consumer market in Jilin
 - (2) car ownership and growth in Jilin
 - (3) status quo of development of automotive maintenance market in Jilin
 - (4) competitive landscape of automotive maintenance market in Jilin
 - (5) forecast of automotive maintenance market in Jilin
 - 6.4.3 analysis of development of automotive maintenance market in Liaoning
 - (1) car ownership and growth in Liaoning
 - (2) car ownership and growth in Liaoning
 - (3) status quo of development of automotive maintenance market in Liaoning
 - (4) competitive landscape of automotive maintenance market in Liaoning
 - (5) forecast of automotive maintenance market in Liaoning
- 6.5 analysis of automotive maintenance market in Central and Western China**

- 6.5.1 analysis of development of automotive maintenance market in Sichuan
 - (1) analysis of automobile consumer market in Sichuan
 - (2) car ownership and growth in Sichuan
 - (3) status quo of development of automotive maintenance market in Sichuan
 - (4) competitive landscape of automotive maintenance market in Sichuan
 - (5) forecast of automotive maintenance market in Sichuan
- 6.5.2 analysis of development of automotive maintenance market in Hubei
 - (1) analysis of automobile consumer market in Hubei
 - (2) car ownership and growth in Hubei
 - (3) status quo of development of automotive maintenance market in Hubei
 - (4) competitive landscape of automotive maintenance market in Hubei
 - (5) forecast of automotive maintenance market in Hubei
- 6.5.3 analysis of development of automotive maintenance market in Hunan
 - (1) analysis of automobile consumer market in Hunan
 - (2) car ownership and growth in Hunan
 - (3) status quo of development of automotive maintenance market in Hunan
 - (4) competitive landscape of automotive maintenance market in Hunan
 - (5) forecast of automotive maintenance market in Hunan
- 6.5.4 analysis of development of automotive maintenance market in Chongqing
 - (1) analysis of automobile consumer market in Chongqing
 - (2) car ownership and growth in Chongqing
 - (3) status quo of development of automotive maintenance market in Chongqing
 - (4) competitive landscape of automotive maintenance market in Chongqing
 - (5) forecast of automotive maintenance market in Chongqing

6.6 analysis of automotive maintenance market in Northwest China

- 6.6.1 analysis of development of automotive maintenance market in Xinjiang
 - (1) analysis of automobile consumer market in Xinjiang
 - (2) car ownership and growth in Xinjiang
 - (3) status quo of development of automotive maintenance market in Xinjiang
 - (4) competitive landscape of automotive maintenance market in Xinjiang
 - (5) forecast of automotive maintenance market in Xinjiang
- 6.6.2 analysis of development of automotive maintenance market in Shaanxi
 - (1) analysis of automobile consumer market in Shaanxi
 - (2) car ownership and growth in Shaanxi
 - (3) status quo of development of automotive maintenance market in Shaanxi
 - (4) competitive landscape of automotive maintenance market in Shaanxi
 - (5) forecast of automotive maintenance market in Shaanxi
- 6.6.3 analysis of development of automotive maintenance market in Inner Mongolia
 - (1) analysis of automobile consumer market in Inner Mongolia
 - (2) car ownership and growth in Inner Mongolia
 - (3) status quo of development of automotive maintenance market in Inner Mongolia
 - (4) competitive landscape of automotive maintenance market in Inner Mongolia
 - (5) forecast of automotive maintenance market in Inner Mongolia

Chapter 7: Analysis of maintenance product market of automotive maintenance industry

7.1 analysis of automotive maintenance product market

- 7.1.1 status quo of development of automotive maintenance product market
- 7.1.2 analysis of product structure of automotive maintenance market
- 7.1.3 forecast of automotive maintenance product market

7.2 analysis of subdivided markets of automotive maintenance products

- 7.2.1 analysis of lubrication system automotive maintenance products market
- 7.2.2 analysis of fuel system automotive maintenance products market
- 7.2.3 analysis of cooling system automotive maintenance products market
- 7.2.4 analysis of transmission system automotive maintenance products market
- 7.2.5 analysis of steering system automotive maintenance products market
- 7.2.6 analysis of air-conditioning system automotive maintenance products market
- 7.2.7 analysis of braking system automotive maintenance products market
- 7.2.8 analysis of maintenance products market of automotive body lubricating
- 7.2.9 analysis of lubrication system automotive maintenance products market

7.3 analysis of marketing strategy of automotive maintenance product market

- 7.3.1 analysis of major marketing channels of automotive products
 - (1) auto parts center and automotive supplies store
 - (2) large automotive products supermarket
 - (3) auto 4S shop
 - (4) online marketing channel

7.4 analysis of marketing strategy of automotive maintenance products

- 7.4.1 marketing channels of automotive maintenance products
- 7.4.2 marketing cases of automotive maintenance products

Chapter 8: Analysis of market competition of automotive maintenance industry

8.1 analysis of market competitive landscape of automotive maintenance industry

8.2 analysis of international market competition of automotive maintenance industry

- 8.2.1 analysis of development of international automobile maintenance market
- 8.2.2 analysis of competition of the international automobile maintenance market
- 8.2.3 analysis of investment of multinational automobile maintenance enterprises in China
 - (1) investment layout of Motron Company in China
 - (2) investment layout of BAR 'S LEAKS Company in China
 - (3) investment layout of Guiboshi Company in China
 - (4) investment layout of Honeywell Company in China
- 8.2.4 analysis of development trends of the multinational automobile maintenance market

8.3 analysis of domestic market competition of automotive maintenance industry

- 8.3.1 competition of domestic automotive maintenance industry
- 8.3.2 market competition of domestic automotive maintenance products
- 8.3.3 competition of domestic auto beauty market
 - (1) analysis of status quo of competition of auto beauty market
 - (2) problems of automotive beauty market
 - (3) analysis of development measures of automotive beauty market
- 8.3.4 competition of domestic quick auto repair market

8.4 analysis of mergers and restructuring of automotive maintenance industry

- 8.4.1 overview of mergers and restructuring of automotive maintenance industry
- 8.4.2 analysis of mergers and restructuring of automotive maintenance industry
- 8.4.3 trends of mergers and restructuring of automotive maintenance industry

Chapter 9: Analysis of operation of major enterprises of China's automotive maintenance industry

9.1 Huayue Vehicle Beauty Company

- 9.1.1 analysis of the company's development profile
- 9.1.2 analysis of the company's operation
- 9.1.3 analysis of the company's main business
- 9.1.4 analysis of the company's business outlets
- 9.1.5 analysis of advantages and disadvantages of the company's operation
- 9.1.6 analysis of the company's latest development trend
- 9.1.7 analysis of the company's investment, merger and restructuring

9.2 99 Automotive Services (chain) Ltd.

- 9.2.1 analysis of the company's development profile
- 9.2.2 analysis of the company's main business
- 9.2.3 analysis of the company's operation mode
- 9.2.4 analysis of the company's organizational structure
- 9.2.5 the company's technical staff
- 9.2.6 analysis of advantages and disadvantages of the company's operation
- 9.2.7 analysis of the company's latest development trend
- 9.2.8 analysis of the company's investment, merger and restructuring

9.3 Shenzhen Freebond Technology Co., Ltd.

- 9.3.1 analysis of the company's development profile
- 9.3.2 analysis of the company's operation
- 9.3.3 analysis of the company's organizational structure
- 9.3.4 analysis of the company's main business
- 9.3.5 analysis of the company's business outlets
- 9.3.6 analysis of advantages and disadvantages of the company's operation
- 9.3.7 analysis of the company's latest development trend
- 9.3.8 analysis of the company's investment, merger and restructuring

9.4 Beijing JKJOINNS Automotive Products Ltd.

- 9.4.1 analysis of the company's development profile
- 9.4.2 analysis of the company's operation mode
- 9.4.3 analysis of the company's organizational structure
- 9.4.4 analysis of the company's business outlets
- 9.4.5 the company's technical staff
- 9.4.6 analysis of advantages and disadvantages of the company's operation
- 9.4.7 analysis of the company's latest development trend
- 9.4.8 analysis of the company's future development planning

9.5 Beijing Shouqi Automotive Maintenance Ltd.

- 9.5.1 analysis of the company's development profile
- 9.5.2 analysis of the company's main business
- 9.5.3 analysis of the company's operation mode
- 9.5.4 analysis of the company's organizational structure
- 9.5.5 analysis of the company's business outlets
- 9.5.6 analysis of advantages and disadvantages of the company's operation
- 9.5.7 analysis of the company's latest development trend

9.6 Cheqishi Car Service Chain

- 9.6.1 analysis of the company's development profile
- 9.6.2 analysis of the company's operation
- 9.6.3 analysis of the company's operation mode
- 9.6.4 analysis of the company's organizational structure
- 9.6.5 analysis of the company's business outlets
- 9.6.6 the company's technical staff
- 9.6.7 analysis of advantages and disadvantages of the company's operation
- 9.6.8 analysis of the company's investment, merger and restructuring
- 9.6.9 analysis of the company's latest development trend
- 9.6.10 analysis of the company's development planning

9.7 Jiangxi Yuanzheng Car Maintenance Co., Ltd.

- 9.7.1 analysis of the company's development profile
- 9.7.2 analysis of the company's operation
- 9.7.3 analysis of the company's main business
- 9.7.4 analysis of the company's business outlets
- 9.7.5 analysis of advantages and disadvantages of the company's operation
- 9.7.6 analysis of the company's latest development trend
- 9.7.7 analysis of the company's investment, merger and restructuring

9.8 Shanghai Junction Technology Trade Co., Ltd.

- 9.8.1 analysis of the company's development profile
- 9.8.2 analysis of the company's operation
- 9.8.3 analysis of the company's main business
- 9.8.4 analysis of the company's business outlets
- 9.8.5 analysis of advantages and disadvantages of the company's operation
- 9.8.6 analysis of the company's latest development trend
- 9.8.7 analysis of the company's investment, merger and restructuring

9.9 Beijing Chinaepu Automotive Technology Development Co., Ltd.

- 9.9.1 analysis of the company's development profile
- 9.9.2 analysis of the company's operation
- 9.9.3 analysis of the company's main business
- 9.9.4 analysis of the company's business outlets
- 9.9.5 analysis of advantages and disadvantages of the company's operation
- 9.9.6 analysis of the company's latest development trend
- 9.9.7 analysis of the company's investment, merger and restructuring

9.10 Jilin Yaxin Auto Repair LLC

- 9.10.1 analysis of the company's development profile
- 9.10.2 analysis of the company's operation
- 9.10.3 analysis of the company's maintenance equipment
- 9.10.4 the company's technical staff
- 9.10.5 analysis of advantages and disadvantages of the company's operation
- 9.10.6 analysis of the company's latest development trend

9.11 Luliang Xinguang Auto Repair Services Ltd.

- 9.11.1 analysis of the company's development profile
- 9.11.2 analysis of the company's operation
- 9.11.3 analysis of the company's main business
- 9.11.4 analysis of the company's business outlets
- 9.11.5 analysis of advantages and disadvantages of the company's operation
- 9.11.6 analysis of the company's latest development trend
- 9.11.7 analysis of the company's investment, merger and restructuring

9.12 Hangzhou Shangmeng Automotive Services Ltd.

- 9.12.1 analysis of the company's development profile
- 9.12.2 analysis of the company's operation
- 9.12.3 analysis of the company's main business
- 9.12.4 analysis of the company's business outlets
- 9.12.5 analysis of advantages and disadvantages of the company's operation
- 9.12.6 analysis of the company's latest development trend
- 9.12.7 analysis of the company's investment, merger and restructuring

9.13 Zhejiang Yuantong Express Auto Repair Ltd.

- 9.13.1 analysis of the company's development profile
- 9.13.2 analysis of the company's operation
- 9.13.3 analysis of the company's main business
- 9.13.4 analysis of the company's business outlets
- 9.13.5 analysis of advantages and disadvantages of the company's operation
- 9.13.6 analysis of the company's latest development trend
- 9.13.7 analysis of the company's investment, merger and restructuring

9.14 Xiamen Shunlong Vehicle Maintenance Ltd.

- 9.14.1 analysis of the company's development profile
- 9.14.2 analysis of the company's main business
- 9.14.3 analysis of the company's maintenance equipment
- 9.14.4 analysis of the company's organizational structure
- 9.14.5 analysis of the company's business outlets
- 9.14.6 the company's technical staff
- 9.14.7 analysis of advantages and disadvantages of the company's operation
- 9.14.8 analysis of the company's investment, merger and restructuring

9.15 Guangzhou Xingxian Industrial Co., Ltd.

- 9.15.1 analysis of the company's development profile
- 9.15.2 analysis of the company's maintenance equipment
- 9.15.3 analysis of the company's organizational structure
- 9.15.4 analysis of the company's business outlets
- 9.15.5 the company's technical staff
- 9.15.6 analysis of advantages and disadvantages of the company's operation
- 9.15.7 analysis of the company's latest development trend
- 9.15.8 analysis of the company's investment, merger and restructuring
- 9.15.9 analysis of the company's future development planning

9.16 Changsha Lixing Automobile Maintenance Services Co., Ltd.

- 9.16.1 analysis of the company's development profile
- 9.16.2 analysis of the company's operation
- 9.16.3 analysis of the company's main business
- 9.16.4 analysis of the company's business outlets
- 9.16.5 analysis of advantages and disadvantages of the company's operation
- 9.16.6 analysis of the company's latest development trend
- 9.16.7 analysis of the company's investment, merger and restructuring

9.17 Yi'an Automotive Services Ltd.

- 9.17.1 analysis of the company's development profile
- 9.17.2 analysis of the company's operation
- 9.17.3 analysis of the company's main business
- 9.17.4 analysis of the company's business outlets
- 9.17.5 analysis of advantages and disadvantages of the company's operation
- 9.17.6 analysis of the company's latest development trend
- 9.17.7 analysis of the company's investment, merger and restructuring

9.18 Wuxi Shuangyuan Automotive Services Ltd.

- 9.18.1 analysis of the company's development profile
- 9.18.2 analysis of the company's operation
- 9.18.3 analysis of the company's main business
- 9.18.4 analysis of the company's business outlets
