

China Highway Service Area Operation Management and Investment Strategy Report

目 录

CONTENTS

Chapter 1: China Highway Service Area Development Review

1.1 Highway Service Area Research Background

- 1.1.1 The Publishing Of "National Highway Network Plan
- 1.1.2 The Continuous Development And Growing Demand Of Market Economy
- 1.1.3 The Upgrading Ideas Of China Highway Managers

1.2 Highway Service Area Overview

- 1.2.1 The Concept Of Highway Service Area
- 1.2.2 The Types Of Highway Service Area
- 1.2.3 The Functions Of Highway Service Area
- 1.2.4 Facilities Of Highway Service Area
- 1.2.5 The Service Objects Of Highway Service Area
- 1.2.6 Features Of Highway Service Area

1.3 Operation And Management Of Highway Service Area

- 1.3.1 Operational Management Of Highway Service Area
- 1.3.2 Contracting Management Of Highway Service Area
- 1.3.3 Rental And Leasing Management Of Highway Service Area
- 1.3.4 Professional Agency Management Of Highway Service Area
- 1.3.5 Comparison For Different Managements Of Highway Service Area

Chapter 2: Developing Environment For China Highway Service Area

2.1 Analysis Of Policy Environment For Highway Service Area

- 2.1.1 Analysis Of Management System For Highway Service Area
- 2.1.2 Interpretation Of Related Policies For Highway Service Area
- 2.1.3 Interpretation Of Development Planning For Highway Service Area

2.2 Analysis Of Environmental Impact Of Highway Service Area

- 2.2.1 The Environmental Impact Of Highway Service Area
- 2.2.2 Environmental Pollution Prevention Of Highway Service Area
 - (1) The Water Pollution Prevention Of Highway Service Area
 - (2) The Air Pollution Prevention Of Highway Service Area
 - (3) The Noise Pollution Prevention Of Highway Service Area
 - (4) The Waste Pollution Prevention Of Highway Service Area
- 2.2.3 The Environmental Protection Measures Of Highway Service Area
 - (1) The Noise Pollution Control Measures Of Highway Service Area
 - (2) The Air Pollution Control Measures Of Highway Service Area
 - (3) The Water Pollution Control Measures Of Highway Service Area

2.3 Analysis Of Demands Of Highway Service Area

- 2.3.1 Highway Service Area Is The Demand Of Safe Driving
- 2.3.2 Highway Service Area Is The Demand Of Environmental Protection
- 2.3.3 Highway Service Area Is The Demand Of Transportation

Chapter 3: The Current Development Of Both Domestic And Foreign Highway Service Area

3.1 The Development Of Foreign Highway Service Area

- 3.1.1 The Development Of Japanese Highway Service Area
- 3.1.2 The Development Of Korean Highway Service Area
- 3.1.3 The Development Of American Highway Service Area
- 3.1.4 The Development Of U.K. Highway Service Area
- 3.1.5 The Development Of German Highway Service Area
- 3.1.6 The Development Of French Highway Service Area
- 3.1.7 The Development Of Canada Highway Service Area

3.2 The Development Of China Highway Service Area

- 3.2.1 Analysis Of China Highway Operating Conditions

- 3.2.2 The Mileage And Growth Of China Highway
 - (1) Highway Mileages Of Each Province
 - (2) The Average Daily Traffic Volume Of China Highway
 - (3) Analysis Of China Highway Construction Investment
- 3.2.3 Analysis Of Highway Service Area Development
 - (1) Analysis Of Highway Service Area Current Development
 - (2) The Problems And Reasons Of Highway Service Area
 - (3) Analysis Of Highway Service Area Development Measures
- 3.2.4 The Information Technology Status Of Highway Service Area
 - (1) The Status And Problems Of Highway Service Area Information Technology
 - (2) The Trends And Key points Of Highway Service Area Information Technology Development
 - (3) Lessons Of Taiwan Highway Service Area Development
- 3.2.5 Facility Design And Construction Features Of Taiwan Highway Service Area
- 3.2.6 Operation And Management Of Taiwan Highway Service Area
- 3.2.7 Revelations To China Highway Service Area

Chapter 4: Analysis Of The Design And Planning Of China Highway Service Area

4.1 Overview Of China Planning Highway Service Area

- 4.1.1 The Concept And Categories Of Highway Service Area
- 4.1.2 The Main Content Of China Highway Service Area
 - (1) The Overall Planning Of Highway Service Area
 - (2) The Basic Form Of Highway Service Area
 - (3) The Scale Of Highway Service Area
- 4.1.3 The Common Layout Of Highway Service Area
 - (1) Analysis Of Discrete Highway Service Area Layout
 - (2) Analysis Of Concentrated Highway Service Area Layout
 - (3) Analysis Of Other Highway Service Area Layout

4.2 Analysis Of Highway Service Area Construction Planning

- 4.2.1 The Construction Ideas Of Highway Service Area
- 4.2.2 The Key points Of Highway Service Area Designs
 - (1) Site Selection And Planning Of Highway Service Area
 - (2) Construction Size Of Form Of Highway Service Area
 - (3) Building Designs Of Highway Service Area
- 4.2.3 Analysis Of Site Selection Of Highway Service Area
 - (1) Influencing Factors Of Highway Service Area Site Selection
 - (2) Types Of Site Selection Of Highway Service Area
- 4.2.4 Function Deployment Of Highway Service Area
 - (1) Basic Function Deployment Of Highway Service Area
 - (2) Analysis Of Highway Service Area Utility Importance
 - (3) Hierarchical Deployment Of Highway Service Area
- 4.2.5 Determination Of Space Between Highway Service Areas
 - (1) Analysis Of Influencing Factors Of Highway Service Area
 - (2) Determination Of Space Between Highway Service Area
- 4.2.6 Determination Of Scale Of Highway Service Area
 - (1) Analysis Of Influencing Of Highway Service Area
 - (2) Determination Of Scale Of Highway Service Area

4.3 Highway Service Area Designs Under Geographical Culture

- 4.3.1 Geographical Culture And Highway Service Area
- 4.3.2 The New Concept Of Highway Service Area Design
 - (1) Discovering And Displaying Of Highway Service Area
 - (2) In Harmony Of Natural Environment
 - (3) Unified Planning And Styles Of Highway Service Area
 - (4) Highlighting Of The Characteristics Of Highway Service Area
 - (5) Diversification Of Highway Service Area
- 4.3.3 Geographical Culture Reflected In Highway Service Area
 - (1) In Highway Service Area Site Selection
 - (2) In Highway Service Area Building Design
- 4.3.4 Highway Service Area Service Functions Diversity Under Geographical Culture
 - (1) Vacation And Leisure
 - (2) Exhibition Display

(3) Logistics Transit

Chapter 5: Analysis Of China Highway Service Area Operation Management

5.1 Overview Of Highway Service Area Management

5.1.1 Management Principles Of Highway Service Area

5.1.2 Management Requirements Of Highway Service Area

(1) General Requirements Of Highway Service Area

(2) Management Requirements Of Highway Service Area Facilities

(3) Restaurant Management Requirements Of Highway Service Area

(4) Hotel Management Requirements Of Highway Service Area

(5) Convenience Store Management Requirements Of Highway Service Area

(6) Gas Station Management Requirements Of Highway Service Area

(7) Auto Repair Management Requirements Of Highway Service Area

5.1.3 The Management Responsibilities Of Highway Service Area

5.2 Analysis Of Restaurant Management Of Highway Service Area

5.2.1 Analysis Of Purchase Management Of Highway Service Area

5.2.2 Analysis Of Warehouse Management Of Highway Service Area

5.2.3 Analysis Of Processing Management Of Highway Service Area

5.2.4 Analysis Of Sales Management Of Highway Service Area

5.2.5 Analysis Of Hygiene Management Of Highway Service Area

5.3 Analysis Of Room Management Of Highway Service Area

5.3.1 Analysis Of Lobby Management Of Highway Service Area

5.3.2 Analysis Of Quality Management Of Highway Service Area

5.3.3 Analysis Of Facilities Management Of Highway Service Area

5.3.4 Analysis Of Linen Management Of Highway Service Area

5.3.5 Analysis Of Warehouse Management Of Highway Service Area

5.4 Analysis Of Auto Management Of Highway Service Area

5.4.1 Analysis Of Auto Parts Management Of Highway Service Area

5.4.2 Analysis Of Parts Warehouse Management Of Highway Service Area

5.4.3 Analysis Of Field Service Management Of Highway Service Area

5.4.4 Analysis Of Service Area Shift Management Of Highway Service Area

5.4.5 Analysis Of Repair Files Management Of Highway Service Area

5.5 Analysis Of Convenience Store Management Of Highway Service Area

5.5.1 Analysis Of Purchase Management Of Highway Service Area

5.5.2 Analysis Of Warehouse Management Of Highway Service Area

5.5.3 Analysis Of Commodities Management Of Highway Service Area

5.5.4 Analysis Of Replenishment Management Of Highway Service Area

5.5.5 Analysis Of Return Of Goods Management Of Highway Service Area

5.5.6 Analysis Of Inventory Management Of Highway Service Area

5.5.7 Analysis Of Promotion Management Of Highway Service Area

5.6 Analysis Of Property Management Of Highway Service Area

5.6.1 Security And Divert Management Of Highway Service Area

5.6.2 Analysis Of Cleaning Management Of Highway Service Area

5.6.3 Analysis Of Maintenance Management Of Highway Service Area

5.6.4 Analysis Of Greening Management Of Highway Service Area

5.7 Analysis Of Gas Station Management Of Highway Service Area

5.7.1 Analysis Of Facilities Management Of Highway Service Area

5.7.2 Analysis Of Client Management Of Highway Service Area

5.7.3 Analysis Of Security Management Of Highway Service Area

5.7.4 Analysis Of Emergency Management Of Highway Service Area
